Woolsey Fire Rebuild Workshops

The Malibu Planning Department is holding two Rebuild Workshops and Consultations. The first workshop was held on March 28 and had over 150 attendees. The second workshop will be held on Sunday, March 30 at 2:00 pm at Malibu City Hall. Representatives from all the City departments of Planning, Building Safety, Geology, Biology, Public Works and Environmental Health as well as other agencies, including the L.A. County Fire Department, Waterworks District 29 and Southern California Edison will be participating. Each workshop include open counter hours staffed by each department or agency for one-on-one project-specific consultations. No appointments are necessary. Video of both workshops will be available to view on [the City's Youtube channel](#). Learn more about the [Rebuild Workshops](#).

Woolsey Fire Rebuilding Updates:

- The FIRST Fire Rebuild Building Permit for a single-family home has been issued.
- The City's Building and Safety Department has issued 40 permits for fire related repairs.
- The City's Planning Department has issued 50 planning approval for fire rebuilds.
- The State Sponsored Debris Removal Program continues to remove fire debris from properties.
- You can track the progress of the State Sponsored Debris Removal Program on [CalRecycle's online dashboard](#).

Fire Debris Removal Is Underway at Locations in Malibu

Fire debris removal under the California state-sponsored program is underway on the following locations during the week of March 25-29: Beach View Estates Dr (City of Malibu), Corral Canyon Rd (LA County), Decker Edison Rd (City of Malibu), Foxview Dr (City of Malibu), Murphy Way (City of Malibu), Newton Canyon Rd (LA County), Selfridge Dr (City of Malibu). Every week, the City posts the debris removal locations at www.MalibuCity.org/DebrisLocations.
