Discover the City of Malibu's Excellent Summer Recreation Offerings in the Online Recreation Guide and Newsletter

(Malibu, CA) – The City's Summer 2021 Recreation Guide and City Newsletter is available online starting Friday, May 14 at MalibuCity.org/CommunityServices. The Guide is now completely digital, and is meant to help the community enjoy the City's many excellent programs and parks. The Guide also includes informative articles and contact information for City departments and services.

"For years, the City has been offering a wide variety of high-quality, professionally run educational, sports, artistic and cultural programs, camps and events," said Mayor Paul Grisanti. "During the pandemic, these programs have become more important than ever to the community's wellbeing and I am proud that we have been able to continue offering them. I encourage everyone in Malibu to check out the new recreation guide."

Accessing the guide online, residents can see upcoming City programs offered June through August, including Summer Day Camps, Learn to Swim Lessons, and Outdoor Senior Fitness Programs as well as program schedules, descriptions and rules. Registration for Summer Programs opens on Monday, May 17 at 8:00 AM at MalibuCity.org/Register.

In response to COVID-19, a limited number of Community Services programs will be available with safety protocols in place. All programs will follow current Los Angeles County Department of Public Health Safety Guidelines and Protocols.

For ongoing, up-to-date information on Community Services programs, visit MalibuCity.org/Aquatics, Malibucity.org/CommunityClasses, and the Virtual Recreation Center at MalibuCity.org/VirtualRec.
