SECTION 1. Purpose.

This chapter recognizes the right of residents and visitors to the City to be free from unwelcome secondhand smoke. This chapter is further intended to ensure a cleaner and more hygienic environment for the City, its residents and visitors, and its natural resources.

For purposes of this chapter, the following terms shall have the following meanings:

“Outdoor dining area” means any unenclosed area located on private or public property made available to or customarily used by the general public that is designed, established or regularly used for consuming food and/or beverages or where food and/or beverages are served
whether or not for compensation. This includes, but is not limited to, restaurants, hotels, bar
standing and seating areas, supermarkets, patios, and coffee shops.

“Public event” means an activity, ceremony, event, fair, farmer’s market, function,
gathering, meeting, pageant, or program—whether athletic, civic, cultural, charitable,
community, entertainment, intellectual, recreational, or social—that: (1) is open to the general
public whether or not a ticket or an admission fee is required; (2) takes place outside of an
enclosed structure or building; and (3) a person, employer, business, non-profit entity, or the city
sponsors, hosts, organizes, or operates. “Public event” shall also include the meeting place of the
city council or any commission, board or committee of the city during any meeting thereof,
including any recess.

“Smoking” means the inhaling, exhaling, or emitting of fumes, vapor or aerosol, in any
manner or in any form, any lighted or activated pipe, cigar, cigarette, electronic smoking device,
or other smoking product or equipment used to burn any tobacco product, weed, plant, or any
other combustible substance.

“Smoking outpost” means the non-enclosed area, location, place, or site—identified by a
posted “Smoking Permitted” sign—that is cordoned off or specifically designated, within which
a person may smoke.

9.34.020 Smoking in outdoor dining areas prohibited.

Smoking is prohibited in all outdoor dining areas located on private or public property,
including the public right-of-way. Smoking is also prohibited within twenty (20) feet of an
outdoor dining area, except while actively passing by on the way to another destination.

9.34.030 Posting of signs and providing smokers waste receptacles.

Any business with an area subject to the prohibition set forth in Section 9.32.020 of this
chapter shall post or cause to be posted and shall maintain “no smoking” signs in conspicuous
locations within said area. All such signs shall: (1) be no greater than one square foot in size; (2)
be prominently displayed; (3) clearly state “no smoking” and/or use the international “no
smoking” symbol; and (4) reference Section 9.34.020 of the Malibu Municipal Code. Any
business with an area subject to the prohibition set forth in Section 9.34.020 shall also provide a
smoker’s waste receptacle twenty (20) feet from the entry way or, where that distance is not
possible, at the farthest possible point away from the entry way.

9.34.040 Smoking at public events prohibited.

A. Smoking is prohibited at, and within twenty (20) feet of, any public event except
within a designated smoking outpost.

B. For purposes of this section, any designated smoking outpost:
1. Must be located the greatest distance practicable, but at least twenty (20) feet away, from an opening, or an entrance or exit, to an enclosed area;

2. Must measure fifty (50) square feet or less in total area;

3. Must not be combined or merged with another on-site smoking outpost;

4. Must not be located within twenty (20) feet of any place where food or beverage is being prepared or sold;

5. Must have a clearly marked perimeter;

6. Must not be located within two hundred (200) feet of another designated smoking outpost;

7. Must be identified by one or more conspicuously posted signs; and

8. Must have at least one smoker’s waste receptacle.

9.34.050 Smoking prohibited in parks, open spaces, and on beaches.

Notwithstanding the provisions of Section 12.08.020(A), it is unlawful to smoke in any public park, any open space, any public beach or any area of the Malibu Pier not designated for smoking within the City of Malibu. For the purpose of this section, “beach” shall not include parking lots or roadways.

9.34.060 Violation—Penalty.

In addition to any other criminal, civil or other legal remedy established by law that may be pursued to address violations of the municipal code, violations of the provisions of this chapter are subject to the administrative penalty provisions of Chapter 1.10.

9.34.070 Other Applicable Laws

This chapter shall not be interpreted or construed to permit smoking where it is otherwise restricted or prohibited by other applicable laws.

SECTION 3. Environmental Review.

This Ordinance was assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines (the Guidelines), and the environmental regulations of the City. The City Council hereby finds that under Section 15061(b)(3) of the State CEQA Guidelines, this Ordinance is exempt from the requirements of CEQA because it can be seen with certainty that the provisions contained herein would not have the potential for causing a significant effect on the environment. It also finds the Ordinance is
exempt from the requirements of CEQA pursuant to CEQA Guidelines Sections 15307 and 15308 as the prohibition of smoking will benefit the environment by removing air pollution and smoking related waste such as cigarette butts while decreasing the risk of fire in the City.

SECTION 4. Severability.

If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance or the application thereof to any person or place, is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, the remainder of this Ordinance shall remain in full force and effect.

The City Council hereby declares that it would have passed this Ordinance and each section, subsection, phrase or clause thereof irrespective of the fact that any one or more sections, subsections, phrases, or clauses be declared unconstitutional.

SECTION 5. Repealing of Sections 12.08.035 and 9.04.010.

Sections 9.04.010 and 12.08.035 (Ordinance No. 265) are repealed in their entirety.

SECTION 6. Certification.

The City Clerk shall certify the passage and adoption of this Ordinance and enter it into the book of original Ordinances.

PASSED, APPROVED AND ADOPTED this _____ day of ____ 2020.
