RE: Memorandum of Understanding (MOU) Quarterly Progress Report
Malibu Civic Center Water Treatment Plan

Dear Renee:

The following is the quarterly progress report for the Malibu Civic Center Water Treatment Plan, which covers work activities performed on this project during the period between April 1, 2019 and July 31, 2019. To date, the City continues to make progress on all MOU Milestone requirements.

Below is a list of work activities performed during the last quarter:

- Staff advertised a Request for Qualifications (RFQ) for the design of the Civic Center Water Treatment Facility, Phase 2.

- Staff conducted consultant interviews on June 4, 2019 for the design of the Civic Center Water Treatment Facility, Phase 2

- Staff will be entering into an agreement with Woodard and Curran in August 2019.

- The City’s water quality monitoring consultant, Rincon Consultants, continues to collect baseline background data for the project’s Groundwater and Surface Water Monitoring Programs.

- Staff continues to provide regular updates of the project to the City Council.

During this last quarter, staff issued an RFQ for the design of the Civic Center Water Treatment Facility, Phase 2. Consultant interviews were conducted on June 4, 2019 and Woodward and Curran was selected the most qualified. Woodard and Curran acquired RMC Water and Environmental (RMC) in November 2016. RMC previously designed the Civic Center Water Treatment Phase 1. Staff will be presenting the agreement with Woodard and Curran to the Malibu City Council on August 12 for final approval.

The City continues to implement the groundwater and surface water monitoring programs as required by the project permits. The second quarter 2019 water monitoring report was recently sent to you via email.

Sent via Email to renee.purdy@waterboards.ca.gov
completed and submitted to the RWQCB. Staff will continue to hold regular meetings with stakeholders, the City’s Public Works Commission, and the City Council, as needed, to keep them informed of the progress of the project.

If you have any questions, or require additional clarification, please do not hesitate to contact me at (310) 456-2489, extension 339, or rduboux@malibucity.org.

Sincerely,

Rob DuBoux, Esq. PE
Public Works Director/City Engineer
