Supplemental Council Agenda Report

To: Mayor Uhring and the Honorable Members of the City Council

Prepared by: Susan Dueñas, Public Safety Director

Approved by: Steve McClary, City Manager

Date prepared: January 2, 2024 Meeting date: January 8, 2024

Subject: Emergency Purchase of Lidar Speed Guns

RECOMMENDED ACTION: Receive and file a report on an emergency purchase of lidar speed guns for traffic enforcement services.

FISCAL IMPACT: No additional appropriation is required. Funding for this project is included in the Adopted Budget for FY 2023-24 in Account No. 100-7021-6160-00 (Operating Supplies).

STRATEGIC PRIORITY: This item is part of the day-to-day operations identified in the Adopted FY 2023-24 Strategic Priority Project List.

DISCUSSION: The purpose of this report is to update the number and cost of the lidar speed guns that were purchased. After posting the agenda, the purchase order was increased from (4) speed guns costing $27,960.68 to (6) speed guns costing $41,941.01. In preparing to establish the California Highway Patrol (CHP) Traffic Safety Task Force, staff was informed that CHP officers do not always have access to a speed gun. Therefore, two additional speed guns were added to the purchase order. The Los Angeles County Sheriff's Department (LASD) will hold the additional speed guns and CHP will borrow them from LASD when they are unable to access one from their agency.

ATTACHMENTS: None.
