This map was prepared using a variety of sources, including ESRI data, aerial photographs, and various other data sets. All data contained herein is subject to error or omission. The data contained herein is for reference only and should not be used for construction.

**CT refers to signs authorized in Caltrans work orders but not found in the field
**Compromised Red refers to faded/chipped, painted over, illegal or otherwise compromised from clearly red where parking is obviously prohibited.
This map was prepared using a variety of sources, including GIS data. A qualified photogrammetrist prepared aerial photography with field verifications. Moreover, some maps use survey points as a starting point and are not intended to replace a survey by the California Division of Weights and Measures. The data contained herein is for reference only and should not be used for construction.
