Parks and Recreation Commission
Regular Meeting Agenda

Tuesday, March 17, 2026
6:30 P.M.
Malibu City Hall, Multipurpose Room

Call to Order

Roll Call

Pledge of Allegiance

Approval of Agenda

Report on Posting of Agenda – March 11, 2026

1. Ceremonial/Presentations

A. Election of Chair and Vice Chair

2. Written and Oral Communications from the Public and Commissioners

A. Communications from the public concerning matters which are not on the agenda but for which the Commission has subject matter jurisdiction. The Commission may not act on these matters at this meeting.

3. Consent Calendar

A. Previously Discussed Items

None.

B. New Items

1. Approval of Minutes

Recommended Action: Approve the minutes for the December 9, 2025 Parks and Recreation Commission Special meeting.

Staff Contact: Administrative Assistant Saleaumua, 456-2489 ext. 349

2. Community Services Department Monthly Report

Recommended Action: Receive and file a report of activities, events, projects, and programs coordinated by the Community Services Department in February 2026.

Staff Contact: Community Services Director Riesgo, 456-2489 ext. 350

4. Old Business

None.

5. New Business

A. Earth Friendly Management Policy Quarterly Update

Recommended Action: Receive and file a report on the Earth Friendly Management Policy activities from July 2025 through December 2025.

Staff Contact: Community Services Recreation Manager Orosz, 456-2489 ext. 337

B. Las Flores Creek Park Playground Replacement Project

Recommended Action: Review and provide feedback on the Las Flores Creek Park playground design.

Staff Contact: Community Services Deputy Director Manisco, 456-2489 ext. 363

6. Staff Updates

7. Commissioner Reports, Comments and Inquiries

Guide to the City Commission Proceedings

Written Communication: *Members of the public are encouraged to submit email written communication to bsaleaumua@malibucity.org before the meeting begins.*

The Oral Communication *portion of the agenda is for members of the public to present items which are not listed on the agenda, but are under the subject matter jurisdiction of the Commission. Although no action may be taken, the Commission and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to (3) three minutes. Time may be surrendered by deferring (1) one minute to another speaker, not to exceed a total of (8) eight minutes. The speaker wishing to defer time must be present when the item is heard. In order to be recognized and present an item, each speaker must complete and submit to the Recording Secretary a Request to Speak form prior to the beginning of the item*

being announced by the Chair (forms are available at the entrance to the meeting room). Speakers are taken in the order slips are submitted.

***Items in Consent Calendar** have already been considered by the Commission at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.*

***Old Business** items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.*

***Items in New Business** are items which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.*

***Members of the Audience:** Members of the audience shall not engage in disorderly or boisterous conduct, including clapping, whistling, stamping of feet, or other acts which disturb, disrupt, impede or otherwise disturb the orderly conduct of the City Council meeting. Persons addressing the Commission shall not engage in disorderly conduct which disrupts, or otherwise impede the orderly conduct or Commission meetings. Any person who so disrupts a Commission meeting may, at the discretion of the presiding officer or a majority of the Commission, be subjected to ejection from that meeting.*

Copies of the staff reports or other written documentation relating to each item of business described above are on file in the Community Services Department, Malibu City Hall, 23825 Stuart Ranch Road, Malibu, California and are available for public inspection during regular office hours which are 7:30 a.m. to 5:30 p.m., Monday through Thursday, and 7:30 a.m. to 4:30 p.m., Friday. Written materials distributed to the Commission within 72 hours of the Commission meeting are available for public inspection immediately upon distribution (Government Code Section 54957.5(b)(2). Copies of staff reports and written materials may be purchased for $0.10 per page. Pursuant to State law, this agenda was posted at least 72 hours prior to the meeting.

The City Hall phone number is (310) 456-2489. To contact City Hall using a telecommunication device for the deaf (TDD), please call (800) 735-2929 and a California Relay Service operator will assist you. In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact Yolanda Bundy, Environmental Sustainability Director, at (310) 456-2489, ext. 229. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. [28 CFR 35.102-35.104 ADD Title II].

Requests to show an audio or video presentation during a Commission meeting should be directed to the Recording Secretary at bsaleaumua@malibucity.org. Material must be submitted by 12:00 p.m. on the meeting day.

I hereby certify under penalty of perjury, under the laws of the State of California, that the foregoing agenda was posted in accordance with the applicable legal requirements. Dated this 11th day of March 2026, at 2:30 p.m.

Brittany Saleaumua, Administrative Assistant

Parks and Recreation Commission Agenda Report

Parks and Recreation
Regular Meeting
03-17-26
Item 3.B.1.

To: Chair Villablanca and Members of the Parks and Recreation Commission

Prepared by: Brittany Saleaumua, Administrative Assistant

Approved by: Kristin Riesgo, Community Services Director

Date prepared: March 9, 2026 Meeting date: March 17, 2026

Subject: Approval of Minutes

RECOMMENDED ACTION: Approve the minutes for the December 9, 2025, Parks and Recreation Commission Special meeting.

DISCUSSION: Staff has prepared draft minutes for the December 9, 2025 Parks and Recreation Commission Special meeting.

ATTACHMENTS: December 9, 2025 Special meeting minutes

MINUTES
PARKS AND RECREATION COMMISSION
SPECIAL MEETING
DECEMBER 9, 2025
MALIBU BLUFFS PARK
3:30 PM.

MEETING CALL TO ORDER

Chair Villablanca called the meeting to order at 3:35 p.m.

ROLL CALL

The following persons were recorded in attendance by the Recording Secretary:

PRESENT: Chair Judy Villablanca; Vice Chair Jake Lingo; Commissioners Alicia Peak (arrived at 3:42 p.m.), Georgia Goldfarb (arrived at 3:45 p.m.), and Dane Skophammer

ALSO PRESENT: Kristin Riesgo, Community Services Director; Tatiana Holden, Assistant Public Works Director; Nathaniel McLean, Assistant Engineer; Kate Manisco, Recreation Manager; Chris Orosz, Interim Recreation Manager; and Brittany Saleaumua, Administrative Assistant

APPROVAL OF AGENDA

MOTION Vice Chair Lingo moved, and Chair Villablanca seconded a motion to approve the agenda. The question was called, and the motion carried 3-0; Commissioners Goldfarb and Peak absent.

REPORT ON POSTING OF AGENDA

Administrative Assistant Saleaumua reported that the agenda for the meeting was posted on December 4, 2025.

ITEM 1 OLD BUSINESS

A. Malibu Bluffs Park Snack Shack
Recommended Action: Review and approve the Malibu Bluffs Park Snack Shack conceptual design for City Council consideration.

Community Services Director Riesgo presented the staff report.

Vice Chair Lingo stated that he and Commissioner Skophammer worked with staff and the designer Ms. Fujita-Hall to reduce project costs. He stated the estimated cost with the design revisions was under $4 million.

Commissioner Peak arrived at 3:42 p.m.

In response to Chair Villablanca, Community Services Director Riesgo stated funding was not allocated for construction. She stated the approved budget included engineering and design.

In response to Commissioner Peak, Community Services Director Riesgo stated that the irrigation for landscaping was capped outside the Snack Shack area.

Vice Chair Lingo stated that the drains were elevated and would require grading to function properly.

Assistant Engineer McLean stated grading would occur in the area to assist with proper drainage.

Commissioner Goldfarb arrived at 3:45 p.m.

Commissioner Skophammer stated he wanted to keep the area outside the Snack Shack natural and not add concrete.

In response to Chair Villablanca, Community Services Director Riesgo stated that story poles would be installed if required by the Coastal Development Permit.

Chair Villablanca suggested installing a fence or rail along the top of the retaining wall.

In response to Vice Chair Lingo, Ms. Fujita-Hall stated that dry goods could be stored in the kitchen area.

The Commission discussed options for the Malibu Little Leage storage containers.

Ms. Fujita-Hall stated the wall in the Malibu Little Leage storage section could be removed to reduce the costs.

In response to Commissioner Peak, Vice Chair Lingo stated that the Malibu Little League storage was comparable to the current storage situation.

MOTION Chair Villablanca moved, and Vice Chair Lingo seconded a motion to approve the Snack Shack design with the revisions of relocating the electrical room with a smaller footprint and remove the wall within the Malibu Little League storage rooms, and the motion carried unanimously.

Commissioner Peak requested storage space for American Youth Soccer Organization (AYSO) in the new building or near it.

The Commission requested recommendations regarding liability related to the retaining wall behind the Snack Shack.

ITEM 6 NEW BUSINESS

A. Park Maintenance Projects
Recommended Action: Review and provide feedback on the park maintenance improvement and replacement projects.

Community Services Director Riesgo presented the staff report.

In response to Chair Villablanca, Community Services Director Riesgo stated the workout station was destroyed in the Broad Fire, and it was a frequently used amenity.

Commissioner Peak stated she was in favor of replacing and installing a new workout station.

Recreation Manager Manisco stated that the annual maintenance for the old workout station was $5,000.

In response to Commissioner Peak, Community Services Director Riesgo stated staff could research the feasibility of expanding the workout station area; however, the destroyed memorial benches would be replaced adjacent to the area.

The Commission discussed the feasibility of installing a second workout station in a different area of the park.

Community Services Director Riesgo stated the tot lot was the only sand playground at Malibu Bluffs Park. She stated the sand digging play equipment required constant maintenance and the sand was replaced annually.

Recreation Manager Manisco stated the sand had to be a heavier density so it would not be blown away during high wind events.

Chair Villablanca stated more trees could be planted to provide shade.

Community Services Director Riesgo stated playground options for 2 to 5 year olds could be provided to the Commission for review.

In response to Chair Villablanca, Community Services Director Riesgo stated the old wall climber play area was a potential space for new equipment.

In response to Commissioner Goldfarb, Community Services Director Riesgo stated fall zones would be evaluated and were a requirement for any play structure or workout equipment.

Chair Villablanca stated she wanted to review location options for a second workout station.

Commissioner Peak indicated agreement with Chair Villablanca.

Commissioner Goldfarb requested the workout station equipment be rust and fire resistant.

Commissioner Peak requested to design the workout stations jointly.

CONSENSUS

By Consensus, the Commission agreed to replace the workout station destroyed in the Broad Fire, review playground options for the 2 to 5 year old tot lot area, and review options for a second workout station at the old wall climber location.

ADJOURNMENT

Chair Villablanca adjourned the meeting at 5:03 p.m.

Approved and adopted by the Parks and Recreation Commission of the City of Malibu on March 17, 2026.

JUDY VILLABLANCA, Chair

ATTEST:

BRITTANY SALEAUMUA, Administrative Assistant

Parks and Recreation Commission Agenda Report

Parks and Recreation
Regular Meeting
03-17-26
Item 3.B.2.

To: Chair Villablanca and Members of the Parks and Recreation Commission

Prepared by: Brittany Saleaumua, Administrative Assistant

Approved by: Kristin Riesgo, Community Services Director

Date prepared: March 10, 2026 Meeting date: March 17, 2026

Subject: Community Services Department Monthly Report

RECOMMENDED ACTION: Receive and file a report of activities, events, projects, and programs coordinated by the Community Services Department in February 2026.

DISCUSSION: The Community Services Department coordinated the following activities, projects, and programs in February 2026.

RECREATION

Aquatics: On February 13 and 15, a lifeguard in-service training for City lifeguards and Aquatics staff was held at the Malibu Community Pool. Staff focused on executing the Emergency Action Plan (EAP) through hands-on water drills. Staff practiced response procedures, rescue techniques, and emergency scenarios to reinforce effective communication, teamwork, and rapid response during emergencies (Attachment 1).

The Malibu Marlins Swim Club and adult conditioning Winter program ended on February 27. Forty-seven participants registered for the swim team, and eight participants registered for the adult conditioning program.

Community Classes: Winter enrichment classes continued with over sixty participants. Programs included ballet, dog obedience, hip-hop, Music Together, soccer, tennis, and various one-day workshops, including LEGO® robotics and a Reiki sound bath.

On February 19, twelve people participated in a Sound Bath Workshop at Malibu Bluffs Park. Instructed by The Mindry, participants experienced guided meditation and sound healing using crystal bowls and Reiki techniques to promote relaxation, balance, and mindfulness.

On February 28, thirteen youth participated in a LEGO® Robotics workshop at Malibu Bluffs Park. The Playsmart Education instructor showed participants how to design, build, and program robots to engage in friendly peer-to-peer challenges (Attachment 1).

Outdoor Recreation: On February 9, Staff met with Pepperdine University professors and twenty-one Ecology students at Legacy Park. Staff discussed the park's history and provided a guided tour of the chaparral ecosystem and the retention basin.

On February 11, fourteen participants enjoyed a nature walk and Storytime at Legacy Park. Students from Gan Preschool walked to the park to participate in the program. Participants viewed and learned about monarch butterfly caterpillars, wildflowers, and waterfowl (Attachment 1).

A sunset hike at Charmlee Wilderness Park took place on February 20. The hikers saw a beautiful sunset and heard multiple pairs of great horned owls, chorus frogs, and saw bats flying just after sunset (Attachment 1).

Seniors: Weekly Senior recreation programs continued in the Malibu Senior Center and Malibu Bluffs Park, Michael Landon Center. Programs include cardio salsa, chair yoga, choir, coloring, knitting, mat Pilates, soul line dancing, stretch and strength, tai chi, total-body workout, and Zumba.

Locals Lunch took place on February 5 at Malibu Brewing Company, with seventeen seniors in attendance. The seniors had lunch on the patio, socialized, and enjoyed the weather (Attachment 1).

On February 12, an Acknowledging Loss: Grief Support lecture occurred at the Senior Center with thirteen seniors in attendance. The lecture, presented by the Foundation for Senior Services, covered the stages of grief, healthy coping mechanisms, and the importance of strong support systems.

The monthly Senior craft workshop occurred on February 12 with eight participants who used coffee filters, colorful dyes, and pipe cleaners to make flower bouquets. Additionally, six people participated in a Heart Chocolate Box art activity on February 17.

The Mardi Gras Senior Center Luncheon took place on February 19, with sixty-two seniors in attendance. Whole Foods catered the meal, which featured Cajun-style rotisserie chicken, grilled shrimp, bacon cheddar potatoes, and Southern collard greens. Entertainment was provided by Tatjana, who performed her unique "One Woman Show."

Eleven seniors participated in the Senior Excursion to the Getty Center in Los Angeles on February 24. The group met at Malibu Bluffs Park before taking the shuttle to the museum, where they explored the artwork at their leisure. Lunch took place at the Getty Center Café (Attachment 1).

Malibu artist, Helen Campanella, instructed her monthly painting class at the Senior Center on February 28, with ten participants in attendance. All supplies were provided by the instructor, including canvases, paints, palettes, and brushes.

Special Events: Eight children and their caregivers attended Park Tales: Lovebugs on February 12. Attendees enjoyed listening to a story read by the Malibu Library and participating in a Valentine's Day art activity.

Sports: The youth and middle school basketball program ended on February 21 at Malibu High School. The 2025-26 program had seventy participants, ages three through fourteen, who participated in an eight-week program that included both a league and a class format.

Adult Open Gym Basketball continued in the month of February on Wednesday evenings at Malibu High School. The program averages over twenty-five participants per week.

PARK MAINTENANCE

Las Flores Creek Park: Contractors continued restoration and rehabilitation work, including repairs and the installation of new fencing. New landscaping, irrigation, and electrical components will be replaced in the upcoming weeks.

Legacy Park: Staff removed five hundred square feet of oxalis, euphorbia, and mustard throughout the park.

Malibu Bluffs Park: Relocated six trash cans to the Permanent Skate Park. The containers were strategically placed in high-traffic areas to encourage proper waste disposal.

Serviced the irrigation weather station gauge.

Malibu Equestrian Park: Staff added burlap sandbags to the lower end of the arenas to mitigate drainage issues and erosion.

Installed three large boulders at the perimeter of the park near the handicap parking stalls to prevent unauthorized vehicles from accessing the park.

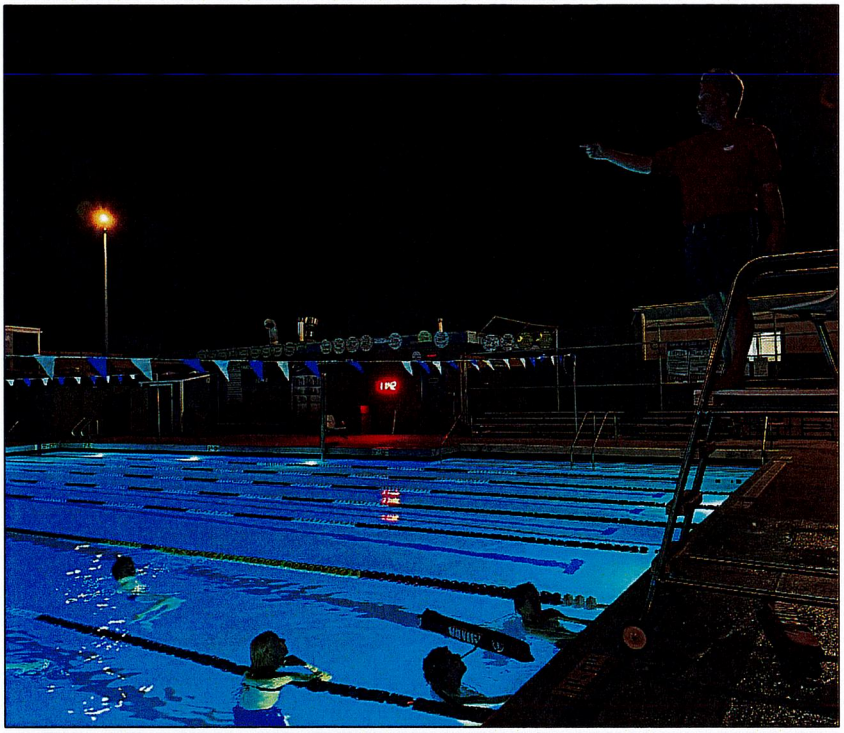

Trancas Canyon Park: Repaired the irrigation backflow device that was damaged by a vehicle. The device had to be fully repaired and reattached to the subsurface mainline.

Upgraded the irrigation controllers, which included retrofitting all wiring and installing new electrical panels.

Parks and Recreation Commission Agenda Report

Parks and Recreation
Regular Meeting
03-17-26
Item 5.A.

To: Chair Villablanca and Members of the Parks and Recreation Commission

Prepared by: Chris Orosz, Recreation Manager

Approved by: Kristin Riesgo, Community Services Director

Date prepared: March 9, 2026 Meeting date: March 17, 2026

Subject: Earth Friendly Management Policy Quarterly Update

RECOMMENDED ACTION: Receive and file a report on the Earth Friendly Management Policy activities from July 2025 through December 2025.

DISCUSSION: On June 24, 2019, the City Council adopted Resolution 19-32, implementing the Earth Friendly Management Policy (EFMP) (malibucity.org/earthfriendly). The EFMP was adopted following the completion of an Initial Study (IS), as required under the California Environmental Quality Act (CEQA). The EFMP replaced the Integrated Pest Management Policy and Organic-Only Pesticides Pilot Program (IPM), which was implemented by Council in 2016. The EFMP applies to all City-owned, managed, or leased properties except those not studied in the IS.

In 2021, the Commission established an EFMP Working Group (Working Group) to oversee the program and develop outreach, education, and partnership strategies. The Working Group meets monthly and currently includes Kian Shulman, Commissioner Georgia Goldfarb, Chair Judy Villablanca, and Dr. Florybeth La Valle.

From July 2025 through December 2025, the Working Group assessed priorities and accomplished the following:

- Partnered with the Malibu Library to host EFMP educational classes
- Organized a pollinator plant giveaway at Legacy Park in partnership with the Los Angeles County Fire Department, Forestry Division
- Oversaw landscape maintenance at City properties to ensure work was completed following the EFMP
- Completed the 2025 Mayors' Monarch Pledge
- Completed three Malibu Monarch Project Lectures lead by experts who spoke on Chapparal Ecology, Santa Monica Mountains Biodiversity and the watersheds of the Santa Monica Mountains with a total attendance of over 110 individuals

- Began seasonal non-native plant removals at Legacy Park

The Working Group established several goals for 2026, including:

- Complete EFMP quarterly reports
- Install Pollinator Garden at Malibu Bluffs Park in Partnership with Santa Monica Mountains Fund
- Complete the 2026 Mayors' Monarch Pledge
- Continue educational campaigns, including updating the app-based platform, Agents of Discovery at Malibu Bluffs Park and Legacy Park
- Collaborate with Pepperdine University Biology Department to complete a scientific analysis of Legacy Park during the fall semester
- Complete an educational poster contest with local school participation

As part of the Commission's responsibilities, staff have prepared the EFMP Quarterly Report for Quarters 1 and 2 (Attachment 1).

ATTACHMENTS: Earth Friendly Management Policy Report for Quarter 1 and 2

Earth Friendly Management Policy Quarterly Report
July 2025 – December 2025

Section	Action Taken
Limited Use Emergency Exemptions	- None
Exclusion and Biological Controls	- Reguarlly filled rodent holes to mitigate issues at Malibu Bluffs Park - Monitored City dumpsters to ensure the locking lid mechanisms were in place and secure at City Hall, Malibu Bluffs Park, Equestrian Park, and Charmlee Wilderness Park - Installed mulch to help trees and landscape retain moisture and suppress weeds (all parks) - Began the seasonal removal of nonnative invasive plants at Legacy Park - Used hand tools and hand-pulling weeding methods at all City parks
Educational	- Partnered with the Malibu Library to host EFMP educational classes - Continued development of EFMP web pages based on feedback from the EFMP Working Group - Updated and implemented new tasks for the Legacy Park and Malibu Bluffs Park Agents of Discovery Program - Organized a native plant giveaway in partnership with the Los Angeles County Fire Department, Forestry Division - Completed the first Environmentally focused Lecture Series in Partnership with the Malibu Monarch Project

Other	- Completed the 2025 National Wildlife Federation Mayor's Monarch Pledge - Applied for the 2026 National Wildlife Federation Mayor's Monarch Pledge

Parks & Recreation Commission Agenda Report

Parks and Recreation
Regular Meeting
03-17-26
Item 5.B.

To: Chair Villablanca and Members of the Parks and Recreation Commission

Prepared by: Kate Manisco, Community Services Deputy Director

Approved by: Kristin Riesgo, Community Services Director

Date prepared: March 9, 2026 Meeting date: March 17, 2026

Subject: Las Flores Creek Park Playground Replacement Project

---

RECOMMENDED ACTION: Review and provide feedback on the Las Flores Creek Park playground design.

DISCUSSION: The Community Services Department has been operating and maintaining Las Flores Creek Park since 2016. The neighborhood park featured picnic tables, restrooms, a playground area, and walking trails set within a landscape of over forty native plant species. Educational signage included details on the local flora, riparian habitat, creek stabilization project, and the area's history. The City also partnered with the Malibu Monarch Project to add a native pollinator garden on Rambla Pacifico Street.

In 2025, the Palisades Fire destroyed nearly all park features. Staff are now focused on replacement and rehabilitation projects to return the park to its original condition. Repairs that are currently underway include new fencing, irrigation replacement, electrical repairs, trail rehabilitation, new landscaping, and tree plantings. Phase 2 of repairs includes new signage and benches, playground replacement, and septic system repairs.

Proposed Playground Equipment

Staff researched options to replace the playground equipment based on the playground's former footprint and aligned with the park's Initial Study (IS). The contractor, Great Western Recreation, conducted a site visit and designed options for two playground areas (Attachment 1).

Similar to the previously installed equipment, the design includes equipment for children ages two to five and equipment for ages six to twelve (Attachment 2). The equipment will have a "coastal paint finish," which will prolong its lifespan and reduce maintenance costs.

The American Society for Testing and Materials (ASTM) mandates playground standards for impact spacing, heights, age groups, and surfaces. Playgrounds designed for ages two to five allow for platform gaps up to 12 inches and often feature low slides, spring riders, gentle climbers, and balance elements that encourage movement and creativity. Playgrounds designed for ages six to twelve permit taller equipment and wider platform gaps (up to 18 inches) and often include overhead climbers, climbing towers, and ropes courses, with bigger features designed to match their strength and coordination.

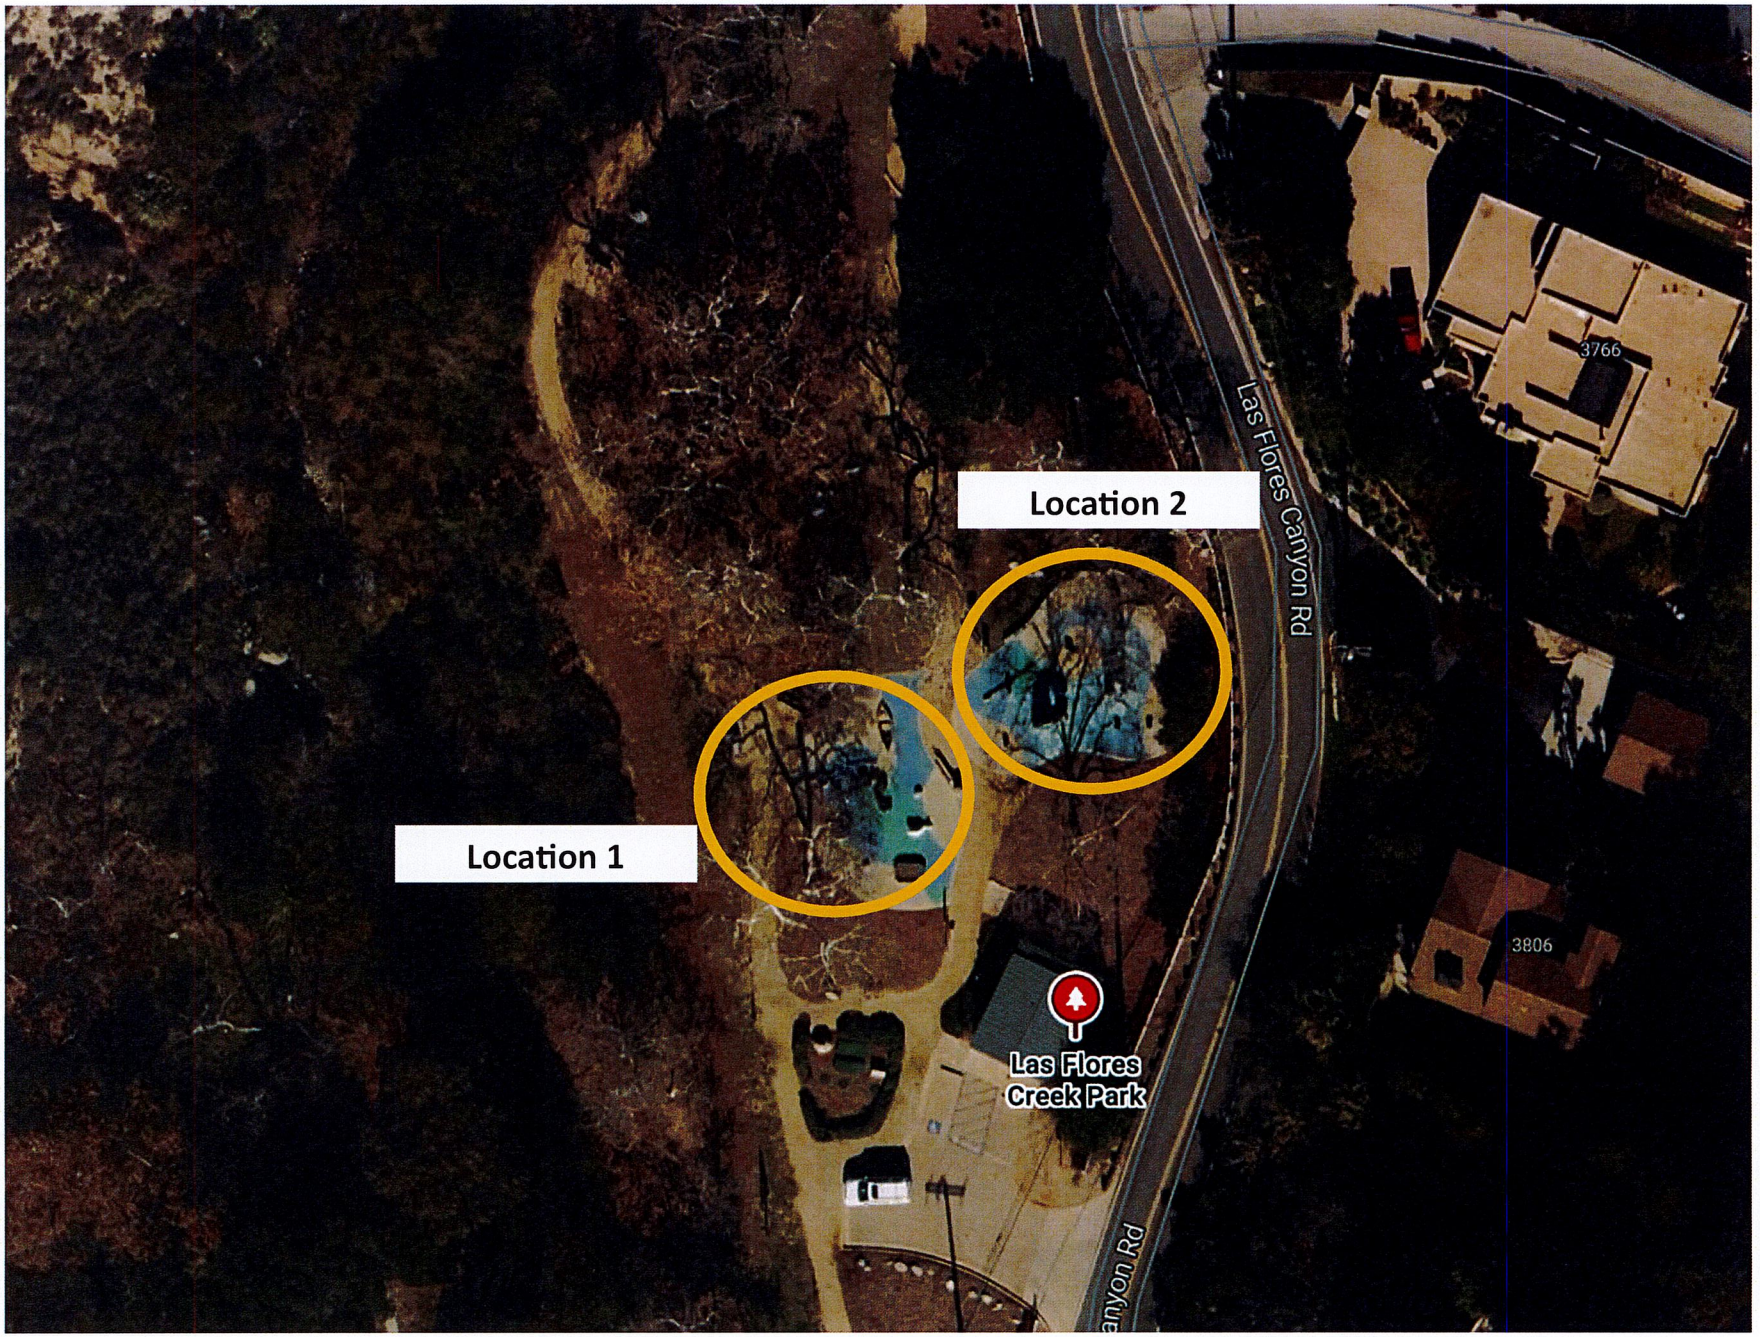

Location 1 (ages six to twelve): Playground equipment includes a dreamcatcher climber, teepee, Native American drum climber, tree stumps, and canyon rocks with nets and a slide with a pour-in-place playground surface.

Location 2 (ages two to five): Playground equipment including a log fort with a net, slide, bear paw print steps, and a log crawl through with bear cubs with a pour-in-place playground surface.

The cost of the equipment ranges from $640,000 to $680,000, depending on the design selected. All costs associated with the new equipment will be submitted to the City's insurance carrier for review and approval. Additional approvals will include assessments and permitting by the Community Development Department.
