City of Malibu Welcomes Seniors Back to the Senior Center

(Malibu, CA) – The City of Malibu is proud to welcome Malibu’s seniors back to the Senior Center for general drop-in use as of July 12 as part of the reopening of City Hall to the public.

“The Senior Center at Malibu City Hall is a vital hub where elders in our community can socialize, stay in touch with the community and stay active, healthy and engaged,” said Mayor Paul Grisanti. “During the pandemic, seniors have faced multiple challenges of being highly vulnerable to COVID-19 and of becoming isolated while staying safe at home. It’s really good news that we can reopen the Senior Center for some services and offer safe, outdoor programs for seniors until we can offer all of our excellent programs indoors.”

As of July 12, the Senior Center is open for general drop-in use following Los Angeles County Department of Public Health COVID-19 safety protocols. Face coverings are required in Malibu City Hall. Seniors have access to all general use areas of the center, such as the computer lab and library, Monday through Friday, 9:00 AM to 4:00 PM. Staff is also available to assist with Dial-A-Ride questions and program registrations. In-door Senior Programs are tentatively scheduled to resume in September, pending Los Angeles County Department of Public Health Guidelines.

The City’s outdoor programs for seniors include Senior Fitness Fridays, every Friday at Malibu Bluffs Park, where seniors can feel the ocean breeze and enjoy expansive views of the Malibu coastline while getting fit. Stretch and Strength is offered at 11:00 AM and Pilates is at 12:15 PM. Register online at www.MalibuCity.org/Register.
