Regarding: First Quarter 2021 Monitoring Report for the Ground Water Treatment on Malibu Development Company, LLC at La Paz Ranch 23465 Civic Center Way, Malibu, CA; NPDES CAG994004, Compliance File No. CI-10490 (Order No. R4-2018-0125)

Dear Sir or Madam:

Permission was given on **July 19, 2019** for discharge of extracted groundwater through a water treatment system.

This report covers pumping and treatment period of **January – March 2021**.

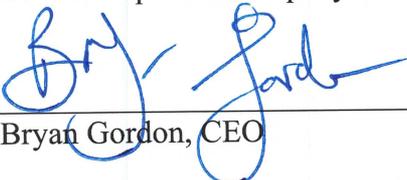

On **February 18, 2021** the groundwater treatment system was turned on and put into recirculation in order to obtain the first effluent sample to determine NPDES permit compliance. Effluent discharge of treated groundwater commenced on **March 17, 2021**.

There are no instances of non-compliance to report for this reporting period.

I declare under the penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who managed the system of those directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Sincerely,

Malibu Development Company LLC
