Guide to the City Council Proceedings

The Oral Communication portion of the agenda is for members of the public to present items, which are not listed on the agenda but are under the subject matter jurisdiction of the City Council. No action may be taken under, except to direct staff, unless the Council, by a two-thirds vote, determines that there is a need to take immediate action and that need came to the attention of the City after the posting of the agenda. Although no action may be taken, the Council and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to three (3) minutes. Members of the public may speak during the meeting in-person or through the Zoom application. In order to participate remotely, you must be present in the Zoom Webinar during the item that you would like to speak on and use the Raise Hand feature to request to speak when the Mayor calls the item. In order to participate in-person, each speaker must complete and submit to the Recording Secretary a Request to Speak form *prior* to the beginning of the item being announced by the Mayor. In person participants may surrender their time by deferring one (1) minute to another speaker, not to exceed a total of eight (8) minutes. The speaker wishing to defer time must be present when the item is heard and their form must be submitted with the speaker form for the individual they are deferring time to. Speakers are taken in the order slips are submitted or hands are raised.

Items in Consent Calendar Section A have already been considered by the Council at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

Items in Consent Calendar Section B have not been discussed previously by the Council. If discussion is desired, an item may be removed from the Consent Calendar for individual consideration. Councilmembers may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from the Consent Calendar will be taken up by the Council following the action on the Consent Calendar. The Council first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication

For Public Hearings involving zoning matters the appellant and applicant will be given 15 minutes each to present their position to the City Council, including rebuttal time. All other testimony shall follow the rules as set forth under Oral Communication.

Old Business items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.

Items in New Business are items, which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.

City Council Items are items, which individual members of the City Council may bring up for action, to propose future agenda items or to suggest future staff assignments.

No new items will be taken-up after 10:30 p.m. without a two-thirds vote of the City Council.
