## FOURTH OF JULY FIREWORKS AND HOLIDAY PARK HOURS

Fireworks are prohibited in the City of Malibu. The Los Angeles County Fire Department issued permits for professional fireworks displays to be launched from barges off the Malibu coast in the vicinity of Paradise Cove and Malibu Colony, Thursday, July 4, 2019. All City parks and the Michael Landon Center at Bluffs Park will be open regular hours, 8:00 AM to sunset on July 4 and through the weekend. Grills and BBQs are not permitted in City parks. Information on permitted fireworks displays and holiday hours is listed on [the website](#).

## CONSTRUCTION PROHIBITED ON HOLIDAYS

[Malibu Municipal Code Section 8.24.050\(G\)](#) prohibits construction or operation of tools or equipment used in construction, including fire debris removal, on July 4, which is a City holiday.

## FEE WAIVERS FOR WOOLSEY FIRE REBUILD PROJECTS

The City Council approved waiving fees on June 24 for residents who are rebuilding their homes destroyed in the Woolsey Fire. The waiving of 100% of fees applies to November 8, 2018 through June 30, 2020 for “like for like” and “like for like” plus 10% projects to rebuild primary residences, and applies retroactively to people who have already paid permitting fees. To find out if your project qualifies, or to apply for fee waivers retroactively, email Aundrea Cruz at [acruz@malibucity.org](mailto:acruz@malibucity.org) or call 310-456-2489, ext. 379.

## FIRE REBUILD STATISTICS ONLINE PORTAL

The City has created an [interactive online portal](#) that shows statistics on Woolsey Fire rebuilding activities in an effort to keep the community and partner agencies updated on the rebuild progress. The information is updated daily, and tracks progress of all of the various types of permits related to rebuilding Malibu homes destroyed in the fire, and it plots rebuild projects on an interactive map.

## WOOLSEY FIRE DEBRIS REMOVAL UPDATE

CalOES/CalRecycle is currently [clearing Woolsey Fire debris](#) from the last of the properties in the City of Malibu that opted in to the state-sponsored program.

## GUIDANCE FOR POST-WOOLSEY FIRE REBUILDING OF SEPTIC SYSTEMS

The City created [a handout](#) to offer guidance to residents on how to properly replace or repair their septic systems (Onsite Wastewater Treatment System, or OWTS).

## EARTH FRIENDLY MANAGEMENT POLICY & DUMPSTER ENFORCEMENT PROGRAM

The City Council adopted an [Earth Friendly Management Policy](#) as well as a [Dumpster Enforcement Program](#) during the Council meeting on Monday, June 24 in order to protect the environment, wildlife and public health from rodenticides, pesticides and other toxins.

## HOUSING ELEMENT - JULY 8 CITY COUNCIL MEETING

The City Council will consider adoption of the Coastal Commission's suggested modifications to the Local Coastal Program (LCP) amendment to implement the Housing Element of the General Plan that the City Council approved in 2014 and to the LCP amendment to update the LCP Public Access Map approved by the City Council on October 22, 2018. The Housing amendment brings the City's codes into compliance with state law and includes placing the Affordable Housing Overlay on three sites, one of which is the La Paz property (Parcel C). Placement of the overlay does not require that affordable housing be developed in these locations. Instead, it adds "affordable housing" to the other uses already allowed by the zoning for those sites. For more information, see the [Housing Element webpage](#) and [staff report](#).
