City Council Meeting
04-24-25
Item 1.A.

Council Agenda Report

To: Mayor Stewart and the Honorable Members of the City Council

Prepared by: Rob DuBoux, Public Works Director

Approved by: Joseph D. Toney, Acting City Manager

Date prepared: April 21, 2025 Meeting date: April 24, 2025

Subject: Wastewater Treatment for Fire Rebuilds

RECOMMENDED ACTION: Receive a presentation on the options for sewer and septic systems for beach-front properties in the area damaged by the Palisades Fire and provide direction to staff.

FISCAL IMPACT: There is no fiscal impact associated with the recommended action. Any budgetary considerations resulting from discussion or direction will be brought to the City Council for separate review and approval as needed.

DISCUSSION: On April 10, 2025, the City Council had a preliminary discussion on the feasibility of installing a sewer system in the eastern end of the city and directed staff to bring back more information on the options for sewer and septic systems for beach-front properties in the burn area. The options include connection to the Civic Center Water Treatment Facility, connection to Las Virgenes' Tapia Water Reclamation Facility, connection to a new wastewater treatment facility, connection to Hyperion Water Reclamation Facility, and replacing the septic systems. Staff will present information on the cost and timeline for these options at the April 24, 2025 Work Session.
