

**The City of Malibu requests:**  
**Please keep your trash containers out of sight!**

Keep your City neighborhoods beautiful and safe by storing your trash containers out of sight. This City ordinance is easy, helpful, safe, and benefits the whole community.

Please follow these guidelines and be a good neighbor:

-  Store your trash containers out of public view.
-  Containers may be placed on the street at 5:30 pm the evening before collection day.
-  Containers must be taken off the street by 8:00 pm on collection day (sooner if possible).
-  Trash containers should be a safe distance from parked cars, mailboxes or other objects.

If you have questions please contact your
