Re: Report of Independent Investigation of Wagner Affidavit

Dear Mayor Grisanti:

Enclosed please find the report of the independent investigation conducted for the City of Malibu, as directed by the City Council, by me and attorney George B. Newhouse, Jr., regarding allegations raised in the affidavit of former Councilmember Jefferson Wagner. As detailed in the report, our investigation leads us to conclude that the allegations in the affidavit are not substantiated, and/or are conclusively refuted, by available evidence.

We appreciate having had the opportunity to serve the City of Malibu, and to work with the designated client representatives for our investigation, Councilmembers Karen Farrer and Bruce Silverstein, and welcome the opportunity to respond to any questions the Council may have.

Best regards,
