Dear Gentlemen,

Pursuant to your request, presented herein is a geologic and geotechnical engineering update of the site conditions. Based on the provided plans, no significant geologic or geotechnical changes were observed. The recommendations in our previous report should be followed. Final plans should be reviewed and manually signed by GeoConcepts, Inc.

Should you have any questions regarding this report, please do not hesitate to contact the undersigned at your convenience.

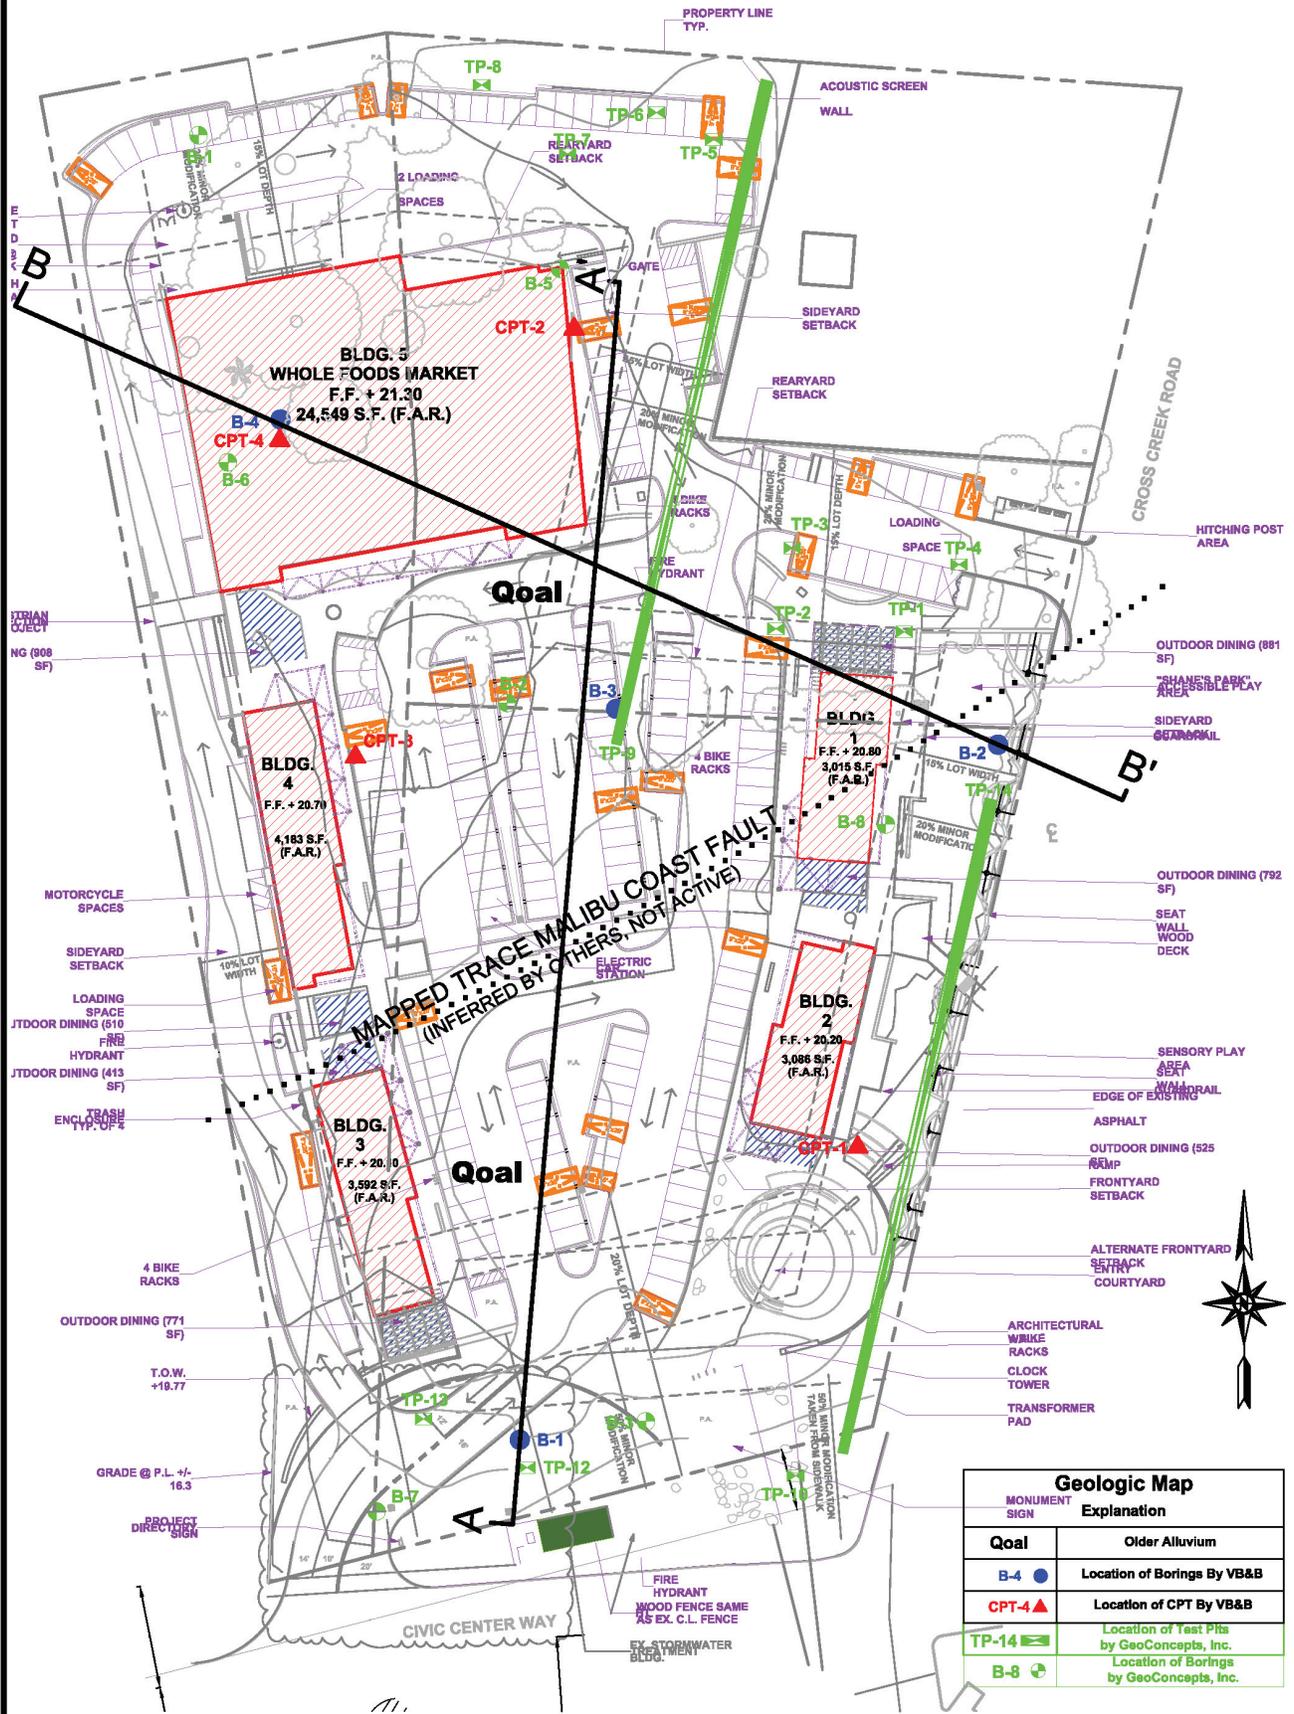

Respectfully submitted,  
GeoConcepts, Inc.
