Guide to the City Commission Proceedings

The Oral Communication portion of the agenda is for members of the public to present items which are not listed on the agenda but are under the subject matter jurisdiction of the Commission. Although no action may be taken, the Commission and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to three (3) minutes. Members of the public wishing to speak during the meeting must participate through the Zoom application. You must first sign up to speak before the item you would like to speak on has been called by the Chair and then you must be present in the Zoom conference to be recognized. Please visit https://MalibuCity.org/VirtualMeeting and follow the directions for signing up to speak and downloading the Zoom application.

Items in Consent Calendar Section A have already been considered by the Commission at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

Items in Consent Calendar Section B have not been discussed previously by the Commission. If discussion is desired, an item may be removed from the Consent Calendar for individual consideration. Commissioners may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from the Consent Calendar will be taken up by the Commission following the action on the Consent Calendar. The Commission first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication.

Old Business items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.

Items in New Business are items which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.

Copies of the staff reports or other written documentation relating to each item of business described above are on file in the office of the City Manager, and available upon request by emailing MLinden@MalibuCity.org. The City Hall phone number is (310) 456-2489. To contact City Hall using a telecommunication device for the deaf (TDD),
please call (800) 735-2929 and a California Relay Service operator will assist you. In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact Yolanda Bundy, Environmental Sustainability Director, at (310) 456-2489, ext. 229. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. [28 CFR 35.102-35.104 ADD Title II].

I hereby certify under penalty of perjury, under the laws of the State of California, that the foregoing agenda was posted in accordance with the applicable legal requirements. Dated this 27th day of May 2021, at 11:00 a.m.

APPROVAL OF AGENDA

MOTION Commissioner Gibbs moved and Chair Frost seconded a motion to approve the agenda. The question was called and the motion carried 4-0, Commissioner Anneet absent.

REPORT ON POSTING OF AGENDA

Executive Assistant Linden reported that the agenda for the meeting was properly posted on April 29, 2021.

ITEM 1.A. PUBLIC COMMENTS
Vice Chair Stewart requested members of the public only be called to speak if they were signed up to speak prior to the item being called.

Zach Fernandez was not present at the time of the hearing.

Bobby Milstein thanked the Commissioners for their time in service to the City. He discussed signs posted for oversized vehicles. He stated he understood the intent but expressed concern this might infringe on residents who own larger vehicles. He stated his pickup truck exceeded the height limit. He discussed how the two-hour time limit for commercial vehicle parking could impact contractors. He stated unattached trailer restrictions were already in place statewide.

Ryan Embree discussed the history of the oversized vehicle ordinance. He suggested the Commission recommend a permit program for residents with large vehicles. He stated the cost of the program would be recouped by citation fines. He expressed agreement with the Commission’s recommendation for additional Sheriff patrol cars.

ITEM 1.B. STAFF UPDATES

Public Works Director DuBoux announced Civic Center Way was now open. He stated delivery of traffic signal equipment was expected soon. He discussed potential locations identified for installing a fire warning sign or a turnout for Corral Canyon as discussed in the Joint Special meeting with the Public Works Commission on March 11, 2021. He explained space requirements for a turnout. He announced Caltrans representatives would be at the June 2, 2021 meeting to present a safety project for the Pacific Coast Highway (PCH) intersections at Las Flores Canyon Road and Rambla Pacifico Street.

Public Safety Manager Dueñas stated staff was working with consultant on an indoor emergency warning system. She stated she was working with Southern California Edison (SCE) to establish the Michael Landon Center as a community resource center during an emergency. She stated the nuisance code amendment would come back at the June meeting. She announced the City-hosted site for second vaccines would be held at City Hall on Friday, May 7. She discussed State SB 85 funding available through the Mountains Recreation and Conservation Authority (MRCA) for fire preparedness and prevention in the Santa Monica Mountains area. She stated the City submitted request for $324,000 for removal of 100 hazard trees on public or private property and to present 12 chipper days.

Fire Safety Liaison Brossard stated, if funding was awarded, chipper days would be offered by evacuation zone as a four-week project. He stated a green waste roll-off dumpster would be available for seven days per zone for items that could not be chipped. He discussed dead and dying trees in the Woolsey Fire scar zone and
outside that area. He stated he would identify dead or dying trees and would contact the homeowners about removal.

ITEM 1.C. COMMISSIONER COMMENTS

Ex Officio Member Woodworth thanked the public speakers. He agreed parking restrictions might need additional review. He thanked Public Works Director DuBoux for information about a potential turnout on Corral Canyon Road. He stated he looked forward to Caltrans presenting safety enhancements for the Las Flores Canyon Road intersection. He thanked Assistant Fire Chief Drew Smith and his teams for hitting fires quickly. He stated risks of homeless encampments should be monitored. He stated local businesses were interested in working with the City regarding fire mitigation.

Commissioner Spiegel stated a resident contacted him regarding the incident at Zuma Beach where a person with a gun was arrested. He asked about progress to improve safety at El Matador Beach. He suggested a no parking zone on one side of PCH. Public Works Director DuBoux stated the Coastal Commission would not approve no parking zones on PCH without providing new nearby parking areas. In response to Commissioner Spiegel, he stated changeable message signs (CMS) were in place to warn motorists of pedestrians crossing the road. Commissioner Spiegel requested further investigation be conducted to make it safer. He agreed with Mr. Milstein about the need to modify the oversized vehicle ordinance.

In response to Mr. Milstein’s comments, Commissioner Gibbs stated he previously expressed concern that non-egregious offenders would be impacted by parking restrictions. He expressed concern that the law may unequally be enforced. He stated a permit program could be difficult for transient workers. He discussed burglaries in Malibu West. He stated those crimes supported the Commission’s recommendation for increased Sheriff’s patrols at night.

Vice Chair Stewart thanked the public speakers. He discussed Ordinance No. 427. He stated the ordinance included exemptions, including for large pickup trucks without campers and certain delivery and other commercial vehicles. He discussed permit allowances for residents. He thanked Public Safety Manager Dueñas for looking into an indoor alert system. He stated a resident had suggested a traffic constable in the Civic Center on weekends. He suggested using Beach Team members to patrol the Civic Center area. He suggested adjusting speed limits on PCH between Malibu Road and Las Flores Canyon Road.

In response to Vice Chair Stewart, Public Safety Manager Dueñas stated evacuation zone signs were not yet ordered. She stated Lexis Nexis had not provided the requested cost proposal. She stated beacon boxes were on order and expected to be delivered in June. She stated the Conditional Use Permit (CUP) for the temporary
tow yard was going to the Planning Commission next Monday. She stated she hoped the tow yard would be ready by Memorial Day weekend. She stated an MOU with Sierra Tow would be necessary.

Chair Frost thanked the public speakers. He thanked Vice Chair Stewart for the summary of Ordinance No. 427. He agreed the ordinance should be revisited and edited. He stated the City worked with Caltrans over the last six months to modify the Trancas Canyon Road crosswalk to be safer. He stated red lines should be painted in front of fire hydrants to delineate them and the hydrants should be cleared of brush. He discussed trailers parked in Malibu Park. He commended Assistant Fire Chief Drew Smith for his work on a new video put out by the Los Angeles County Fire Department regarding 69Bravo. He agreed with Commissioner Spiegel about safety concerns at El Matador Beach. He said the primary problems were speeding and illegal parking. He agreed that additional deputies were needed, especially at night. He discussed problems in the Civic Center area and the previous use of a bike patrol. He stated there were no speed limit signs on Cross Creek Road.

ITEM 2  CONSENT CALENDAR

MOTION  Commissioner Gibbs moved and Vice Chair Stewart seconded a motion to approve the Consent Calendar. The question was called and the motion carried 4-0, Commissioner Anneet absent.

The Consent Calendar consisted of the following items:

A.  Previously Discussed Items
   1.  Approval of Minutes – March 3, 2021
       Staff recommendation: Approve minutes of the Public Safety Commission Regular meeting of March 3, 2021.

B.  New Items
   1.  Approval of Minutes – April 7, 2021
       Staff recommendation: Approve minutes of the Public Safety Commission Regular meeting of April 7, 2021.

ITEM 3  OLD BUSINESS

None.

ITEM 4  NEW BUSINESS

A.  Los Angeles County Sheriff’s Department Contract
Recommended Action: 1) Receive a report on the Los Angeles County Sheriff’s Department contract; and 2) Provide a recommendation to the City Council for any changes in service level, if appropriate.

Public Safety Manager Dueñas presented the report. She displayed a summary page of what was included in the contract. She explained the one-half motor position was to cover the regular motor deputies’ overtime. She displayed a chart breaking down the current patrol coverage. She stated the pilot program was 40-hour car working # days. She stated the Administration and Finance Subcommittee (A&F) requested the Commission make a recommendation of two cars. She stated Councilmember Uhring suggested including the crime suppression car and a new car from 11:00 p.m. to 7:00 a.m. She discussed the cost differences between five-day and seven-day vehicles. She stated two seven-day cars would increase the contract by approximately $1.5 million annually plus the one-time cost of $183,000 to purchase the vehicles. She stated the contract would increase from $7.9 million to $9.5 million. She stated Lieutenant Braden also suggested an additional motor deputy, which would increase personnel cost plus the purchase of a motorcycle. She stated A&F requested the Public Safety Commission consider 40-hour cars, which would reduce the cost by approximately $.5 million. She stated the quotation was based on a growth deputy, which was a discounted rate for the first year. She stated the higher full rate would be charged in future years.

Lieutenant Braden stated this topic had not been considered for many years, and the need had increased in the past several years. He stated Malibu’s law enforcement budget was light compared to other cities. He suggested adding the suppression car for 40 hours and an additional new patrol vehicle for 40 hours on the early morning shift, and increase the one-half motor to a full motor deputy.

Public Safety Manager Dueñas stated the two additional cars requested would be special assignment deputy cars under Lieutenant Braden’s direction. Lieutenant Braden stated they would respond to emergent calls but not regular service calls. He discussed the expected impact of short-term rental enforcement. Public Safety Manager Dueñas stated the coverage could be revisited at mid-year.

In response to Commissioner Gibbs, Lieutenant Braden recommended keeping the suppression car on the evening (PM) shift, adding the second car on the early shift, and upgrading to a full motor. He stated any reductions should be in the number of hours.

Chair Frost discussed the one-time cost to purchase vehicles. In response to Chair Frost, Lieutenant Braden stated the motor would work the morning shift during rush hour. Chair Frost suggested varying the times for the new motor. In response to Chair Frost, Lieutenant Braden stated motors did not usually work night hours but could work until dusk. He discussed motor schedules used by other cities.
Chair Frost asked who would determine what days would be scheduled for a forty-hour schedule. He suggested Sunday coverage was needed.

Ex Officio Member Woodworth asked what the impact would be on incident statistics if a car was added in the early morning. Lieutenant Braden stated statistic impacts would be hard to determine. He stated visibility had its own impact. He discussed impacts of the crime suppression car. In response to Ex Officio Member Woodworth, Lieutenant Braden discussed the differences based on time of day.

Chair Frost discussed excessive speeding and crimes occurring in early morning hours. He agreed with Lieutenant Braden that additional coverage would provide residents with peace of mind.

Public Safety Manager Dueñas stated the contract cost would increase about five percent each year. She discussed the addition of $3 million per year to the contract when the new Sheriff substation opens.

Commissioner Spiegel asked if additional two-person car in the early morning could be used as a crime suppression vehicle. Lieutenant Braden stated it would be a similar assignment.

In response to Ex Officio Member Woodworth, Public Safety Manager Dueñas stated the City will have a balanced budget regardless of the recommendation. She discussed concerns about rising annual costs. She stated future financial obligations had to be considered.

Vice Chair Stewart agreed with Lieutenant Braden that this discussion had been put off far too long. He stated the information provided was extremely helpful. He stated nearly one-third of the City’s budget went to the Sheriff’s contract. He stated public safety was the primary priority. He asked why motors were not deployed in the afternoons. Lieutenant Braden stated morning hours had more incidents with a greater impact on the City. He stated afternoon commutes were more staggered.

**MOTION** Vice Chair Stewart moved and Commissioner Spiegel seconded a motion to provide a recommendation to the City Council to: 1) approve the Los Angeles County Sheriff’s Department Contract; 2) retain the two-person Crime Suppression vehicle for the PM shift, 40-hours per week, four days a week; 3) add a second two-person crime suppression vehicle, 40-hours per week in the early morning shift, four days per week; and 4) increase the current one-half motor to a full motorcycle deputy for weekday hours. The question was called and the motion carried 4-0, Commissioner Anneet absent.

Lieutenant Braden commended the Commission for an excellent recommendation.
B. **2021 Summer Enforcement Team Proposal**

Recommended Action: 1) Review the Sheriff’s Department proposal for the 2021 Summer Enforcement Team deployment; and 2) Provide a recommendation to the City Council to approve the proposal as part of the Sheriff’s Budget for Fiscal Year 2021-2022.

Public Safety Manager Dueñas presented the report. She stated A&F discussed the cost increase for the Beach Team. She stated Beach Team costs were originally covered by the County by sending a percentage of parking fees to the City. She stated that no longer covered the full cost.

In response to Vice Chair Stewart Lieutenant Braden discussed additional patrols provided with funding from Supervisor Kuehl’s office. He suggested raising fines that had not been raised in years.

Public Safety Manager Dueñas clarified the funds sent from the County were a percentage of the beach parking fees. She stated the COVID-19 pandemic and the recent loosening of restrictions led to the decision during a meeting with partner agencies to start Beach Team coverage on May 1. Lieutenant Braden stated he agreed with the decision based on large crowds at local beaches last weekend. He discussed the varied backgrounds of Beach Team personnel. He stated deployment was the same as in previous years. He stated deployment on holiday weekends was approximately triple that of other weekends. He stated beach area residents appreciated the extra coverage. He suggested the City request a portion of parking citation fines.

Chair Frost complimented Beach Team member Scott Gold for providing a lot of confidence. Lieutenant Braden agreed that he was doing a stellar job.

Ryan Embree stated he addressed the A&F Subcommittee earlier today. He stated the Commission does not report back to a subcommittee. He stated accolades were for last year’s Beach Team, and the Commission should focus on the upcoming season. He discussed the history of the Beach Team. He stated parking tax increases had to be on a ballot. He discussed Beach Team activities during foggy weather.

Chair Frost stated no Councilmember influenced his decision.

Vice Chair Stewart stated Councilmembers did not influence his decisions.

**MOTION** Commissioner Gibbs moved and Chair Frost seconded a motion to recommend that the City Council approve the 2021 Summer Enforcement Team deployment proposal as part of the Sheriff’s Budget for Fiscal Year 2021-2022. The question was called, and the motion carried 4-0, Commissioner Anneet absent.
C. Public Safety Agency Activity

Recommended Action: Discuss recent Public Safety Agency activities and receive and file monthly activity reports from the County of Los Angeles Sheriff’s Department, Fire Department and Lifeguards.

Ryan Embree requested details about a recent traffic collision where a transient was killed. He stated a concern was raised in social media about the need for streetlights. He thanked Lieutenant Braden for the crime suppression detailed reports. He suggested the City track calls for service that were transient-related. In response to Mr. Embree, Lieutenant Braden provided details of the fatal collision.

Lieutenant Braden stated statistics over the next several months may appear skewed in comparison to last year’s statistics during the pandemic. He stated additional vehicles would improve the statistics. He suggested modifying the oversized vehicle ordinance to be more like the Redondo Beach ordinance. He stated signs were not required for enforcement. He stated the oversized vehicle ordinance could be very impactful for the City.

In response to Vice Chair Stewart, Lieutenant Braden stated the Automated License Plate Reader (ALPR) car activity report could be included in future monthly Sheriff reports.

Commissioner Gibbs stated Vice Chair Stewart’s explanation of the oversized vehicle ordinance addressed some of his concerns. He agreed with Lieutenant Braden that the oversized vehicle ordinance was very impactful. Lieutenant Braden discussed changes on Corral Canyon Road that was previously filled with motorhomes.

In response to Chair Frost, Lieutenant Braden stated the ALPR car was assigned only to Malibu and was deployed both day and night. He stated the visibility of fixed ALPR would be a deterrent.

Commissioner Spiegel requested an update on the homeless individual arrested on Zuma Beach. He stated someone informed him he had called the Lost Hills Station two days earlier about the same individual. Lieutenant Braden stated that person called the station several times a week and provided insufficient information. He discussed the details provided by the subsequent reporting individual that led to the arrest. He described the Sheriff’s Department’s investigation process.

Commissioner Spiegel stated communication needed to improve either from Sheriff’s Department or the City. He stated Lexis Nexis might help provide information the City could communicate to neighborhoods. He discussed a growing number of break-ins in Malibu West. Lieutenant Braden stated he was meeting with residents of Malibu West tomorrow evening. Public Safety Manager Dueñas stated
the Lexis Nexis map will be useful to neighborhoods. She stated crime analysis would be a full-time job. Commissioner Spiegel stated he hoped to see improved communication.

Commissioner Spiegel stated the State was going to grant 76,000 inmates early release. He stated a significant percentage would end up on the street. Lieutenant Braden agreed it could have a significant negative impact on any community. He discussed the connection between non-criminalization of low-level crimes and the increase in crime rates. He suggested Commissioners write to State legislators in opposition to a plan to close down the California Youth Authority starting in June 2021. He stated it would be kicked back to Counties.

Chair Frost thanked staff in attendance.

ADJOURNMENT

MOTION At 7:31 p.m., Commissioner Spiegel moved and Commissioner Gibbs seconded a motion to adjourn the meeting. The question was called and the motion carried 4-0, Commissioner Anneet absent.

Approved and adopted by the Public Safety Commission of the City of Malibu on ___, 2021.

CHRIS FROST, Chair

ATTEST:

_________________________
MARY LINDEN, Executive Assistant
RECOMMENDED ACTION: 1) Receive a report on the City’s Nuisance Abatement Code (Malibu Municipal Code (MMC) Chapter 8.28); 2) discuss possible amendments to the Code; and 3) provide a recommendation to the City Council on any amendment(s) to MMC Chapter 8.28, if appropriate.

DISCUSSION: On April 7, 2021, the Public Safety Commission received a report on MMC Chapter 8.28, of Title 8 Health and Safety (Attachment 1). This Code outlines regulatory, administrative and penalty provisions related to nuisances on property. In reviewing the City’s current code and codes in similar cities, staff determined that there are two key sections of the City’s code that could be strengthened to enable the City to more quickly and effectively address a nuisance that poses an immediate safety threat to adjacent properties. The two sections that could be strengthened include: 1) the definition of a nuisance, and 2) summary abatement.

Staff provided multiple examples from other cities and options for amendments to the Code. The Commission continued the item to a future meeting, asking staff to reach out to other cities to find out what was working well in those cities. Staff has since reached out to the cities of Calabasas, Westlake Village and Laguna Niguel.

Definition of a nuisance
The City’s code currently defines a nuisance in MMC Section 8.28.010 as:

“any activity, building, condition, development, installation, land, occupancy, structure or use that violates the municipal code or the City’s Local Coastal Program
Local Implementation Plan (or any condition of any permit or license approved pursuant thereto), as well as anything which is injurious to health or safety, or that is indecent or offensive to the senses, or an obstruction to the free use of property or injurious to the stability of real property so as to interfere with the comfortable enjoyment of life or property, or unlawfully obstructs the free passage or use, in the customary manner, of any street and affects at the same time an entire community or neighborhood, or any considerable number of persons, although the extent of the annoyance or damage inflicted upon individuals may be unequal.”

Staff recommends that the definition be amended to include language that also identifies a nuisance as something that impacts adjacent properties and the welfare of the general population, such as the following:

Nuisance conditions are offensive or annoying to the senses, detrimental to property values and community appearance, an obstruction or interference with the comfortable enjoyment of adjacent properties or premises (both public and private) and/or are hazardous or injurious to the health, safety, or welfare of the general public. (City of Laguna Niguel Municipal Code, Division 14, Sec. 11-14-1)

Summary Abatement
The City of Malibu’s nuisance code currently allows for a summary abatement, or an immediate abatement, of a nuisance by the City as follows:

Notwithstanding any provisions of this chapter, the city council may cause a nuisance to be summarily abated if the city manager determines that the nuisance creates an emergency condition involving an immediate threat to the physical safety of the population. Prior to abating the nuisance, the city manager shall attempt to notify the owner or possessor of the property, place, or area involved of the nuisance and request him or her to immediately abate the nuisance. If, in the sole discretion of the city council the owner or possessor of the property, place or area containing the nuisance which creates an emergency condition fails to take immediate and meaningful steps to abate the nuisance, the city may abate the nuisance and charge the cost of abating such nuisance to the owner or possessor of the property, place or area involved.

Staff recommends that the section on Summary Abatement be amended to allow the city manager or designee to implement a summary abatement as follows:

If, in the sole discretion of the city manager the owner or possessor of the property, place or area containing the nuisance which creates an emergency condition fails to take immediate and meaningful steps to abate the nuisance, the city may abate the nuisance and charge the cost of abating such nuisance to the owner or possessor of the property, place or area involved.
This would enable staff to more quickly address issues that pose an immediate public safety threat.

Amending the definition of a nuisance to include threats to the general public, as well as strengthening the summary abatement procedures, will enable staff to more effectively address issues on private property that pose an immediate threat to public safety.

**ATTACHMENTS:** City of Malibu Nuisance Abatement Code (MMC 8.28)
8.28.010 Nuisance defined.

For the purposes of this chapter, a nuisance shall be defined as any activity, building, condition, development, installation, land, occupancy, structure or use that violates the municipal code or the City’s Local Coastal Program Local Implementation Plan (or any condition of any permit or license approved pursuant thereto), as well as anything which is injurious to health or safety, or that is indecent or offensive to the senses, or an obstruction to the free use of property or injurious to the stability of real property so as to interfere with the comfortable enjoyment of life or property, or unlawfully obstructs the free passage or use, in the customary manner, of any street and affects at the same time an entire community or neighborhood, or any considerable number of persons, although the extent of the annoyance or damage inflicted upon individuals may be unequal.

Notwithstanding any provisions of this chapter, the city council may define by ordinance any particular condition constituting a nuisance. (Ord. 453 § 4, 2019; prior code § 4300)

8.28.020 Duty of owner or possessor of property.

Every person who shall own or be in possession of any property, place or area within the boundaries of the city shall, at his or her own expense, maintain the property, place or area free from any nuisance. (Prior code § 4301)

8.28.030 Notice to abate nuisance.

Whenever the city council determines that a nuisance exists upon any property, place or area within the boundaries of the city, the city manager may notify in writing the owner or person in possession of the property, place or area to abate the nuisance within fifteen (15) days from the date of the notice. The notice shall be given by registered or certified mail addressed to the owner or person in possession of the property, place or area at his or her last known address. (Prior code § 4302)

8.28.040 Contents of notice.

The notice shall state that if the nuisance is not abated or good faith efforts towards abatement not been made to the satisfaction of the city manager within fifteen (15) days from the date thereof, a hearing shall be held before the city council to hear any protest of the owner, possessor or other interested person. The notice shall specify the time, date and place of the hearing, which shall be set for the regular meeting of the council next following the expiration of the fifteen (15) day period. (Prior code § 4303)

8.28.050 Hearing and decision.

If the nuisance is not abated or good faith efforts towards abatement have not been made within the time set forth in Section 8.28.030, the city council shall conduct a hearing at the time and place fixed in the notice at which evidence may be submitted by interested persons. Upon consideration of the evidence, the council may declare the condition to constitute a public nuisance and order the abatement thereof. The
decision of the city council shall be final. The city clerk shall notify all owners and possessors of the subject property, place or area of the decision of the council. (Prior code § 4304)

8.28.060 Abatement by city—Notice of charge.

Upon failure, neglect or refusal by a person notified pursuant to Section 8.28.050, to abate a nuisance within thirty (30) days after the date of notice, the city council is authorized to cause the abatement of the nuisance and pay for the abatement. A warrant shall be obtained prior to abating the nuisance where required by law. The city council shall notify, in writing, the owner or possessor of the property, place or area upon which a nuisance has been abated by the city, of the cost of said abatement. Such notice shall be given in the same manner as required by Section 8.28.030. The notice shall also offer the property owner the opportunity to appear before the council to protest the cost amount. (Prior code § 4305)

8.28.070 Lien.

If the total cost of the abatement of the nuisance by the city is not paid to the city in full within ten (10) days after the date of the notice of the cost of the abatement, or within ten (10) days after the council has heard a protest from the property owner, if any, and has confirmed the final cost, the city clerk shall record, in the office of the county recorder, a statement of the total balance due to the city, a legal description of the property, place or area involved, and the name of the owner or possessor concerned. From the date of such recording, the balance due will constitute a lien on the property. The lien will continue in full force and effect until the entire amount due, together with interest at the maximum legal rate accruing from the date of the completion of the abatement, is paid in full. (Prior code § 4306)

8.28.080 Charges to be billed on tax bill.

The city may also, in accordance with the provisions of the laws of the state of California, cause the amount due to the city by reason of its abating a nuisance together with interest at the maximum legal rate, accruing from the date of the completion of the abatement, to be charged to the owners of the property, place or area on the next regular tax bill. All laws of the state of California applicable to the levy, collection and enforcement of city taxes and county taxes are made applicable to the collection of these charges. (Prior code § 4307)

8.28.090 Court action.

The city council may bring appropriate actions, in a court of competent jurisdiction, to collect any amounts due by reason of the abatement of a nuisance by the city and to foreclose any existing liens for such amounts. Notwithstanding the provisions of this chapter, the city may bring the appropriate civil and criminal actions in a court of competent jurisdiction for abatement of any nuisance existing within the city pursuant to any other provision of law. (Prior code § 4308)

8.28.100 Summary abatement.
Notwithstanding any provisions of this chapter, the city council may cause a nuisance to be summarily abated if the city manager determines that the nuisance creates an emergency condition involving an immediate threat to the physical safety of the population. Prior to abating the nuisance, the city manager shall attempt to notify the owner or possessor of the property, place, or area involved of the nuisance and request him or her to immediately abate the nuisance. If, in the sole discretion of the city council the owner or possessor of the property, place or area containing the nuisance which creates an emergency condition fails to take immediate and meaningful steps to abate the nuisance, the city may abate the nuisance and charge the cost of abating such nuisance to the owner or possessor of the property, place or area involved. The city shall notify in writing the owner or possessor of the property, place or area upon which a nuisance has been abated by the city, of the cost of said abatement. Such notification shall be given in the same manner as required by Section 8.28.030. The provisions of Sections 8.28.070 through 8.28.090 shall be applicable. (Prior code § 4309)

8.28.110 Attorney fees.

A. The prevailing party of any action, administrative proceeding, or special proceeding to abate a nuisance or to cause the abatement of a nuisance shall be entitled to recover attorney fees. Attorney fees shall not be recoverable unless the city elects in writing, at the initiation of that individual action or proceeding, to seek recovery of its own attorney fees. In no action, administrative proceeding, or special proceeding shall an award of attorney fees to a prevailing party exceed the amount of reasonable attorney fees incurred by the city in the action or proceeding.

B. Unpaid attorney fees shall be collectible in any manner allowed by law. (Ord. 387 § 1, 2015)
RECOMMENDED ACTION: 1) Receive presentation from Caltrans regarding a proposed safety improvement project on Pacific Coast Highway (PCH) at the intersections of Las Flores Canyon Road and Rambla Pacifico Street; and 2) Provide feedback to Caltrans representatives.

DISCUSSION: Caltrans representatives will provide an update to the Commission regarding proposed safety improvements at the intersections of PCH and Las Flores Canyon Road and Rambla Pacifico Street.

In general, the proposed improvements include the following:

- Install protected left turn from southbound PCH to Las Flores Canyon Road
- Modify both intersections, including adding mast arm flashing beacons
- Remove northbound PCH left turn lane to Gas Station.
- Extend the left turn lane for southbound PCH to Las Flores Canyon Road
  o Existing left turn to Las Flores Canyon Road storage capacity is about two cars – proposed improvement includes addition of approximately three to five car lengths, for a maximum of seven cars

This proposed project is programmed to be funded under a safety related improvement project. It is anticipated the proposed safety improvements will help reduce or prevent accidents by changing the status from a restrictive permissive to solely restrictive signal for southbound left turn pockets, in addition to extending the turn pocket.
Caltrans will also discuss a long-term project where additional funding will need to be allocated to include bridge widening, additional right-of-way purchase, and bridge rail replacement to implement a larger scale improvement project at this intersection.

The Commission may provide feedback on traffic or safety impacts related to the project. Caltrans representatives will be available to answer questions.

Domestic Violence Misdemeanor | 5 | 15 | 10 | 5
II. NOTEWORTHY INCIDENTS

A Los Angeles resident was arrested for assault in the 25600 block of Pacific Coast Highway. The subject assaulted the victim (transient) for putting out a campfire at the location by punching and hitting the victim with a piece of plywood. (21-02212)

Two residents (an adult and a juvenile) were arrested for assault in the 20700 block of Pacific Coast Highway. They assaulted the victim (son and father of the subjects) for unknown reasons. (21-02305)

Three subjects, residents of Topanga, were arrested for theft and identity theft in the 26900 block of Sea Vista Drive. A call for service was received which stated two females in a black Lexus were seen going through a mailbox in the area. Deputies responded to the area and located the vehicle. During the investigation, property taken from the location was found inside the vehicle. The subjects (two females and one male) in a black 2017 Lexus ES350 were arrested and also charged with possession of burglary tools. These subjects were also responsible for committing two additional mail thefts in March 2021. These incidents occurred in the 7000 block of Birdview Avenue and the 28100 block of Rey De Copas Lane. (21-01423, 01444, 02015)

A resident of Los Angeles was arrested for theft of a vehicle in the 30700 block of Pacific Coast Highway. The vehicle was stolen from the 18900 block of Pacific Coast Highway. The victim had left the vehicle’s keys inside the vehicle. (21-02033)

Seven incidents (one garage burglary, one theft, one theft from an unlocked vehicle and four vehicle burglaries) were reported in the 23600 to the 25400 blocks of Malibu Road during the month of April. In one incident, video surveillance showed a male, wearing a dark colored hoodie, black backpack, camouflage pants, gray shoes and riding a bicycle in the area. The investigations are on-going. INTERVENTIONS
Conducted House Checks re: SARB hearing.

COMMUNITY / CRIMINAL ISSUES

1. We conducted a monthly parental resource class at Lost Hills Sheriff’s Station. This program was developed by our unit and is designed to educate parents about: 1) The current trends in juvenile behavior and delinquency, 2) Alcohol/narcotic awareness and recognition, 3) School policy and campus issues, 4) Gang awareness and negative peer relations, 5) Parental rights and responsibilities and, 6) Parental responses to incorrigible and/or delinquent behavior. We also address the specific concerns relating to the minor’s behavior. We educate the minor and their parents of possible criminal behavior and the legal consequences. We offer suggestions and make recommendations to improve the minor’s quality of life.

2. Spoke with numerous citizens and parents who called to question various juvenile concerns and issues in the community. We also provide the parents with various juvenile resource programs within our community.

3. We met with the Sylmar Juvenile Court District Attorney regarding the investigation and filing of criminal charges against juvenile offenders.

4. Met with Captain Salvador Becerra throughout the month in order to keep him up to date regarding our unit’s investigations and current juvenile issues within our city.

5. Entered juveniles into the Juvenile Automated Index system for various violations.

6. Made court appearances to testify as witnesses on the part of the People of the State of California and attended court proceedings in cases generated from the City of Malibu. We also investigated, prepared, and filed cases with the District Attorney’s office. We additionally assisted other investigators in the preparation of cases for court.

7. We met with station narcotic detectives on a regular basis to exchange information regarding juvenile and drug related issues. We have worked with the narcotic detectives on several narcotic cases directly and indirectly involving juveniles.

8. Handled the processing and follow-up of various juvenile referrals brought to the attention of this unit (i.e., Juvenile Information Forms, Field Interview Cards, Juvenile Automated Index, and citations for various juvenile contacts with uniform personnel).

9. Conducted our normal checks of juvenile problem areas in the city during weekend evenings and responded
to juvenile related calls for service.

10. Updated the Gang Book and briefed the captain on criminal activity trends.

11. Registered 6 sexual predators and updated information in database.

12. eSCARS system updated.

13. Month End Reports completed.

14. Assisted Records Sealing Unit with several cases.

15. Uniform store re: station needs, tactical vests.

16. Assisted DB re: 290 inspection

18. Assisted Station re: shooting qualifications.

19. Tiered Sex offender training.

21. Logistics re: Active shooter training weapons.

22. Assisted Malibu re: paddle out, Beach Team, transport quads to CP, volunteer help for Lifeguard/Sheriff Helipad remodel.

ATTN: LASD/LHS Lieutenant Braden, City of Malibu RE: Malibu Crime Suppression Team
Dates: 04/18/2021- 04/24/2021

Community Contacts / Activity:

· Contacted individual just east of the call box near Corral Beach. Determined the male juvenile ran away from home (Manhattan Beach) due to a verbal argument. Contacted his parents, who reported him as missing with Manhattan Beach Police Department. Transported the teenager to Lost Hills Station pending pick up from his parents. Provided dinner on the way to the station due to his 32 mile bike ride, length of time away from his residence, and lack of food/water.

· Conduct patrol check of Point Dume Preserve.

· Conducted multiple traffic stops for various California Vehicle Code Violations. Warned and advised drivers.

· Contacted numerous local transients to check on welfare (food, water, and possible shelter).

· Contacted transient Heathercliff/PCH to assist with resources. Local transient refused services.

· Conducted foot patrol check of homeless encampment on the North side of PCH near 19146 PCH.

· Located an abandoned vehicle parked in front of 20401 PCH. Issued a red tag. Later towed vehicle and had it stored at Sierra Towing.

· Contact VOP Russo to discuss meeting up to assist with their night time operations.
Assists / Calls for Service:

- Assist Malibu Units with a call regarding two transients in front of the Malibu Library holding signs with profanity and vulgar language.
- Assist Malibu Units with a call regarding domestic violence.
- Assist Malibu Units regarding a business disturbance/trespassing call at ARCO gas station on Topanga/PCH.
- Assist Malibu Units regarding a petty theft call at Chevron Gas Station.

Arrests / Citations:

- Arrested local transient at Legacy Park for three outstanding misdemeanor warrants out of Rancho Cucamonga amounting to $310,000.
- Conducted a traffic stop regarding a warrant assigned to the license plate. Issued a citation for an outstanding misdemeanor warrant for driving on a suspended license.
- Conducted a traffic stop for expired registration (over a year). Detained the driver due to no form of identification. Driver returned with an outstanding misdemeanor warrant for a stolen vehicle (10851 CVC). Received a photograph of the driver’s passport confirming his identity. Driver was cited and release for the outstanding warrant.
