

Council Agenda Report

To: Mayor Wagner and the Honorable Members of the City Council

Prepared by: Jesse Bobbett, Community Services Director

Approved by: Reva Feldman, City Manager

Date prepared: August 5, 2019 Meeting date: August 26, 2019

Subject: Boys & Girls Club of Malibu Chili Cook-Off Facility Use Fee Waiver

RECOMMENDED ACTION: Approve the request from the Boys & Girls Club of Malibu to waive half of the facility use fees for the Ioki Property and City Hall Parking Lot for the Annual Chili Cook-Off Event.

FISCAL IMPACT: The City would have received revenue from the use fees associated with the Chili Cook-Off Event. Waiving half of the fees will result in a loss of revenue of \$9,061 for Fiscal Year 2019-2020 in Account Numbers 100-0000-3461-00 (Municipal Facility Use Fees) and 103-0000-3505-00 (City Hall Use Fees).

DISCUSSION: The Boys and Girls Club of Malibu (BGCM) began coordinating the Annual Chili Cook-Off at the Ioki Property in 2018. BGCM uses the event as a fundraiser to support local after-school programs at Malibu schools, including the Teen Center and Wellness Center at Malibu High School.

The 2019 Chili Cook-Off will take place Friday, August 30 through Monday, September 2. Setup for the event will begin on Saturday, August 24, with post-event breakdown September 3 through 6. Additionally, BGCM will utilize the City Hall Parking Lot for overflow parking August 30 through September 2.

The facility use fees for the 2019 Chili Cook-Off breakdown as follows:

Ioki Property	\$10,950
City Hall Parking Lot	\$6,600
Staff Fees (On-site)	\$572
	<hr/>
	\$18,122

BGCM has requested a fee waiver for half the total amount of the facility use fees for the 2019 event, a total of \$9,061. BGCM has been unable to fundraise since the Woolsey Fire due to their focus on fire relief and stabilizing their after-school programs. If approved, the fee waiver would allow BGCM to utilize the funds directly towards after-school programming and facilities.

The Facility Use Fee Schedule approved by the City Council each year allows the City Manager to reduce reservation rates for user groups under unique circumstances; however, the City Council typically reviews larger requests such as this.

Staff recommends that the City Council approve the fee waiver request from BGCM in the amount of \$9,061. All other fees associated with the event, including permit fees and a facility deposit, have been paid by BGCM and are not a part of this request.
