1

Cross Creek Road and Civic Center Way

*How can new development reflect the Malibu character?
Do the buildings along Civic Center Way reflect the scale of
desired future development?*

2

Malibu Country Mart Courtyard

*What kind of open space and architecture should be promoted
in the Civic Center District?*

3

Malibu Village and Malibu Creek

*How might unique ecosystems be incorporated into the built
fabric? What are your impressions of the scale and style of this retail
center?*

4

Malibu Lumberyard and PCH

*How can the Civic Center connect across PCH? What kind of
landscape improvements and streetscape improvements should
be encouraged in the Civic Center District?*
