

# Commission Agenda Report

Planning Commission  
Meeting  
03-07-22  
**Item  
3.A.1.**

To: Chair Hill and Members of the Planning Commission

Prepared by: Patricia Salazar, Senior Administrative Analyst

Approved by: Adrian Fernandez, Assistant Planning Director

Date prepared: February 24, 2022 Meeting Date: March 7, 2022

Subject: Resolutions Approving Time Extension Requests to Submit a Planning Verification for Nonconforming Structures and Uses Damaged or Destroyed in the Woolsey Fire Previously Considered by the Planning Commission

---

## RECOMMENDED ACTION:

- 1) Adopt Resolution No. 22-21 granting a two-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 5418 Horizon Drive (Poole);
- 2) Adopt Resolution No. 22-22 granting a two-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 29350 Heathercliff Road (Good);
- 3) Adopt Resolution No. 22-23 granting a two-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 6800.5 Westward Beach Road (County of Los Angeles, Department of Beach and Harbors);
- 4) Adopt Resolution No. 22-24 granting a two-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 5878 Deerhead Road (Helaina Properties, LLC);
- 5) Adopt Resolution No. 22-25 granting a one-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the

Woolsey Fire for the property located at 29636 Cuthbert Road (Genevieve Labean Intervivos Trust);

- 6) Adopt Resolution No. 22-26 granting a one-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 29715 Cuthbert Road (Surf Dog, LLC);
- 7) Adopt Resolution No. 22-27 granting a two-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 5246 Horizon Drive (Yavrouian);
- 8) Adopt Resolution No. 22-28 granting a one-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 4615 Via Vienta Street (Kostman);
- 9) Adopt Resolution No. 22-29 granting a two-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 6760 Dume Drive (Wolfsdorf); and
- 10) Adopt Resolution No. 22-30 granting a one-year extension to submit a planning verification for nonconforming structures and uses damaged or destroyed in the Woolsey Fire for the property located at 6351 Kanan Dume Drive (Patricia Pascucci Brown Trust).

DISCUSSION: On January 18, 2022 and February 7, 2022, the Planning Commission considered time extension requests for numerous property owners to submit planning verifications for nonconforming structures and uses damaged or destroyed in the Woolsey Fire. The purpose of this item is to memorialize the Commission's actions on these time extension requests.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-21

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A TWO-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 5418 HORIZON DRIVE (POOLE)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

D. On September 28, 2020, the California State Legislature took measures to address the housing crises in California and adopted Assembly Bill 1561. Pursuant to Section 65914.5, the Legislature found that the COVID-19 pandemic “will drastically impact all segments of a complex ecosystem that delivers the essential housing California so desperately needs to combat the ongoing housing crisis” and “To facilitate and expedite the return of this vital industry, it is necessary to relieve any additional pressure on housing development as a result of the lapse in planning, finance, and construction due to the pandemic-induced recession. An essential component of ensuring the survival of the housing industry is proactively extending the life of the myriad state and local approvals, permits, and other entitlements required to develop and construct housing in California.” Additionally, Assembly Bill 1561, among other measures, extended the expiration, effectuation, or utilization of a housing entitlement, that was issued before, and was in effect on, March 4, 2020, and that will expire before December 31, 2021 by 18 months.

E. Although Southern California Edison has reached settlement agreements with numerous parties arising from litigation claims related to the Woolsey Fire, numerous claims are in progress and this delay in securing funds has created an undue financial hardship and uncertainty for those affected.

F. The California Department of Insurance received numerous complaints from policyholders about the challenges in temporary housing, delay in receiving payouts and the cost of reconstruction after a wildfire. As a result, on September 29, 2020, Governor Gavin Newsom approved Assembly Bills 2756, and 3012, and Senate Bill 872 to provide new insurance protections for wildfire survivors to recover and rebuild lost property. These bills recognize the ongoing challenges faced by those who must navigate the challenges of insurance companies and then construction obstacles all while dealing with temporary housing and other impacts of a devastating wildfire.

G. On November 8, 2021, the property owner, William W. Poole, submitted a time extension request to initiate the planning application process citing financial hardship due to pending insurance and Southern California Edison claims, and delays related to the change of property title, as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

H. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owner submitted a time extension request to the Planning Department in a timely manner.

I. On January 18, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a two-year time extension request to submit a planning verification.

## SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

## SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral

testimony presented at the public hearing, hereby grants the property owner a two-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2023.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 7<sup>th</sup> day of March, 2022.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-22

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A TWO-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 29350 HEATHERCLIFF ROAD (GOOD)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in response to the increased spread of COVID-19. Additionally, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health all declared a local and public health emergency in response to increased spread of COVID-19 across the country and in Los Angeles County. The President of the United States declared a federal emergency as a result of the spread of COVID-19. Said Federal and State emergencies have not been terminated.

D. On March 16, 2020, the City Council adopted Resolution No. 20-14 proclaiming a local emergency exist due to the COVID-19 pandemic and said local emergency has not been terminated.

E. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

F. On September 28, 2020, the California State Legislature took measures to address the housing crises in California and adopted Assembly Bill 1561. Pursuant to Section 65914.5, the Legislature found that the COVID-19 pandemic “will drastically impact all segments of a complex ecosystem that delivers the essential housing California so desperately needs to combat the ongoing housing crisis” and “To facilitate and expedite the return of this vital industry, it is necessary to relieve any additional pressure on housing development as a result of the lapse in planning, finance, and construction due to the pandemic-induced recession. An essential component of ensuring the survival of the housing industry is proactively extending the life of

the myriad state and local approvals, permits, and other entitlements required to develop and construct housing in California.” Additionally, Assembly Bill 1561, among other measures, extended the expiration, effectuation, or utilization of a housing entitlement, that was issued before, and was in effect on, March 4, 2020, and that will expire before December 31, 2021 by 18 months.

G. On November 8, 2021, the property owners, Kenneth A. and Carolyn K. Good, submitted a time extension request to initiate the planning application process citing delays due to the fire debris removal process, family illness, and the COVID-19 pandemic, as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

H. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owners submitted a time extension request to the Planning Department in a timely manner.

I. On January 18, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a two-year time extension request to submit a planning verification.

## SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

## SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral testimony presented at the public hearing, hereby grants the property owners a two-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2023.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 7<sup>th</sup> day of March, 2022.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-23

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A TWO-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 6800.5 WESTWARD BEACH ROAD (COUNTY OF LOS ANGELES, DEPARTMENT OF BEACH AND HARBORS)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in response to the increased spread of COVID-19. Additionally, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health all declared a local and public health emergency in response to increased spread of COVID-19 across the country and in Los Angeles County. The President of the United States declared a federal emergency as a result of the spread of COVID-19. Said Federal and State emergencies have not been terminated.

D. On March 16, 2020, the City Council adopted Resolution No. 20-14 proclaiming a local emergency exist due to the COVID-19 pandemic and said local emergency has not been terminated.

E. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

F. On November 8, 2021, the property owner, County of Los Angeles, Department of Beach and Harbors, submitted a time extension request to initiate the planning application process to rebuild the Point Dume Whale Watch Station citing financial hardship due to delays in obtaining FEMA funding, the COVID-19 pandemic, and the lack of building and property records to properly prepare a topographic and boundary survey, as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

G. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owner submitted a time extension request to the Planning Department in a timely manner.

H. On January 18, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a two-year time extension request to submit a planning verification.

SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

SECTION 3. Planning Commission Action.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-24

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A TWO-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 5878 DEERHEAD ROAD (HELAINA PROPERTIES, LLC)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in response to the increased spread of COVID-19. Additionally, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health all declared a local and public health emergency in response to increased spread of COVID-19 across the country and in Los Angeles County. The President of the United States declared a federal emergency as a result of the spread of COVID-19. Said Federal and State emergencies have not been terminated.

D. On March 16, 2020, the City Council adopted Resolution No. 20-14 proclaiming a local emergency exist due to the COVID-19 pandemic and said local emergency has not been terminated.

E. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

F. On September 28, 2020, the California State Legislature took measures to address the housing crises in California and adopted Assembly Bill 1561. Pursuant to Section 65914.5, the Legislature found that the COVID-19 pandemic “will drastically impact all segments of a complex ecosystem that delivers the essential housing California so desperately needs to combat the ongoing housing crisis” and “To facilitate and expedite the return of this vital industry, it is necessary to relieve any additional pressure on housing development as a result of the lapse in

planning, finance, and construction due to the pandemic-induced recession. An essential component of ensuring the survival of the housing industry is proactively extending the life of the myriad state and local approvals, permits, and other entitlements required to develop and construct housing in California.” Additionally, Assembly Bill 1561, among other measures, extended the expiration, effectuation, or utilization of a housing entitlement, that was issued before, and was in effect on, March 4, 2020, and that will expire before December 31, 2021 by 18 months.

G. On February 24, 2021, President Biden issued Executive Order 14017 on America’s Supply Chain to address disruptions in the supply chain. Additionally, California Governor Gavin Newsom issued Executive Order No. 19-21 to address “disruptions to the goods movement supply chain, which have been exacerbated by changes in the practices of numerous industry sectors during the COVID-19 pandemic and by changes in consumer demand during the ensuing economic recovery.”

H. On November 8, 2021, the property owner, Helaina Properties, LLC, submitted a time extension request to initiate the planning application process citing delays due to the COVID-19 pandemic, change of ownership, supply chain and labor shortages, as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

I. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owner submitted a time extension request to the Planning Department in a timely manner.

J. On January 18, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a two-year time extension request to submit a planning verification.

## SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

## SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning

Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral testimony presented at the public hearing, hereby grants the property owner a two-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2023.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 7<sup>th</sup> day of March, 2022.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-25

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A ONE-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 29636 CUTHBERT ROAD (GENEVIEVE LABEAN INTERVIVOS TRUST)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in response to the increased spread of COVID-19. Additionally, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health all declared a local and public health emergency in response to increased spread of COVID-19 across the country and in Los Angeles County. The President of the United States declared a federal emergency as a result of the spread of COVID-19. Said Federal and State emergencies have not been terminated.

D. On March 16, 2020, the City Council adopted Resolution No. 20-14 proclaiming a local emergency exist due to the COVID-19 pandemic and said local emergency has not been terminated.

E. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

F. On September 28, 2020, the California State Legislature took measures to address the housing crises in California and adopted Assembly Bill 1561. Pursuant to Section 65914.5, the Legislature found that the COVID-19 pandemic “will drastically impact all segments of a complex ecosystem that delivers the essential housing California so desperately needs to combat the ongoing housing crisis” and “To facilitate and expedite the return of this vital industry, it is necessary to relieve any additional pressure on housing development as a result of the lapse in planning, finance, and construction due to the pandemic-induced recession. An essential

component of ensuring the survival of the housing industry is proactively extending the life of the myriad state and local approvals, permits, and other entitlements required to develop and construct housing in California.” Additionally, Assembly Bill 1561, among other measures, extended the expiration, effectuation, or utilization of a housing entitlement, that was issued before, and was in effect on, March 4, 2020, and that will expire before December 31, 2021 by 18 months.

G. On November 8, 2021, the property owner, Genevieve Labean Intervivos Trust, submitted a time extension request to initiate the planning application process citing the COVID-19 pandemic as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

H. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owner submitted a time extension request to the Planning Department in a timely manner.

I. On January 18, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a one-year time extension request to submit a planning verification.

## SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

## SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral testimony presented at the public hearing, hereby grants the property owner a one-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2022.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 7<sup>th</sup> day of March, 2022.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-26

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A ONE-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 29715 CUTHBERT ROAD (SURF DOG, LLC)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in response to the increased spread of COVID-19. Additionally, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health all declared a local and public health emergency in response to increased spread of COVID-19 across the country and in Los Angeles County. The President of the United States declared a federal emergency as a result of the spread of COVID-19. Said Federal and State emergencies have not been terminated.

D. On March 16, 2020, the City Council adopted Resolution No. 20-14 proclaiming a local emergency exist due to the COVID-19 pandemic and said local emergency has not been terminated.

E. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

F. On September 28, 2020, the California State Legislature took measures to address the housing crises in California and adopted Assembly Bill 1561. Pursuant to Section 65914.5, the Legislature found that the COVID-19 pandemic “will drastically impact all segments of a complex ecosystem that delivers the essential housing California so desperately needs to combat the ongoing housing crisis” and “To facilitate and expedite the return of this vital industry, it is necessary to relieve any additional pressure on housing development as a result of the lapse in

planning, finance, and construction due to the pandemic-induced recession. An essential component of ensuring the survival of the housing industry is proactively extending the life of the myriad state and local approvals, permits, and other entitlements required to develop and construct housing in California.” Additionally, Assembly Bill 1561, among other measures, extended the expiration, effectuation, or utilization of a housing entitlement, that was issued before, and was in effect on, March 4, 2020, and that will expire before December 31, 2021 by 18 months.

G. On November 5, 2021, the property owner, Surf Dog, LLC, submitted a time extension request to initiate the planning application process citing delays due to ongoing rebuild feasibility studies, including coordination with the Santa Monica Mountains Recreation Area coordination to mitigate the abutting creek flow, and the COVID-19 pandemic as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

H. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owner submitted a time extension request to the Planning Department in a timely manner.

I. On January 18, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a one-year time extension request to submit a planning verification.

## SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

## SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral testimony presented at the public hearing, hereby grants the property owner a one-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2022.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 7<sup>th</sup> day of March, 2022.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-27

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A TWO-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 5246 HORIZON DRIVE (YAVROUIAN)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in response to the increased spread of COVID-19. Additionally, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health all declared a local and public health emergency in response to increased spread of COVID-19 across the country and in Los Angeles County. The President of the United States declared a federal emergency as a result of the spread of COVID-19. Said Federal and State emergencies have not been terminated.

D. On March 16, 2020, the City Council adopted Resolution No. 20-14 proclaiming a local emergency exist due to the COVID-19 pandemic and said local emergency has not been terminated.

E. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

F. On September 28, 2020, the California State Legislature took measures to address the housing crises in California and adopted Assembly Bill 1561. Pursuant to Section 65914.5, the Legislature found that the COVID-19 pandemic “will drastically impact all segments of a complex ecosystem that delivers the essential housing California so desperately needs to combat the ongoing housing crisis” and “To facilitate and expedite the return of this vital industry, it is necessary to relieve any additional pressure on housing development as a result of the lapse in planning, finance, and construction due to the pandemic-induced recession. An essential component of ensuring the survival of the housing industry is proactively extending the life of

the myriad state and local approvals, permits, and other entitlements required to develop and construct housing in California.” Additionally, Assembly Bill 1561, among other measures, extended the expiration, effectuation, or utilization of a housing entitlement, that was issued before, and was in effect on, March 4, 2020, and that will expire before December 31, 2021 by 18 months.

G. The California Department of Insurance received numerous complaints from policyholders about the challenges in temporary housing, delay in receiving payouts and the cost of reconstruction after a wildfire. As a result, on September 29, 2020, Governor Gavin Newsom approved Assembly Bills 2756, and 3012, and Senate Bill 872 to provide new insurance protections for wildfire survivors to recover and rebuild lost property. These bills recognize the ongoing challenges faced by those who must navigate the challenges of insurance companies and then construction obstacles all while dealing with temporary housing and other impacts of a devastating wildfire.

H. On November 10, 2021, the property owners, Jean H. and Vicky V. Yavrouian, submitted a time extension request to initiate the planning application process citing financial hardship due to the inability to obtain an insurance claim to cover the cost to rebuild, the COVID-19, and other personal circumstances, pandemic as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

I. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owners submitted a time extension request to the Planning Department substantially in compliance with said code section.

J. On January 18, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a two-year time extension request to submit a planning verification.

## SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral testimony presented at the public hearing, hereby grants the property owners a two-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2023.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 7<sup>th</sup> day of March, 2022.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-28

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A ONE-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 4615 VIA VIENTA STREET (KOSTMAN)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in response to the increased spread of COVID-19. Additionally, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health all declared a local and public health emergency in response to increased spread of COVID-19 across the country and in Los Angeles County. The President of the United States declared a federal emergency as a result of the spread of COVID-19. Said Federal and State emergencies have not been terminated.

D. On March 16, 2020, the City Council adopted Resolution No. 20-14 proclaiming a local emergency exist due to the COVID-19 pandemic and said local emergency has not been terminated.

E. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

F. On September 28, 2020, the California State Legislature took measures to address the housing crises in California and adopted Assembly Bill 1561. Pursuant to Section 65914.5, the Legislature found that the COVID-19 pandemic “will drastically impact all segments of a complex ecosystem that delivers the essential housing California so desperately needs to combat the ongoing housing crisis” and “To facilitate and expedite the return of this vital industry, it is necessary to relieve any additional pressure on housing development as a result of the lapse in planning, finance, and construction due to the pandemic-induced recession. An essential component of ensuring the survival of the housing industry is proactively extending the life of

the myriad state and local approvals, permits, and other entitlements required to develop and construct housing in California.” Additionally, Assembly Bill 1561, among other measures, extended the expiration, effectuation, or utilization of a housing entitlement, that was issued before, and was in effect on, March 4, 2020, and that will expire before December 31, 2021 by 18 months.

G. On February 24, 2021, President Biden issued Executive Order 14017 on America’s Supply Chain to address disruptions in the supply chain. Additionally, California Governor Gavin Newsom issued Executive Order No. 19-21 to address “disruptions to the goods movement supply chain, which have been exacerbated by changes in the practices of numerous industry sectors during the COVID-19 pandemic and by changes in consumer demand during the ensuing economic recovery.”

H. On November 3 2021, the property owner, William Kostman, submitted a time extension request to initiate the planning application process citing that the previously-approved plans require redesigning due to issues with contractors and supply chain shortages as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

I. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owner submitted a time extension request to the Planning Department in a timely manner.

J. On February 7 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a one-year time extension request to submit a planning verification.

## SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

## SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral

testimony presented at the public hearing, hereby grants the property owner a two-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2022.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-29

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A TWO-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 6760 DUME DRIVE (WOLFSDORF)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in response to the increased spread of COVID-19. Additionally, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health all declared a local and public health emergency in response to increased spread of COVID-19 across the country and in Los Angeles County. The President of the United States declared a federal emergency as a result of the spread of COVID-19. Said Federal and State emergencies have not been terminated.

D. On March 16, 2020, the City Council adopted Resolution No. 20-14 proclaiming a local emergency exist due to the COVID-19 pandemic and said local emergency has not been terminated.

E. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

F. On September 28, 2020, the California State Legislature took measures to address the housing crises in California and adopted Assembly Bill 1561. Pursuant to Section 65914.5, the Legislature found that the COVID-19 pandemic “will drastically impact all segments of a complex ecosystem that delivers the essential housing California so desperately needs to combat the ongoing housing crisis” and “To facilitate and expedite the return of this vital industry, it is necessary to relieve any additional pressure on housing development as a result of the lapse in planning, finance, and construction due to the pandemic-induced recession. An essential component of ensuring the survival of the housing industry is proactively extending the life of

the myriad state and local approvals, permits, and other entitlements required to develop and construct housing in California.” Additionally, Assembly Bill 1561, among other measures, extended the expiration, effectuation, or utilization of a housing entitlement, that was issued before, and was in effect on, March 4, 2020, and that will expire before December 31, 2021 by 18 months.

G. The California Department of Insurance received numerous complaints from policyholders about the challenges in temporary housing, delay in receiving payouts and the cost of reconstruction after a wildfire. As a result, on September 29, 2020, Governor Gavin Newsom approved Assembly Bills 2756, and 3012, and Senate Bill 872 to provide new insurance protections for wildfire survivors to recover and rebuild lost property. These bills recognize the ongoing challenges faced by those who must navigate the challenges of insurance companies and then construction obstacles all while dealing with temporary housing and other impacts of a devastating wildfire.

H. On November 8, 2021, the property owners, Bernard P. and Shelly G. Wolfsdorf, submitted a time extension request to initiate the planning application process citing financial hardship due to pending insurance claims, the COVID-19 pandemic, and other personal matters as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

I. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owners submitted a time extension request to the Planning Department in a timely manner.

J. On February 7, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a two-year time extension request to submit a planning verification.

## SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damages or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

## SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning

Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral testimony presented at the public hearing, hereby grants the property owners a two-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2023.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 7<sup>th</sup> day of March, 2022.

CITY OF MALIBU PLANNING COMMISSION  
RESOLUTION NO. 22-30

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MALIBU GRANTING A ONE-YEAR EXTENSION TO SUBMIT A PLANNING VERIFICATION FOR NONCONFORMING STRUCTURES AND USES DAMAGED OR DESTROYED IN THE WOOLSEY FIRE FOR THE PROPERTY LOCATED AT 6351 KANAN DUME DRIVE (PATRICIA PASCUCCI BROWN TRUST)

The Planning Commission of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The 2018 Woolsey Fire destroyed at least 488 single-family homes in Malibu and over 640 parcels were damaged, destroyed, or affected by the Woolsey Fire.

B. On February 25, 2019, the City Council adopted Ordinance No. 445, amendments to the Malibu Municipal Code Title 17 (Zoning Ordinance) and the Local Coastal Program, to facilitate the rebuilding of structures damaged or destroyed by the 2018 Woolsey Fire. The Ordinance included deadlines for property owners to rebuild nonconforming structures and uses: two years from the date of damage to initiate a planning verification, four years from the date of damage or destruction to obtain building permits, and extensions to these deadlines may not total more than five years.

C. On December 14, 2020, approximately 50% of property owners of destroyed homes submitted a planning verification to rebuild homes, and as a desire to encourage the rebuilding of homes, the City Council adopted Ordinance No. 476, extending the deadlines to initiate the planning application process and obtain building permits by one year, and allowed for extensions of these deadlines to not total more than six years combined.

D. In September 2020, a code enforcement violation was issued for the replacement of site improvements, which previously existed on the site prior to the Woolsey Fire, without the benefit of permits.

E. In August 2021, a Notice of Violation was issued for the replacement of landscaping, which previously existed on the site prior to the Woolsey Fire, without the benefit of permits.

F. On November 8, 2021, the property owner, Patricia Pascucci Brown Trust, submitted a time extension request to initiate the planning application process citing that previously existing site improvements were rebuilt without the benefit of permits and additional time is needed to remedy the code violation as unusual circumstances and strict compliance with the three-year limit is an undue hardship.

G. Pursuant to Malibu Municipal Code Section 17.060.020(C), property owners, wishing to rebuild nonconforming structures and uses damaged or destroyed in the Woolsey Fire, shall initiate the planning process by November 8, 2021. Said property owner submitted a time extension request to the Planning Department in a timely manner.

H. On November 30, 2021, the property owner submitted a planning verification to remedy said code violation, however, City staff is unable to act on the application until said extension request is approved by the Planning Commission.

I. On February 7, 2022, the Planning Commission considered the time extension request and directed staff to come back with a resolution to grant a one-year time extension request to submit a planning verification.

SECTION 2. Environmental Review.

Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA), the Planning Commission determined the project to be categorically exempt pursuant to CEQA Guidelines Section 15061(b)(3), which exempts those activities for which it can be seen with certainty that there is no potential to result in significant environmental effects. This Resolution is merely extending the time an applicant has to submit a planning verification for nonconforming structures and uses damaged or destroyed by the Woolsey Fire. Further, this act is not a “project” pursuant to CEQA Guidelines Section 15378(b)(5), which provides that organizational and administrative activities of governments that will not result in physical environmental impacts are not CEQA projects.

SECTION 3. Planning Commission Action.

Based on the substantial evidence in the record, the Planning Commission finds that, due to unusual circumstances, strict compliance with the three-year time limit imposed by Malibu Municipal Code Section 17.60.020 would create an undue hardship. The recitals above are adopted hereon, and the property owner has demonstrated to the satisfaction of the Planning Commission the necessity of a time extension to initiate the planning application process. The Planning Commission, having considered the staff report, all written correspondence and oral testimony presented at the public hearing, hereby grants the property owner a two-year time extension to submit a planning verification to rebuilding non-conforming uses or structures destroyed or damaged in the Woolsey Fire. Said planning verification shall be submitted by November 8, 2022.

SECTION 4. The Planning Commission shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 7<sup>th</sup> day of March, 2022.
