RE: Memorandum of Understanding (MOU) Quarterly Progress Report
Malibu Civic Center Water Treatment Plan

Dear Renee:

The following is the quarterly progress report for the Malibu Civic Center Water Treatment Plan, which covers work activities performed on this project during the period between January 1, 2020 and March 31, 2020. To date, the City continues to make progress on all MOU Milestone requirements.

Below is a list of work activities performed during the last quarter:

- Woodard and Curran, the design consultant for Civic Center Water Treatment Facility, Phase 2 (Phase 2), continued to work on the preliminary design of the project.
- The City's water quality monitoring consultant, Rincon Consultants, continues to collect baseline background data for the project's Groundwater and Surface Water Monitoring Programs.
- Staff continues to provide regular updates of the project to the community, Public Works Commission, and City Council.

During this last quarter, Woodard and Curran continued to work on the preliminary design for the project. This work included performing an alternative analysis of the wastewater collection system and the recycled water distribution system. Woodard and Curran submitted draft technical memorandum to the City for review. The technical memorandums will be used to create the Preliminary Design Report. A Preliminary Design Report is expected to be completed by the end of May 2020.

The City continues to implement the groundwater and surface water monitoring programs as required by the project permits. The first quarter 2020 water monitoring report was recently completed and submitted to the RWQCB.

During this last quarter, the COVID-19 pandemic and Governor Newsom's Stay at Home order has had a major impact to the City. However, the City and its consultant continued to work on the design of the project. The City is closely monitoring the situation and will notify the RWQCB if there are any major concerns regarding any upcoming MOU deadlines.

If you have any questions, or require additional clarification, please do not hesitate to contact me at (310) 456-2489, extension 339, or rduboux@malibucity.org.

Sincerely,

Rob DuBoux, Esq. PE
