(NEW) LA COUNTY OFFERS A CHANCE TO WIN SEASON TICKETS TO LA SPORTS TEAMS TO PROMOTE COVID-19 VACCINATIONS

In order to beat the pandemic, it is crucial to get as many people as possible vaccinated. The County of Los Angeles is working to motivate more people to get vaccinated by offering a chance to win season tickets to the Los Angeles Chargers, Los Angeles Rams and the L.A. Clippers for people who get vaccinated between June 11 and 17. Learn more on the [Department of Public Health website.](#)

LIVE FUEL MOISTURE UPDATE

Live Fuel Moisture (LFM) is an important component in determining critical fire danger and Red Flag Conditions (high fire danger). LFM is defined as the percentage of water content to dry matter content in live vegetation. Live Fuel Moisture can be as high as 200%, and 60% is considered critical in terms of fire risk. The Los Angeles County Fire Department Forestry Division conducts sampling approximately every two weeks and posts the results [online](#). LFM was last measured on May 15 and is currently 91%, a reduction of approximately 7% since it was last measured. LFM is currently about the critical marker, however, it is approximately 35% lower than this time last year.

WILDFIRE SEASON PREPAREDNESS - SCHEDULE YOUR HOME WILDFIRE HARDENING ASSESSMENT

As part of Malibu's ongoing efforts toward community-wide wildfire preparedness, the City continues to offer its no-cost Home Ignition Zone Assessment Program with Fire Safety Liaison Chris Brossard. Chris will visit your home and give you a checklist of simple, often inexpensive steps you can take to harden your home against flying embers, a major cause of homes igniting during wind-driven wildfires like the Woolsey Fire. To schedule an appointment or for help with wildfire preparedness, email Firesafety@malibucity.org or call 310-456-2489, ext. 387 or [visit the Fire Safety webpage.](#)
