CHUMASH DAY EVENT

The 21st Annual Chumash Day Powwow and Intertribal Gathering will take place on Saturday, April 13 and Sunday, April 14 at Malibu Bluffs Park from 10:00 AM to 6:00 PM. The grand entrance will take place on Saturday beginning at 12:30 PM and various food and craft vendors will be available throughout both days as we celebrate Native American culture and history here in Malibu. A free shuttle will be available at Webb Way and Civic Center Way due to limited parking in the area. For more information, visit the [Chumash Day event page](#).

MALIBU COMMUNITY POOL

The pool is scheduled to reopen on Saturday, April 13. The pool was closed Friday, April 5 through Tuesday, April 9 to perform emergency plumbing repairs. The pool was previously scheduled to be closed on Wednesday, April 10 through Friday, April 12 for routine maintenance of the chlorine pump. City Staff is working with the SMMUSD to ensure that the water is properly tested and at appropriate levels before reopening.

SENIOR CENTER MOTHER'S DAY EVENT

The Community Services Department has been putting the finishing touches for the Senior Center Mother's Day Event which will include the Kaleidoscope Chamber Orchestra and Malibu Poet Laureate Ellen Reich. The event will begin with live poetry readings and engagement with the audience to unite families, friends and neighbors in honor of Mother's Day. The evening will continue with uplifting classical music by Kaleidoscope, a conductor-less chamber orchestra dedicated to enriching lives through exhilarating concert experiences, artistic excellence and musician leadership. The event will take place at Malibu City Hall on Saturday, May 11 at 5:00 PM.

SUMMER SURF CAMP

Registration opened on Monday, April 1 for the Community Services Department's Summer Day Camps. All seven sessions of the Surf Camp were full within 45 minutes of opening with active

waitlists already filling up for each week. 126 participants are currently registered for the program.

EQUESTRIAN PARK

The park reopened to the public on Monday, April 8 after the removal of several large trees which were damaged by the fire scheduled. Other minor work will continue throughout the park in the upcoming weeks, but the park is officially open.

PARKS AND RECREATION COMMISSION SPECIAL MEETING

The Parks and Recreation Commission toured Bluffs and Legacy Parks and the two vacant properties in the Civic Center as part of their annual Parks Tour on Wednesday, March 27. The Commission expressed interest in moving forward with discussions about establishing a location for a permanent skate park facility. This item will be added to a future agenda for Commission consideration.

GROUND RODENT AND RAPTOR MONITORING PROGRAM

Staff began a Ground Rodent and Raptor Monitoring Program for Bluffs and Legacy Parks on Wednesday, April 3. The program will monitor ground rodent and raptor activity within the parks throughout the summer and will gauge the effectiveness of the upcoming installation of raptor posts and owl boxes. Staff has been working with the Ojai Raptor Center over the past month to select potential locations for the post and boxes which staff hopes will alleviate damage being caused by the ground rodents. The owl boxes were delivered this week and the posts will be installed over the next month.

HOMELESS OUTREACH

A homeless encampment in Legacy Park was removed this week and cleaned after an extensive outreach effort with the individuals who were camping there. Three of the seven individuals who were contacted there are now accepting housing placement services. The clean-up was a cooperative effort with the City of Malibu and the Los Angeles County Sheriff's Department Community Partnership Bureau.

FEMA FLOODPLAIN MAP APPEAL

On April 8, 2019, the City submitted a response to FEMA's November 8, 2018 comments to the City's appeal of floodplain maps. [View all of the background information on this matter.](#)

FARMER'S MARKET TEMPORARY PARKING

The City is working with the Cornucopia Foundation and the County to process a Conditional Use Permit (CUP) amendment application to address the temporary changes to the market (including temporary parking) during construction of the Santa Monica College Satellite Campus in the Civic Center and the final permanent market configuration and operation after construction is finished.

POINT DUME ELEMENTARY/SMMUSD REALIGNMENT PROJECT

The Planning Commission will hold a special meeting on Monday, April 29 to consider the Coastal Development Permit (CDP) and CUP applications for the Point Dume Elementary/SMMUSD Realignment Project. The agenda report will be distributed on Friday, April 19.

SCE VEGETATION MAINTENANCE

The City continues to coordinate with SCE to ensure that its Vegetation Maintenance Plan does not violate the Local Coastal Program (LCP) native tree and Environmentally Sensitive Habitat Area (ESHA) protections, while making sure this important maintenance work is not unreasonably delayed. The City is also coordinating with Los Angeles County Planning on this matter.
