Woolsey Fire - Disaster Assistance

Los Angeles County, in partnership with the US Department of Homeland Security, Federal Emergency Management Agency (FEMA), and California Governor's Office of Emergency Services (CalOES), has opened two Disaster Assistance Centers (DAC) in Agoura Hills and Malibu. The DACs provide a central location where individuals, family members, and business owners affected by the fire can talk to government and non-profit agencies that can help them begin the recovery process and access needed services, resources, and support from a variety of public and non-profit agencies.

DISASTER ASSISTANCE CENTER FOR WOOLSEY FIRE VICTIMS

The DAC is regularly open Monday through Saturday, and is closed on Sundays and holidays. It is anticipated the DAC will remain open until December 12 (based on demand).
