On November 23, 2020, the City Council adopted Ordinance No. 472, the Hosted STR Ordinance, to establish provisions to regulate short-term rental of property citywide which include, but are not limited to, requiring the presence of an onsite host during short-term rentals, primary residency requirements and multifamily restrictions. The Hosted STR Ordinance is intended to supersede the short-term rental regulations and permit program currently in place. The Hosted STR Ordinance regulations cannot go into effect until the associated amendments to the City's Local Coastal Program and Land Use Plan are certified by the California Coastal Commission (CCC). In September 2021, the CCC voted to extend the time limit to schedule the public hearing and take action on the City's proposed amendments until June 29, 2022 but may act earlier. **Current STR permits will no longer be valid once the new STR Ordinance becomes effective and a new permit will need to be obtained. Initials: \_\_\_\_\_**

As of January 1, 2023, in order obtain a STR permit, property owners will need to either: (1) have obtained a valid Onsite Wastewater Treatment System (OWTS) operating permit for the property that is to be rented as a STR pursuant to Chapter 15.44; or (2) have entered a compliance agreement with the City excusing such compliance and be in full compliance with the compliance agreement and not in default or breach. I understand that If the property is not in compliance by January 1, 2023, the STR permit will become invalid. STR permit holders are encouraged to submit documentation of a valid operating permit or compliance agreement by December 1, 2022. **Property owners who do not have an OWTS permit for the property where the STR is located are encouraged to contact City staff now so they can begin the process to obtain the required OWTS permit or compliance agreement. Obtaining either of these requirements can take six-plus months or longer. Initials: \_\_\_\_\_**

**I understand and agree that I am responsible for any and all violations or illegal activity that occur on my property during a period where it is rented on a short-term basis, whether committed by myself, my agent, a guest, or any other person. Such violations may result in substantial fines, the loss of my short-term rental permit, criminal penalties, or other significant action. I have read Malibu Municipal Code Section 17.55 and accept the obligations imposed on me by that Section and will act so as to ensure that no violations occur on the Property.**
