Date prepared: June 11, 2020 Meeting date: June 22, 2020

Subject: Authorization to Submit a Local Early Action Planning State Grant Application and Receipt of Funds

RECOMMENDED ACTION: Adopt Resolution No. 20-31 authorizing application, and receipt of, for Local Early Action Planning (LEAP) grant program funds.

FISCAL IMPACT: There is no fiscal impact to the General Fund associated with the recommended action. The California Department of Housing and Community Development (HCD) is offering the opportunity to apply for a non-competitive $65,000 grant to the City of Malibu with no requirement for matching funds.

WORK PLAN: This task is not included in the Adopted Work Plan for Fiscal Year 2019-2020; however, this funding would be used for streamlining housing permit review and issuance, and for preparation of the Accessory Dwelling Unit Ordinance (item 4a in the Adopted Work Plan for Fiscal Year 2019-2020), which are directly related and complementary to the Housing Element Update (item 4h in the Adopted Work Plan for Fiscal Year 2019-2020).

DISCUSSION: Earlier this year HCD issued a Notice of Funding Availability for approximately $119 million under the LEAP Grants Program. The purpose of this non-competitive, over-the-counter grant program is to provide financial support and technical assistance to local governments for the acceleration of housing production as well as the preparation and adoption of planning documents that will accelerate housing production consistent with the Regional Housing Needs Assessment (RHNA).

Maximum grant funding is based on jurisdiction size with a maximum grant amount of $65,000 for small jurisdictions such as Malibu. If approved, the grant funds would be used...
to towards preparation of planning documents, processes and tools (e.g., computer software and hardware) to streamline application review and permit issuance.

Cities must submit a City Council resolution as part of the grant application. Resolution No. 20-31 authorizes staff to submit an application to HCD; enter into, execute, and deliver on behalf of the Applicant, a State of California Agreement (Standard Agreement) for the amount of $65,000, and any and all other documents required or deemed necessary or appropriate to evidence and secure the LEAP grant; and agree to abide by the terms of the grant. This authorization is effective until rescinded by the Signature Authority or by the City Council.

Additional information regarding the LEAP grant program is available at: https://www.hcd.ca.gov/grants-funding/active-funding/leap.shtml#getfunding.

I. Introduction

The California Department of Housing and Community Development (Department) is pleased to announce the release of this Notice of Funding Availability (NOFA) for approximately $119,040,000 as part of the Local Early Action Planning Grants Program (LEAP or Program). LEAP is made available as a portion of the Local Government Planning Support Grants Program pursuant to Chapter 3.1 of Health and Safety Code (Sections 50515.03 (Chapter 159, Statutes of 2019). The Program provides funding to jurisdictions for the preparation and adoption of planning documents, process improvements that accelerate housing production, and facilitate compliance in implementing the sixth cycle of the RHNA.

II. Authority and Scope

This NOFA is authorized pursuant to Chapter 3.1 of Health and Safety Code (Sections 50515 to 50515.05). The NOFA implements, interprets, and makes specific provisions for purposes of implementing planning grants to jurisdictions pursuant to 50515.03 (hereinafter “LEAP”).

This NOFA establishes terms, conditions, forms, procedures and other mechanisms as the Department deems necessary to exercise the powers and perform the duties conferred by Chapter 3.1.

The matters set forth herein are regulatory mandates, and are adopted in accordance with the authorities set forth below:

Quasi-legislative regulations … have the dignity of statutes … [and]… delegation of legislative authority includes the power to elaborate the meaning of key statutory terms…

Further, the Department may implement the Program through the issuance of forms, guidelines, and one or more NOFAs, as the Department deems necessary, to exercise the powers and perform the duties conferred on it by this chapter. Any forms, guidelines, and notices of funding availability adopted pursuant to this section are hereby exempted from the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). (Health and Safety Code Section 50515.04(f)).

The Department reserves the right, at its sole discretion, to suspend or amend the provisions of this NOFA, including, but not limited to, grant award amounts.
III. Program Summary

The Local Early Action Planning Grants Program (LEAP or Program) is part of the broader Program formerly known as the Local Government Planning Support Grants Program, which was established as part of the 2019-20 Budget Act. The 2019-20 Budget Act provides a spectrum of support, incentives, resources and accountability to meet California’s housing goals. Some specific elements include:

- Planning Support (local and regional planning grants)
- Incentives (Prohousing preference and infill incentive grants)
- Funding Resources
- Accountability (penalties for noncompliant housing plans)
- Reform (collaborative processes to reform regional housing needs)

The Local Government Planning Support Grants Program provides one-time grant funding to regions and jurisdictions for technical assistance, preparation and adoption of planning documents, and process improvements. The over-arching goals of the Program are to (1) accelerate housing production; and (2) facilitate compliance to implement the sixth cycle of the regional housing need assessment (RHNA).

IV. Program Timeline

Grants will be available to eligible applicants on a noncompetitive, Over-the-Counter (OTC) basis. Applications will be accepted from the date of the release of this NOFA and up until July 1, 2020. See Table 1 below for the anticipated timeline for awards for the OTC period.

1 Population estimates, posted as of January 1, 2019, are based on the Department of Finance E-1 report. Official maximum amounts per jurisdiction can be found at the Department’s website at https://www.hcd.ca.gov/grants-funding/active-funding/leap.shtml.
on land-use or development within the participating localities. This includes, but is not limited to, partnerships with other localities, regional governments, housing authorities, school districts, special districts, community-based organizations, or any duly constituted governing body of an Indian Reservation or Rancheria. Eligible activities are not necessarily jurisdiction-wide and may include a smaller geography with a significant impact on housing production. For example, eligible activities may include a housing development-related project with a significant community level impact, or planning or process improvement for a project with an ongoing community impact beyond the project. Eligible activities may include a variety of planning documents and processes, including, but not limited to, the following as set forth in Health and Safety Code section 50515.03(c):

2. Completing environmental clearance to eliminate the need for project-specific review;
3. Establishing housing incentive zones or other area-based housing incentives beyond State Density Bonus Law such as a workforce housing opportunity zone pursuant to Article 10.10 (commencing with Section 65620) of Chapter 3 of Division 1 of Title 7 of the Government Code, or a housing sustainability district pursuant to Chapter 11 (commencing with Section 66200) of Division 1 of Title 7 of the Government Code;

9. Rezoning to meet requirements pursuant to Gov. Code Section 65583(c)(1), and other rezoning efforts to comply with Housing Element requirements, including Gov. Code Section 65583.2(c) (AB 1397, Statutes of 2018);
10. Upzoning or other implementation measures to intensify land use patterns in strategic locations, such as close proximity to transit, jobs or other amenities;
11. Rezoning for multifamily housing in high resource areas (according to Tax Credit Allocation Committee/Housing Community Development Opportunity Area Maps);
12. Establishing pre-approved architectural and site plans;
13. Preparing and adopting Housing Elements of the General Plan that include an implementation component to facilitate compliance with the sixth cycle RHNA;

19. Other planning documents or process improvements that demonstrate an increase in housing related planning activities and facilitate accelerating housing production; and
20. Establishing Prohousing Policies, as follows:

**Prohousing Policies**

The Department encourages applicants to consider LEAP funds to facilitate designation as a Prohousing jurisdiction.

The 2019-20 Budget Act requires the Department to develop the Prohousing designation emergency regulations by no later than July 1, 2021. This program will allow the Department to designate jurisdictions as “Prohousing,” when they demonstrate policies and strategies to accelerate housing production. In turn, Prohousing jurisdictions will be awarded additional points or preference in programs such as the Affordable Housing and Sustainable Communities (AHSC), Transformative Climate Communities (TCC), Infill Infrastructure Grant (IIG) programs and other state funding programs. The Department anticipates developing emergency regulations and Prohousing designations prior to July 1, 2021, and will seek to designate jurisdictions prior to future rounds of AHSC, TCC and IIG.

Pursuant to Gov. Code Section 65589.9(f)(2), “Prohousing” policies mean policies that facilitate the planning, approval, or construction of housing. These policies may include, but are not limited to, the following:

A. Planning for local financial incentives for housing, including, but not limited to, establishing a local housing trust fund;
B. Reducing parking requirements for sites that are zoned for residential development;
C. Adoption of zoning allowing for use by right for residential and mixed-use development;

F. Process improvements that reduce permit processing time;
G. Creating of objective development standards;
H. Studies and implementing actions that reduce development impact fees; and
I. Establishing a Workforce Housing Opportunity Zone, as defined in Section 65620, or a housing sustainability district, as defined in Section 66200.”

VIII. Ineligible Activities

1. Activities unrelated to preparation and adoption of planning documents, and process improvements to accelerate housing production and facilitate compliance to implement the sixth cycle of the RHNA;
2. Activities that obstruct or hinder housing production, e.g., moratoriums, downzoning, planning documents with conditional use permits that significantly impact supply, cost, approval certainty and timing, planned development, or other similarly constraining processes; and
3. Project specific planning documents that do not have a significant impact on accelerating housing production or significant community level or re-occurring benefit beyond the project.
4. The Department may consider proposals that are combined with larger proposals that have a positive housing component and the net effect on accelerating housing production is significant. For example, an applicant may propose combining an open-space designation, downzoning, or anti-displacement measures with by-right upzoning that has a significant net gain in housing capacity.

B. Both the grantee and the Department have the right to terminate the Standard Agreement at any time upon 30 days written notice. The notice shall specify the reason for early termination and may permit the grantee or the Department to rectify any deficiency(ies) prior to the early termination date. The grantee will submit any requested documents to the Department within 30 days of the early termination notice; and

D. The Department may request additional information, as needed, to meet other applicable reporting requirements;

E. Upon completion of all deliverables within the Standard Agreement, the awardee shall submit a close out report. See Attachment 1; and

BUDGET DETAIL AND PAYMENT PROVISIONS

1. Application for Funds
   
   A. The Department is entering into this Standard Agreement ("Agreement") on the basis of, and in reliance on, facts, information, assertions and representations contained in the Application and any subsequent modifications or additions thereto approved by the Department. The Application and any approved modifications and additions thereto are hereby incorporated into this Agreement.

   B. The Grantee warrants that all information, facts, assertions and representations contained in the Application and approved modifications and additions thereto are true, correct, and complete to the best of the Grantee’s knowledge. In the event that any part of the Application and any approved modification and addition thereto is untrue, incorrect, incomplete, or misleading in such a manner that would substantially affect the Department’s approval, disbursement, or monitoring of the funding and the grant or activities governed by this Agreement, the Department may declare a breach hereof and take such action or pursue such remedies as are provided for breach.

2. Grant and Reimbursement Limit

   The Department’s decision to approve or deny an application or request for funding pursuant to the Program, and its determination of the amount of funding provided, shall be final. The maximum total amount granted and reimbursable to the Grantee pursuant to this Agreement shall not exceed $«Total_Award_Text».00.

3. Grant Timelines

   A. This Agreement is effective upon the date of the Department representative’s signature on page one of the fully executed Standard Agreement, STD 213, (the “Effective Date”).

   It is the responsibility of the Grantee to monitor the project and timeliness of draws within the specified dates.
EXHIBIT B

4. **Allowable Uses of Grant Funds**

A. The Department shall not disburse funds unless it determines that the grant funds shall be expended in compliance with the terms and provisions of the NOFA and this Agreement.

B. Grant funds shall only be used by the Grantee for eligible activities pursuant to Section VII of the NOFA and only for activities that were approved by the Department, and as stated in Attachment 1: Project Timeline and Budget and Project Description in the Grantee’s approved LEAP Application, and/or any and all documentation incorporated into this Agreement and made a part thereof.

C. Grant funds may not be used for administrative costs of persons employed by the Grantee for activities not directly related to the preparation and adoption of the proposed activity. The Grantee shall use no more than five percent of the total grant amount for costs related to administration of the project.

D. A Grantee that receives funds under this Program may use a subcontractor. The subcontract shall provide for compliance with all the requirements of the Program. The subcontract shall not relieve the Grantee of its responsibilities under the Program.

E. After the contract has been executed by the Department and all parties, approved and eligible costs for eligible activities may be reimbursed upon completion of deliverables in accordance with Attachment 1: Project Timeline and Budget and Project Description, and subject to the terms and conditions of this Agreement.

F. Only approved and eligible costs incurred for work after the NOFA date, continued past the date of full execution of the Agreement, and completed during the grant term, will be reimbursable.

G. Approved and eligible costs incurred prior to the NOFA date are ineligible and will not be reimbursed.

5. **Performance**

A. The Grantee shall take such actions, pay such expenses, and do all things necessary to complete all activities as incorporated into the LEAP application and in accordance with the schedule for completion set forth in the Statement of Work, the Grantee’s Project Description and Attachment 1: Project Timeline and Budget, and within the terms and conditions of this Agreement.

C. The Department may request repayment of funds from Grantee or pursue other remedies available to it by law for failure to comply with program requirements.

6. Fiscal Administration

A. The Grantee is responsible for maintaining records which fully disclose the activities funded by the LEAP grant. Adequate documentation for each reimbursable transaction shall be maintained to permit the determination, through an audit if requested by the State, of the accuracy of the records and the allowability of expenditures charged to LEAP grant funds. If the allowability of expenditure cannot be determined because records or documentation are inadequate, the expenditure may be disallowed, and the State shall determine the reimbursement method for the amount disallowed. The State’s determination of the allowability of any expense shall be final, absent fraud, mistake or arbitrariness.

B. Work must be completed prior to requesting reimbursement. The Department may make exceptions to this provision on a case by case basis. In unusual circumstances, the Department may consider alternative arrangements to reimbursement and payment methods based on documentation demonstrating cost burdens, including the inability to pay for work.

C. Prior to receiving reimbursement, the Grantee shall submit the following documentation:

1) Government Agency Taxpayer ID Form (GovTIN; Fi$cal form);

2) A Request for Reimbursement form provided by the Department on the Department’s Local Early Action Planning (LEAP) Grants webpage; and

3) Any and all documentation requested by the Department in the Request for Reimbursement form and manner as outlined in the following subsection D.

D. Grantee shall submit all required reimbursement documentation to the following address:

Department of Housing and Community Development

1) At maximum, once per quarter; or

2) Upon completion of a deliverable; and

3) At minimum, one invoice for reimbursement annually.

The Department will use the 2020 calendar year beginning from the date of the release of the NOFA on January 27, 2020 as the basis for scheduling reimbursements, with first requests for reimbursement accepted upon full execution of the Agreement by the Grantee and the Department.

F. The Request for Reimbursement must be for a minimum of fifteen percent (15%) of the maximum grant amount awarded. The Department may consider exceptions to the minimum amount requested on a case-by-case basis. All invoices shall reference the contract number and shall be signed and submitted to the Department’s Program Manager at the address provided above in Section 6, Subsection D of this part. Invoices shall include at a minimum the following information:

1) Names of the Grantee’s personnel performing work;

2) Dates and times of project work;

3) Itemized costs in accordance with Attachment 1: Project Timeline and Budget, and Project Description, including identification of each employee, contractor or subcontractor who provided services during the period of the invoice, the number of hours and hourly rates for each of the Grantee’s employees, contractor(s), sub-recipient(s) or subcontractor’s staff member(s), authorized expenses with receipts, and contractor, sub-recipient and subcontractor invoices; and

4) Any other documents, certifications, or evidence deemed necessary by the Department prior to disbursement of grant funds.

G. The Department will reimburse the Grantee directly for all allowable project costs as promptly as the Department’s fiscal procedures permit upon receipt of an itemized signed invoice.

H. The Department recognizes that budgeted deliverable amounts are based upon estimates and conditions and circumstances may change. Grantees may request adjustments to Attachment 1: Project Timeline and Budget and Project Description in the Grantee’s approved LEAP Application in writing (such as a budget adjustment across deliverables), as long as the total budget does not exceed the maximum amount awarded to the Grantee. All adjustments shall be subject to written approval by the Department.
EXHIBIT B

I. Grant funds shall not be disbursed until this Agreement has been fully executed.

J. Grant fund payments will be made on a reimbursement basis; advance payments are not allowed. The Grantee, its subcontractors and all partners, must have adequate cash flow to pay all grant-related expenses prior to requesting reimbursement from the Department. The Department may consider alternative arrangements for reimbursement and payment methods based on documentation demonstrating cost burdens, including the inability to pay for work.

K. The Grantee will be responsible for compiling and submitting all invoices, supporting documentation and reporting documents. Invoices must be accompanied by reporting materials where appropriate. Invoices without the appropriate reporting materials will not be paid.

1) Supporting documentation may include, but is not limited to; purchase orders, receipts, progress payments, subcontractor invoices, timecards, or any other documentation as deemed necessary and requested by the Department to support the reimbursement to the Grantee for expenditures incurred.

L. The Grantee will submit for reimbursements to the Department based on actual costs incurred, and must bill the State based on clear and completed objectives and deliverables as outlined in the application, in Attachment 1: Project Timeline and Budget and the Project Description, and/or any and all documentation incorporated into this Agreement and made a part thereof.

M. The Department may withhold ten percent (10%) of the grant until grant terms have been fulfilled to the satisfaction of the Department and the final close-out report submitted, no later than December 31, 2024 pursuant to Health and Safety Code section 50515.04(c)(2).

N. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall immediately terminate and be of no further force and effect. In this event, the State and Contractor shall be relieved of any and all obligations under this Grant Agreement.

O. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the sole discretion to cancel this Agreement without cause, no liability occurring to the State, or amend the current Grant Agreement and amount allocated to Contractor.

A. At any time during the term of this Agreement, the Department may perform or cause to be performed a financial audit of any and all phases of the award. At the Department’s request, the Grantee shall provide, at its own expense, a financial audit prepared by a certified public accountant. The State of California has the right to review project documents and conduct audits during and over the project life.

1) The Grantee agrees that the Department or the Department’s designee shall have the right to review, obtain, and copy all records and supporting documentation pertaining to performance of this Agreement.

2) The Grantee agrees to provide the Department or the Department’s designee, with any relevant information requested.

3) The Grantee agrees to permit the Department or the Department’s designee access to its premises, upon reasonable notice, during normal business hours for the purpose of interviewing employees who might reasonably have information related to such records and inspecting and copying such books, records, accounts, and other material that may be relevant to a matter under investigation for the purpose of determining compliance with statutes and this Agreement.

B. If a financial audit is required by the Department, the audit shall be performed by an independent certified public accountant. Selection of an independent audit firm shall be consistent with procurement standards contained in Exhibit D, Section 8 subsection A. of this Agreement.

1) The Grantee shall notify the Department of the auditor’s name and address immediately after the selection has been made. The contract for the audit shall allow access by the Department to the independent auditor's working papers.

1) If any litigation, claim, negotiation, audit, monitoring, inspection or other action
EXHIBIT D

has been started before the expiration of the required record retention period, all records must be retained by the Grantee, contractors and sub-contractors until completion of the action and resolution of all issues which arise from it. The Grantee shall include in any contract that it enters into in an amount exceeding $10,000.00, the Department’s right to audit the contractor’s records and interview their employees.

D. The determination by the Department of the eligibility of any expenditure shall be final.

E. The Grantee shall retain all books and records relevant to this Agreement for a minimum of three (3) years after the end of the term of this Agreement. Records relating to any and all audits or litigation relevant to this Agreement shall be retained for five (5) years after the conclusion or resolution of the matter.

4. Remedies of Non-performance

A. The Department may monitor expenditures and activities of an applicant, as the Department deems necessary, to ensure compliance with Program requirements.

B. The Department may, as it deems appropriate or necessary, request repayment of funds from an applicant, or pursue any remedies available to it by law for failure to comply with Program requirements.

C. Any dispute concerning a question of fact arising under this Agreement that is not disposed of by agreement shall be decided by the Department’s Housing Policy Development Manager, or the Manager’s designee, who may consider any written or verbal evidence submitted by the Grantee. The decision of the Department’s Housing Policy Development Manager or Designee shall be the Department’s final decision regarding the dispute.

D. Neither the pendency of a dispute nor its consideration by the Department will excuse the Grantee from full and timely performance in accordance with the terms of this Agreement.

E. In the event that it is determined, at the sole discretion of the Department, that the Grantee is not meeting the terms and conditions of the Agreement, immediately upon receiving a written notice from the Department to stop work, the Grantee shall cease all work under the Agreement. The Department has the sole discretion to determine that the Grantee meets the terms and conditions after a stop work order, and to deliver a written notice to the grantee to resume work under the Agreement.

F. Both the Grantee and the Department have the right to terminate the Agreement at any
EXHIBIT D

time upon thirty (30) days written notice. The notice shall specify the reason for early termination and may permit the grantee or the Department to rectify any deficiency(ies) prior to the early termination date. The Grantee will submit any requested documents to the Department within thirty (30) days of the early termination notice.

G. There must be a strong implementation component for the funded activity through this Program, including, where appropriate, agreement by the locality to formally adopt or complete the planning document. Localities that do not formally adopt or complete the funded activity could be subject to repayment of the grant.

H. The following shall each constitute a breach of this Agreement:

1) Grantee’s failure to comply with any of the terms and conditions of this Agreement.

2) Use of, or permitting the use of, grant funds provided under this Agreement for any ineligible costs or for any activity not approved under this Agreement.

3) Any failure to comply with the deadlines set forth in this Agreement unless approved by the Program Manager.

6) Other remedies available at law, or by and through this Agreement. All remedies available to the Department are cumulative and not exclusive.

7) The Department may give written notice to the Grantee to cure the breach or violation within a period of not less than fifteen (15) days.
EXHIBIT D

5. **Indemnification**

Neither the Department nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by the Grantee, its officers, employees, agents, its contractors, its sub-recipients or its subcontractors under or in connection with any work, authority or jurisdiction conferred upon the Grantee under this Agreement.
