City of Malibu

Request for Proposals for Homeless Outreach Services

Due: Friday, May 20, 2022

INTRODUCTION

The City of Malibu is requesting written proposals from qualified homeless service providers to provide outreach, emergency and interim housing options, and housing navigation services for homeless individuals and families in the Malibu community.

BACKGROUND

The City of Malibu (City) is a coastal city located in the northwestern portion of Los Angeles County, California, along 21 miles of the Pacific Ocean and has a population of approximately 13,000. The City is a general law city incorporated under California law in 1991. It operates under the Council/Manager form of government and is considered a contract city. The five Members of the City Council are elected at-large. They serve staggered four-year terms, with the Mayor being selected from among the Councilmembers. The City covers approximately 21 miles along the coast and offers a full range of municipal services. The City has 87 full-time employees and 26 full-time equivalent part-time employees. The City, organized into seven departments, provides a number of services in-house, including management and administrative services, building safety, community services, environmental sustainability, planning, public works and engineering. Police and fire services are provided via contract with Los Angeles County. Other services, such as the City Attorney, water, street maintenance and garbage collection services, are also provided via contract or from Los Angeles County. The City's Adopted Fiscal Year 2021-2022 General Fund Operating Budget is \$38.7 million and the City's Overall Operating Budget is \$84.9 million.

According to the 2021 Homeless Count conducted by the Malibu Homelessness Working Group, the number of homeless individuals living in the City was approximately 157. The numbers from the 2022 Homeless Count are currently pending from the Los Angeles Homeless Services Authority (LAHSA) and will be available this summer. In addition to the humanitarian crisis of homelessness itself, the impact on residents and the environment generates numerous calls for service to the Sheriff's Department and the City. Most of the homeless in the City congregate around or near areas that are heavily used by families, including the County Library, Zuma Beach, Malibu Bluffs Park, and grocery stores. Encampments that are on or near these areas lack proper sanitation and pose public health issues for both the homeless individuals and the community at large. Encampments located in brush areas also pose a significant fire threat. In 2020, there were two brush fires that were caused by warming/cooking fires and, in 2021, there were twenty-three fires caused by homeless individuals.

To assist people experiencing homelessness and to help mitigate some of the negative impacts on the community, a local non-profit raised funds to hire a homeless outreach team in 2016. The City assumed responsibility for this contract beginning in 2017 and expanded this effort in 2019 to include a full-time Housing Navigator. This team has successfully moved over 100 individuals off the streets of Malibu; therefore, the City is committed to continuing this effort.

In 2017, the City received a Planning Grant to develop a Homelessness Strategic Plan, which was adopted by the City Council in June 2018. The Plan strives to balance the need to assist homeless individuals with the need to maintain public safety. The Plan also established the Malibu Homelessness Working Group to oversee the implementation of the Plan.

On February 25, 2021, the City Council held a Special City Council meeting to discuss the current state of homelessness in the City, recent efforts, and new strategies. As a result of this meeting, the City reconfirmed its commitment to offering outreach services and began looking at additional strategies, including partnering with other jurisdictions to expand services and establish a shelter of some type.

On July 21, 2021, the City Council held another Special City Council meeting where a Homelessness Task Force and its Charter were established. The Charter lists a comprehensive set of goals to guide the City's ongoing efforts to address homelessness, including a review of the Homelessness Strategic Plan, a review of the possible implementation of an Alternative Sleeping Location (ASL), and the development of a plan to mitigate public safety and environmental impacts related to homeless encampments.

On October 19, 2021, the Homelessness Task Force formed an Emergency and Temporary Services Ad Hoc Committee to explore the feasibility of establishing an ASL within or near the City. After reviewing publicly available information derived from many sources, discussions with subject matter experts, and site visits to existing ASLs implemented by other jurisdictions, the Ad Hoc Committee compiled its findings into an ASL Recommended Action Plan (Action Plan). The Action Plan outlines a set of robust strategies to potentially establishing an ASL(s), which can be in one of many forms, while taking public safety, neighboring impacts, and its transitional, interim nature into account as key to building greater self-reliance among participants. The Action Plan's implementation is ongoing and will shape the City's homelessness efforts moving forward. The City's Public Safety Office, the Sheriff's Department, the Las Virgenes–Malibu Council of Governments (COG) Outreach Coordinator, and the existing homeless service provider will continue to triangulate outreach efforts to ensure homeless individuals receive assistance in a comprehensive manner.

SCOPE OF WORK

The City is requesting written proposals from qualified homeless service providers to provide outreach, emergency and interim housing options, and housing navigation services for homeless individuals and families in the Malibu community for a period of two fiscal years beginning July 1, 2022 (through June 30, 2024).

The professional services provider will be required to perform the following:

- 1) Provide and manage two outreach workers to engage and assess the needs of homeless individuals in the Malibu area and connect them with, or provide referrals to, housing services and resources in Malibu, Service Planning Area (SPA) 5, and/or the greater Los Angeles area.

- 2) Administer the Vulnerability Index – Service Prioritization Decision Assistance Tool (VI-SPDAT) and other needed assessments, and link individuals with the services they need in order to acquire permanent housing and increase and maintain health and well-being, including interim housing, mental health care, medical care, substance abuse treatment, wellness/life skills programs, and income assistance.
- 3) Provide and manage a housing navigator whose services include but are not limited to provision of individualized client support by developing ongoing plans to address their barriers to housing, increase their income, and maintain and sustain permanent housing. The housing navigator will work with landlords both within and outside of Malibu to promote and encourage the acceptance of housing vouchers and will continuously work with City staff to maximize local and neighboring housing resources, including a potential ASL within or outside of Malibu.
- 4) Work with Los Angeles County and other service providers to ensure emergency and interim housing resources are readily accessible to homeless individuals from Malibu in accordance with the agency's normal practices, policies, and procedures. Transition individuals into interim and permanent supportive housing as quickly as possible.
- 5) Make available all permanent housing options appropriate for each person, including but not limited to housing placement through the SPA 5 Coordinated Entry System, Los Angeles County Department of Health Services Housing for Health (HFH), housing through the Los Angeles County Department of Mental Health, Housing Authority of the County of Los Angeles (HACoLA), licensed care facilities, and reunification with family and friends in other communities.
- 6) Work to ensure that all veterans who are found to be among the homeless population in the Malibu area will be connected as swiftly as is reasonably practicable with housing and support services funded through the Veterans Administration and other entities providing resources and services for veterans.
- 7) Provide a monthly report that includes information about the number of contacts, repeat contacts, and clients that have been placed in temporary, interim or permanent housing, and use this data to inform strategic decision-making, demonstrate program success, and highlight homelessness service efforts. The report and other findings will be discussed during regularly scheduled monthly meetings with City staff and appropriate partners.
- 8) Participate in community meetings and events related to homelessness to provide insight and gain knowledge about areas and individuals that could require assistance.
- 9) Be available to respond to calls from the Malibu community about specific homeless individuals during normal working hours, generally Monday through Friday, from 8:00 AM to 5:00 PM. The team will also work closely with the City's Public Safety Office, the Sheriff's Department, and Los Angeles County Fire Department and

Paramedics to help ensure smooth coordination and referral for clients who make contact with public safety or emergency personnel.

Should City in its sole discretion find Consultant's legal counsel unacceptable, then Consultant shall reimburse the City its costs of defense, including without

limitation reasonable attorneys fees, expert fees and all other costs and fees of litigation. The Consultant shall promptly pay any final judgment rendered against the City (and its officers, officials, employees and volunteers) with respect to claims determined by a trier of fact to have been the result of the Consultant's negligent, reckless or willful misconduct. It is expressly understood and agreed that the foregoing provisions are intended to be as broad and inclusive as is permitted by the law of the State of California and will survive termination of this Agreement.

6.6 Compliance with Applicable Law. The Consultant and the City shall comply with all applicable laws, ordinances and codes of the federal, state, county and city governments, including, without limitation, Malibu Municipal Code Chapter 5.36 Minimum Wage.

6.7 Independent Contractor. This Agreement is by and between the City and the Consultant and is not intended, and shall not be construed, to create the relationship of agency, servant, employee, partnership, joint venture or association, as between the City and the Consultant.

6.7.1. The Consultant shall be an independent contractor, and shall have no power to incur any debt or obligation for or on behalf of the City. Neither the City nor any of its officers or employees shall have any control over the conduct of the Consultant, or any of the Consultant's employees, except as herein set forth, and the Consultant expressly warrants not to, at any time or in any manner, represent that it, or any of its agents, servants or employees are in any manner employees of the City, it being distinctly understood that the Consultant is and shall at all times remain to the City a wholly independent contractor and the Consultant's obligations to the City are solely such as are prescribed by this Agreement.

6.8 Copyright. No reports, maps or other documents produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of the Consultant.

6.9 Legal Construction.

(a) This Agreement is made and entered into in the State of California and shall in all respects be interpreted, enforced and governed under the laws of the State of California.

(b) This Agreement shall be construed without regard to the identity of the persons who drafted its various provisions. Each and every provision of this Agreement shall be construed as though each of the parties participated equally in the drafting of same, and any rule of construction that a document is to be construed against the drafting party shall not be applicable to this Agreement.

(c) The article and section, captions and headings herein have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction.

(d) Whenever in this Agreement the context may so require, the masculine gender shall be deemed to refer to and include the feminine and neuter, and the singular shall refer to and include the plural.

6.10 Counterparts. This Agreement may be executed in counterparts and as so executed shall constitute an agreement which shall be binding upon all parties hereto.

6.11 Final Payment Acceptance Constitutes Release. The acceptance by the Consultant of the final payment made under this Agreement shall operate as and be a release of the City from all claims and liabilities for compensation to the Consultant for anything done, furnished or relating to the Consultant's work or services. Acceptance of payment shall be any negotiation of the City's check or the failure to make a written extra compensation claim within ten (10) calendar days of the receipt of that check. However, approval or payment by the City shall not constitute, nor be deemed, a release of the responsibility and liability of the Consultant, its employees, sub-consultants and agents for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by the City for any defect or error in the work prepared by the Consultant, its employees, sub-consultants and agents.

6.12 Corrections. In addition to the above indemnification obligations, the Consultant shall correct, at its expense, all errors in the work which may be disclosed during the City's review of the Consultant's report or plans. Should the Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by the City, and the cost thereof shall be charged to the Consultant.

6.13 Files. All files of the Consultant pertaining to the City shall be and remain the property of the City. The Consultant will control the physical location of such files during the term of this Agreement and shall be entitled to retain copies of such files upon termination of this Agreement.

6.14 Waiver; Remedies Cumulative. Failure by a party to insist upon the

performance of any of the provisions of this Agreement by the other party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such party's right to demand compliance by such other party in the future. No waiver by a party of a default or breach of the other party shall be effective or binding upon such party unless made in writing by such party, and no such waiver shall be implied from any omissions by a party to take any action with respect to such default or breach. No express written waiver of a specified default or breach shall affect any other default or breach, or cover any other period of time, other than any default or breach and/or period of time specified. All of the remedies permitted or available to a party under this Agreement, or at law or in equity, shall be cumulative and alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right of remedy.

6.15 Mitigation of Damages. In all such situations arising out of this Agreement, the parties shall attempt to avoid and minimize the damages resulting from the conduct of the other party.

6.16 Partial Invalidity. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

6.17 Attorneys' Fees. The parties hereto acknowledge and agree that each will bear his/her or its own costs, expenses and attorneys' fees arising out of and/or connected with the negotiation, drafting and execution of the Agreement, and all matters arising out of or connected therewith except that, in the event any action is brought by any party hereto to enforce this Agreement, the prevailing party in such action shall be entitled to reasonable attorneys' fees and costs in addition to all other relief to which that party or those parties may be entitled.

6.18 Entire Agreement. This Agreement constitutes the whole agreement between the City and the Consultant, and neither party has made any representations to the other except as expressly contained herein. Neither party, in executing or performing this Agreement, is relying upon any statement or information not contained in this Agreement. Any changes or modifications to this Agreement must be made in writing appropriately executed by both the City and the Consultant.
