To: Mayor Farrer and the Honorable Members of the City Council

Prepared by: Heather Glaser, City Clerk

Approved by: Reva Feldman, City Manager

Date prepared: June 15, 2020          Meeting date: July 13, 2020

Subject: Submission of a Proposed Measure to the Voters to Increase Transient Occupancy Tax

RECOMMENDED ACTION: 1) Adopt Resolution No. 20-37 ordering the submission of a proposed measure that would increase the City’s Transient Occupancy Tax from 12% to 15% at the General Municipal Election to be held on Tuesday, November 3, 2020, as called by Resolution No. 20-27; and 2) Adopt Resolution No. 20-38 setting priorities for filing written arguments regarding the submission of a proposed measure that would increase the City’s Transient Occupancy Tax from 12% to 15% at the General Municipal Election to be held on Tuesday, November 3, 2020, as called by Resolution No. 20-27 and directing the City Attorney to prepare an impartial analysis.

FISCAL IMPACT: At this time, the costs associated with adding a ballot measure to the November 3, 2020 General Election ballot are unknown. The Los Angeles County Registrar-Recorder/County Clerk is working to provide estimates for the November 3, 2020 General Election at the end of July 2020. Funding for the November 3, 2020 General Municipal Election the amount of $50,000 was included in the Adopted Budget for Fiscal Year 2020-2021 in Account Number 100-7007-5150 (Elections).

The Adopted Budget for Fiscal Year 2020-2021 includes $3.1 million in expected tax revenue from hotels, motels and the short-term rentals of private homes. Based on the projected Transient Occupancy Tax revenue in the Adopted Budget for Fiscal Year 2020-2021, a 3% increase in Transient Occupancy Tax could generate up to $775,000 in additional revenue annually.

The estimate of $775,000 assumes that the impacts on travel from the global pandemic will decrease by the end of the calendar year and that the City will continue to receive revenue from the short-term rentals of private homes. If the global pandemic extends into calendar year 2021 and if the Local Coastal Plan Amendment proposed to change the City’s short-term rental rules results in a dramatic drop in transient occupancy tax,
the additional amount that will be generated from an increase in the City's tax rate is hard to determine.

WORK PLAN: This item was included as item 6a in the Adopted Work Plan for Fiscal Year 2020-2021.

DISCUSSION: On June 8, 2020, the Council adopted resolutions calling the General Municipal Election and setting the date at Tuesday, November 3, 2020, and requesting the Board of Supervisors of the County of Los Angeles to consolidate the General Municipal Election with the Statewide General Election. On June 8, 2020, the Council also requested staff bring back resolutions placing the following question on the November 3, 2020 ballot:

“Shall a measure be adopted increasing the transient occupancy tax paid by hotel and other lodging guests from 12% to 15% of rent charged, raising approximately $775,000 annually until ended by voters, with revenue to be controlled and used locally for general municipal services in Malibu?”

Staff has prepared Resolution No. 20-37 (Attachment 1) ordering the submission of the proposed measure on the November 3, 2020 ballot and Resolution No. 20-38 (Attachment 2) setting priorities for filing written arguments and directing the City Attorney to prepare an impartial analysis. On July 9, 2018, the Council adopted Resolution No. 18-46 (Attachment 3) providing for the filing of rebuttal arguments for measures submitted to the voters at municipal elections from that date forward.

AN ORDINANCE OF THE CITY OF MALIBU TO INCREASE THE TRANSIENT OCCUPANCY TAX BY 3% FROM 12% TO 15% AND AMENDING CHAPTER 3.24 OF THE MALIBU MUNICIPAL CODE

The People of the City of Malibu do hereby ordain as follows:

SECTION 1. Recitals.

A. The purpose of this Ordinance is to increase the rate of the transient occupancy tax paid by hotel/motel and other short-term guests from its current rate of 12% to 15%.

B. The transient occupancy tax is paid only by guests who stay in local hotels and other lodgings so that out-of-town visitors pay their fair share of their use of City roads, parks, the beach, public safety and other City services.

C. The revenues from the TOT remain entirely in the City, are controlled by the City, and are used for unrestricted general municipal purposes such as public safety, infrastructure, street repair and park improvements. TOT revenues cannot be taken by Los Angeles County or the state.

D. An increase of 3% in the transient occupancy tax is estimated to raise approximately $775,000, which would be used by the City to protect the residents’ quality of life and property values and continue to provide excellent services.

SECTION 2. Section 3.24.030 of Chapter 3.24, Title 3 of the Malibu Municipal Code is amended to read:

A. For occupancy of any hotel, motel, hostel, or permitted short term rental as defined, each transient is subject to and shall pay a tax in the amount of 15% of the rent or bill charged by the operator. This tax constitutes a debt owed by the transient to the city which is extinguished only by payment to the operator of the hotel, motel, hostel, hospital, or other permitted short-term accommodation at the time the rent or bill is paid. If the rent or bill is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel, motel, hostel, hospital or other permitted short-term accommodation. If for any reason the tax due is not paid to the operator, the tax administrator may require that such tax shall be paid directly to the tax administrator.
