- Omni Enterprise, Inc.
- Xanadu Service Systems
- Trinity Public Sector Solutions
- Ultimate Maintenance Services Inc.

Based on the evaluation of the proposals submitted and the interviews conducted, staff recommends entering into an agreement with Ultimate Maintenance Services Inc. Under the terms of the agreement, the monthly charge for custodial services at City Hall will be
$4,350, with a not to exceed amount of $67,650 per year. This will enable the City to schedule additional window washing, carpet cleaning and weekend services as needed throughout the year.

The Consultant shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) covered by this indemnity obligation. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

6.6  **Compliance with Applicable Law.** The Consultant and the City shall comply with all applicable laws, ordinances and codes of the federal, state, county and city governments, including, without limitation, Malibu Municipal Code Chapter 5.36 Minimum Wage.

6.7  **Independent Contractor.** This Agreement is by and between the City and the Consultant and is not intended, and shall not be construed, to create the relationship of agency, servant, employee, partnership, joint venture or association, as between the City and the Consultant.

Neither the City nor any of its officers or employees shall have any control over the conduct of the Consultant, or any of the Consultant’s employees, except as herein set forth, and the Consultant expressly warrants not to, at any time or in any manner, represent that it, or any of its agents, servants or employees are in any manner employees of the City, it being distinctly understood that the Consultant is and shall at all times remain to the City a wholly independent contractor and the Consultant's obligations to the City are solely such as are prescribed by this Agreement.

(c) The article and section, captions and headings herein have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction.

6.10 **Counterparts.** This Agreement may be executed in counterparts and as so executed shall constitute an agreement which shall be binding upon all parties hereto.

6.11 **Final Payment Acceptance Constitutes Release.** The acceptance by the Consultant of the final payment made under this Agreement shall operate as and be a release of the City from all claims and liabilities for compensation to the Consultant for anything done, furnished or relating to the Consultant’s work or services. Acceptance of payment shall be any negotiation of the City’s check or the failure to make a written extra compensation claim within ten (10) calendar days of the receipt of that check. However, approval or payment by the City shall not constitute, nor be deemed, a release of the responsibility and liability of the Consultant, its employees, sub-consultants and agents for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by the City for any defect or error in the work prepared by the Consultant, its employees, sub-consultants and agents.

6.12 **Corrections.** In addition to the above indemnification obligations, the Consultant shall correct, at its expense, all errors in the work which may be disclosed during the City’s review of the Consultant’s report or plans. This Agreement constitutes the whole agreement between the City and the Consultant, and neither party has made any representations to the other except as expressly contained herein. Neither party, in executing or performing this Agreement, is relying upon any statement or information not contained in this Agreement. PRESIDENT
1. **Background**

The City is operated out of Malibu City Hall, a 35,000 square foot commercial office building located at 23825 Stuart Ranch Road, Malibu, CA 90265 including offices, two kitchens, patios, theater, community rooms and common areas.

The City is dedicated to preserving the natural environment and, to this end, has implemented policies and initiatives that the consultant must uphold. In particular, the City’s Earth Friendly Management Policy (EFMP) prohibits the use of synthetic fertilizers and chemical pesticides including herbicides, insecticides, and rodenticides on City property. In addition, as part of its ongoing efforts to promote environmental sustainability in the City of Malibu, the City is striving to become zero-waste in its municipal operations (diverting 90% of disposed waste from the landfill), and providing a toxic-free environment. The consultant is expected to assist the City in achieving this goal by helping to minimize cross contamination of recycling and landfill waste, and practicing pollution prevention by using third-party certified green cleaning products.

The City adopted a Minimum Wage Ordinance in 2016. The consultant must comply with the wage rates specified in Malibu Municipal Code Chapter 5.36.
2. **Scope of Services**

The consultant shall provide custodial services for offices, conference rooms, community rooms, common areas, kitchens, breakrooms, restrooms, patios, decks, entrances, and the theater in the Malibu City Hall as well as the exterior entrances and trash area exteriors.

The custodial services include but are not limited to cleaning, washing, emptying trash, and other services necessary to maintain and secure the facility in operational condition. The services shall be implemented in accordance with a mixture of daily, weekly, monthly, quarterly, and seasonal cleaning and maintenance schedules. In addition, the selected consultant shall assist with preventive and miscellaneous maintenance work by promptly reporting any broken, malfunctioning, or vandalized equipment, fixtures, or structures.

Before beginning the work, the consultant must attend a one-hour training/overview of the City’s waste management practices and zero-waste initiatives.

After the first month of service, a City representative(s) will conduct a formal inspection with a representative(s) of the consultant to establish an acceptable level of performance. After acceptance by the City, this level of service quality shall be maintained throughout the contract period. City representatives will conduct bimonthly meetings to review and discuss the status of the work with the consultant on an ongoing basis.

The consultant shall provide all management, tools, equipment, supplies, materials, and labor necessary to ensure that custodial services are performed at Malibu City Hall facility in a manner that will maintain a satisfactory condition and present a clean, neat, and professional appearance. All work shall be performed between 6:00 P.M. and 11:00 P.M., Monday through Friday with occasional weekend work as needed with the exception of New Year’s Day, Thanksgiving, and Christmas.
