Subject: Amendment to Professional Services Agreement with Rincon Consultants, Inc.

RECOMMENDED ACTION: Authorize the City Manager to execute Amendment No. 4 to the Professional Services Agreement (PSA) with Rincon Consultants, Inc. (Rincon) to allow for a six-month extension of the existing agreement through June 30, 2020, and increase the Compensation for Services by $61,000.

FISCAL IMPACT: Funding for water quality monitoring services in the amount of $200,000 was included in the Adopted Budget for Fiscal Year 2019-2020 in Account No. 515-3010-5656-00 (Civic Center Wastewater Treatment Facility).

WORK PLAN: This item was included as item 18 in the Adopted Work Plan for Fiscal Year 2019-2020.

DISCUSSION: On August 12, 2019, the Council authorized the City Manager to execute Amendment No. 3 to extend the term of the PSA with Rincon to assist with a water quality monitoring program in the Civic Center Area. The current term of the agreement ends on December 30, 2019.

The existing water quality monitoring program was developed to address Los Angeles Regional Water Quality Control Board and the State Water Resources Control Board requirements for Civic Center Wastewater Discharge Prohibition and Civic Center Wastewater Treatment Facility (CCWTF) regulatory compliance. The program includes monitoring for the CCWTF waste discharge/water reclamation permit and associated requirements for the Civic Center Groundwater Basin, and the Memorandum of Understanding with the Regional Board concerning the phasing of the CCWTF.
In order to maintain ongoing compliance with state regulations and allow additional time for staff to advertise and circulate a Request for Proposal (RFP), review proposals, schedule interviews, select a consultant, negotiate contract terms, draft a professional services agreement and make a recommendation to City Council, staff is recommending that the current contract term be extended until June 30, 2020, with the previously allocated funding.
