Council Agenda Report

To: Mayor Silverstein and the Honorable Members of the City Council

Prepared by: Kelsey Pettijohn, City Clerk

Approved by: Joseph D. Irvin, City Manager

Date prepared: July 27, 2026 Meeting date: August 10, 2026

Subject: Resolution Extending the Declaration of the Existence of a Local Emergency Regarding the Palisades Fire

---

RECOMMENDED ACTION: Adopt Resolution No. 26-58, extending the declaration of the existence of a local emergency in response to the Palisades Fire.

FISCAL IMPACT: There is no fiscal impact associated with the recommended action. The existence of the local emergency will potentially help qualify the City and its residents for reimbursement for certain disaster response expenditures.

STRATEGIC PLAN IMPLEMENTATION: This item supports the City's 2025 Strategic Plan Goal 1 - Support Community Rebuilding and Long-Term Recovery.

DISCUSSION: On January 7, 2025, the Palisades Fire started in or around Pacific Palisades and was driven into City limits by a historic Santa Ana Wind event causing hurricane-strength winds in neighboring areas and the City. The strong Santa Ana Winds have created difficulties mitigating the fire and impaired the ability of airborne fire-fighting. The fire combined with high winds and power outages created conditions of extreme peril to the safety of persons and property

On January 14, 2025, the City Council adopted Resolution No. 25-01, confirming the existence of a local emergency and ratifying the Proclamation of Existence of a Local Emergency.

On May 23, 2025, Pacific Coast Highway was opened to the public, and the California National Guard demobilized, leaving fire-impacted neighborhoods vulnerable as an influx of visitors began entering the city. Areas affected by disasters frequently become targets

of criminal activity, including the burglary of uninhabited homes and businesses due to damage and the theft of building materials during the reconstruction process.

The fire caused major disruptions to Malibu's commercial areas, with many businesses experiencing temporary closures, reduced access, severe revenue losses, and some being completely devastated. Because local businesses provide essential services, jobs, and economic stability, the City finds that supporting their recovery is critical. Providing targeted assistance, such as small business grant funding, coordination with state and federal resources, and other temporary relief measures is needed to help affected businesses reopen, rebuild, and recover Malibu's local economy.

Government Code Section 8630 requires that the City Council review the need for continuing a local emergency at least once every 60 days until the City Council terminates the local emergency.

As such, City staff recommends adopting Resolution No. 26-58 extending the declaration of the existence of a local emergency. If adopted, the City Council will review, and as needed renew, this action at least every 60 days.
