CITY HALL IS OPEN TO THE PUBLIC ON A LIMITED BASIS - FACEMASKS ARE NOT REQUIRED, BUT STRONGLY RECOMMENDED WHILE INSIDE

With 74% of Los Angeles County residents fully vaccinated, county and statewide COVID-19 cases, hospitalizations and deaths steadily falling and now at levels even lower than before the winter surge, the City of Malibu has re-opened City Hall to the public as of February 22, 2022. Regular City Hall hours are Monday through Thursday, 7:30 AM to 5:30 PM and Fridays 7:30 AM to 4:30 PM. Members of the public may come to City Hall without an appointment during public counter hours. An appointment will be needed for in-person assistance during any other hours. Visitors will be

asked to remain outside the building until they can be helped by staff. [Appointments can be made online](#). The City's online appointment system will be available until further notice.

Facemasks are no longer required, but are strongly recommended, while inside, in line with the [updated Los Angeles County Health Officer Order](#) as of March 4, 2022.

Public Counter Hours

- **Planning:** Monday through Friday, 8:00 AM - 12:00 PM, walk in. Other times by appointment only.
- **Permit Services:** Monday through Friday, 8:00 AM – 12:00 PM, walk-in and appointment. Other times by appointment only.
- **Building Plan Check:** Tuesday and Thursday, 8:00 AM – 12:00 PM, walk-in and appointment. Other times by appointment only.
- **Environmental Health:** Tuesday and Thursday, 8:00 AM – 12:00 PM, walk-in and appointment. Other times by appointment only.
- **Geology / Coastal Engineering:** Tuesday and Thursday, 8:00 AM – 12:00 PM, walk-in and appointment. Other times by appointment only.
- **Public Works:** Tuesdays and Thursdays, 8:00 AM – 12:00 PM, walk-in. Other times by appointment only.

To make virtual appointments with City staff and Departments, please call or email:

- Building Safety Department (including Environmental Health, Coastal Engineering and Geotechnical Engineering): Call 310-456-2489, ext. 390. Email mbuilding@malibucity.org.
- Planning Department: Call 310-456-2489, ext. 485. Email mplanning@malibucity.org.

(NEW) COVID-19 RESPONSE UPDATE

City staff continues to monitor and respond to the pandemic by participating in regular briefings and conference calls with partner agencies and issuing alerts and notifications regarding changes to the situation. On March 16, Los Angeles County Department of Public Health (LADPH) confirmed 34 new deaths and 846 new cases. Other key updates from [the County's COVID-19 Dashboard](#) as of March 16, 2022 include the following:

- 2050 confirmed positive cases and 13 deaths in the City of Malibu to date
- 2,815,379 confirmed cases and 31,372 deaths in LA County to date
- 499 current hospitalizations in LA County, a decrease of 1,336 since February 15

(NEW) MARCH 31 COVID-19 ASSISTANCE DEADLINES AND OTHER RESOURCES

The County of Los Angeles Department of Consumer and Business Affairs (DCBA) reminds tenants and landlords that the deadline to apply for COVID-19 Emergency Rental Assistance is March 31, 2022. Eligible households can receive Rental Assistance for up to 18 months of rent debt accrued during the pandemic between March 2020 and March 2022. The California COVID-19 Rent Relief Program provides financial assistance for unpaid rent and utilities to eligible renters and landlords who have been impacted by COVID-19. For more information, to apply, and to check on the status of an already submitted application, [visit the website](#) or call 833-430-2122. If you are facing eviction, immediately contact www.stayhousedla.org. StayHousedLA will continue beyond March 31, 2022 to assist renters with tenant rights workshops, legal assistance, and other support to keep tenants housed. For more information on Federal, State, and County protections for tenants and property owners, call 833-223-7368 or visit <https://dcba.lacounty.gov/rentstabilization/>. For information about LA County's Mortgage Relief Program, visit www.nhslacounty.org/mortgagereliefprogram.

(NEW) SAVE THE DATE FOR THE CITY'S 4TH ANNUAL PUBLIC SAFETY AND PREPAREDNESS EXPO ON JUNE 4

All residents, businesses, employees and students are invited to join the City and partner public safety agencies for Malibu's fourth annual Public Safety and Preparedness Expo on Saturday, June 4, 2022 from 11:00 AM - 2:00 PM PM at City Hall. at Malibu City Hall. Attendees can see multiple displays of emergency and law enforcement response vehicles, teams and equipment, emergency preparedness supplies vendors, take first aid and other trainings, and learn about volunteer opportunities, including Malibu CERT Team, Arson Watch, Los Angeles County Volunteer Disaster Communication Services (DCS) and more. This year's Expo is in June rather than in October, as it was previously, to fit better with school and extracurricular activities and other major events in

Malibu. Details will be announced on the City's website, social media, enotifications and local news. For more information, email PublicSafety@MalibuCity.org.

(NEW) HOMELESS OUTREACH UPDATE

The People Concern, which performs Malibu's outreach and services for people experiencing homelessness in the community, provided their February 2022 work report. During February 2022, they were able to get a total of seven homeless individuals in Malibu into housing or shelter; they made a total 115 contacts (52 unduplicated); there are currently 125 individuals on the streets of Malibu that have been previously engaged, (62 are in various stages of engagement), and 63 are refusing services, with the outreach team continuing to try to engage them with the goal of getting them into the housing process. The outreach team works to get individuals off the street by aiding with the admissions process to area shelters, providing transportation to relocate, reuniting them with family members, and providing or connecting them with numerous other mental health, healthcare, case management, therapy and other holistic services. The People Concern continues to proactively engage the City's homeless population with the goal of having individuals enter the housing process while receiving medical and mental healthcare. [The report is available on the City website](#). Learn more about the City's efforts to address homelessness [on the webpage](#).

(NEW) SPECIAL CITY COUNCIL MEETING TO REVIEW PROPOSAL FOR ALTERNATIVE SLEEPING LOCATION FOR HOMELESS MARCH 24

The City Council will hold a special virtual meeting on Thursday, March 24, 6:00 PM to review and discuss the Alternative Sleeping Location (ASL) Recommended Action Plan provided by the City's Homelessness Task Force. The proposal is part of the City's efforts to address homelessness, its impacts on the community, and meet the requirements of the 2019 Martin vs. Boise court ruling that prohibits the issuing of tickets or arresting homeless people for sleeping or camping on public property if there are no reasonably accessible shelter beds available as an alternative. Community members are encouraged to watch and share their input. The staff report with background information, viewing and commenting instructions [will be posted on the website in advance](#). Written comments may be sent at any time to CityCouncil@malibucity.org. [Learn more about the City's efforts to address homelessness on the webpage](#).

NEIGHBORHOOD GROUPS CAN MEET WITH THE PUBLIC SAFETY STAFF TO DISCUSS PUBLIC SAFETY ISSUES

Malibu neighborhood groups and community-based organizations are invited to schedule virtual meetings with members of the City's Public Safety Team. Any organization or neighborhood group that is working on, or concerned about, neighborhood crime and safety, wildfire or earthquake preparedness, or any public safety matter can schedule a virtual meeting with the Public Safety staff to get information and discuss options for addressing problems. Meeting in small groups offers the opportunity for more thorough discussions, dialogue and understanding. When COVID-19 restrictions ease, the Public Safety staff will also be available for in-person community meetings. Depending on the issue that a community group would like to have addressed, staff will try to arrange for additional subject matter experts to participate. To schedule a meeting or for more

information, call Public Safety Manager Susan Dueñas at 310-456-2489, ext. 313 or email sduenas@malibucity.org.

(VIDEO) GIVE YOUR INPUT ON A PROPOSAL FOR A DAY-USE IMPOUND TOW YARD ON CITY LOT AT HEATHERCLIFF AND PCH

Community members are invited to learn about and give their input on a proposal for a temporary day-use impound yard at the City's vacant lot at Heathercliff Road and Pacific Coast Highway. Video of the Public Safety Commission discussion of the proposal and the staff report [are available on the website](#). The Public Safety Commission approved the proposal and sent the item on to the Planning Commission. City staff is working on finding more location options and the City is seeking community input on the locations. A day-use impound yard in Malibu would allow LA County Sheriff's Department (LASD) - approved tow operators to store towed vehicles temporarily until they are claimed by their owners or transferred to their regular impound yards in Thousand Oaks. Not having to make a round trip to Thousand Oaks for every vehicle would greatly increase the number of illegally parked vehicles that could be towed away in Malibu. The Planning Commission and City Council will discuss the matter in upcoming meetings and the public will have opportunities to comment. Written comments can be sent at any time to Public Safety Manager Susan Dueñas at sduenas@malibucity.org.

SCHEDULE YOUR HOME WILDFIRE HARDENING ASSESSMENT

The City continues to offer its no-cost Home Ignition Zone Assessment Program for homeowners. The Fire Liaisons will visit your home and give you a checklist of simple, often inexpensive steps you can take to harden your home against flying embers, a major cause of homes igniting during wind-driven wildfires like the Woolsey Fire. To schedule an appointment or for help with wildfire preparedness, email Firesafety@malibucity.org or call 310-456-2489, ext. 387 or [visit the Fire Safety webpage](#).

(NEW) LAS VIRGENES - MALIBU COUNCIL OF GOVERNMENTS OPPOSES PLAN TO MOVE JUVENILE PRISONERS TO CAMP KIPATRICK IN SANTA MONICA MOUNTAINS

The Las Virgenes - Malibu Council of Governments (LVMCOG) voted unanimously on March 15 to oppose a proposal by Los Angeles County Supervisors Sheila Kuehl and Holly Mitchell to move high-risk juvenile prisoners to Camp Kilpatrick in the Malibu area, and to support a motion by Supervisor Katheryn Barger to keep the prisoners at their current location. The LVMCOG made the motion at the request of Councilmember Karen Farrer, who also serves as the LVMCOG President, because the facility was not designed to house high-risk offenders, raising concerns about the potential impacts to the safety of the surrounding communities, and the safety of the County staff at the facility. Other concerns included that these youth prisoners are currently at the Barry J. Nidorf Juvenile Hall in Sylmar, and remaining there would be least disruptive to their care and supervision, minimize changes and offer stability, a solution that was recommended by the Los Angeles County Probation Department. The Board of Supervisors on March 15 approved moving the prisoners to Camp Kilpatrick, and directed County staff to present the plan for renovations to the Board of Supervisors within 120 days.

(NEW) APRIL 4 MALIBU INN MOTEL PROJECT HEARING POSTPONED

The Planning Commission public hearing on the Malibu Inn Motel project scheduled for April 4 is expected to be postponed to allow the applicant more time to comply with the Memorandum of Understanding between the City and Regional Water Quality Control Board. This project was scheduled to be heard together with the Conditional Use Permit Amendment for conversion of restaurant space to retail for the Malibu Inn and the Joint Use Parking Agreement for Aviation Nation. However, the applicant has requested that those two items move forward on April 4. These hearings were continued on January 11 to allow time for staff to contact the Regional Water Quality Control Board for clarification on whether the proposed project continues to be exempt [pursuant to Table 4-zz](#). Previous meeting materials and more information about the project are available [on the webpage](#).

(NEW) EXPEDITED ROOF-MOUNTED SOLAR POWER PERMITS

The Planning Department is processing same-day permits for roof-mounted solar power installations. Residents and solar permit expeditors are encouraged to visit the Planning Counter Monday through Friday, 8:00 AM - 12:00 PM to obtain a planning permit. Ground-mounted permits will be expedited as well, but may require additional processing time depending on the location of the solar panels and if the project warrants review by other Departments. The expedited permits for solar power installation are meant to encourage more use of solar power as part of the City's efforts to be sustainable and fight climate change. [Visit the Planning Department webpage for forms and applications](#).

(NEW) PROPOSAL TO INCLUDE CITY OF MALIBU IN RESOURCE CONSERVATION DISTRICT OF THE SANTA MONICA MOUNTAINS SPHERE OF INFLUENCE

During a hearing of the Local Agency Formation Commission (LAFCO) on March 9, 2022, LAFCO approved an action to include the City of Malibu in the Sphere of Influence boundary of the Resource Conservation District of the Santa Monica Mountains (RCDSMM). The RCDSMM is a Special District organized under the State Resources Code that promotes and provides conservation programs. [More information about RCDSMM is available on the website](#). The staff report indicated that while a significant portion of the Malibu Creek Watershed was within the RCDSMM's existing Sphere of Influence boundary, the City of Malibu was currently outside those boundaries. The RCDSMM Sphere of Influence currently includes the cities of Agoura Hills, Calabasas, Hidden Hills, and Westlake Village; and LA County unincorporated communities in the Malibu area and Topanga Canyon. For more information, [see the LAFCO staff report \(page 15\)](#). Now that the City is within the SOI, the next step would be the annexing of Malibu into the RCDSMM. RCDSMM's Executive Officer, Clark Stevens, stated he would be working closely with the City on any proposed annexation request. This item will be presented to the City Council in the near future.

(NEW) VIDEO: ACCESSORY DWELLING UNITS ORDINANCE HEARING IN PLANNING COMMISSION POSTPONED

During the March 7, 2022 Planning Commission public hearing on the City's Accessory Dwelling Unit (ADU) draft ordinance, the Planning Commission requested staff to prepare a staff report with numerous discussion items, and then postponed the public hearing. [Watch the video of the meeting \(item starts at 40:00\)](#). The complete list of the issues raised by the Planning Commission is [available to view on the website](#). The State has identified ADUs as an important tool to create more affordable housing amidst the California's housing crisis, and has passed several laws to make it easier to build ADUs. The City is preparing an ordinance to be consistent with State laws, and to ensure the regulations reflect Malibu's needs and characteristics. For more information about the City's proposed ADU regulations, [visit the webpage](#).

(NEW) SPECIAL EVENTS REPORT

There are currently permitted events on March 26, March 31 and April 3, and every Sunday for parking for the Farmer's Market. The City of Malibu Planning Department posts a [weekly report of approved event permits on the website](#). In order for members of the public to be informed of pending event permit applications and to provide an additional opportunity for public input, the City has changed the Event Permit Report format to include all event permit applications deemed complete for review for consistency and compliance with the requirements of the Malibu Municipal Code and the Planning Director's action on each application. The updated Event Permit Report has been posted to the City's website. To sign up to receive an email or text message when an updated Event Permit Report is posted, [visit the e-notifications page](#) (scroll down to the "Special Event Permit Report" category).

(NEW) RESIDENTIAL ZERO WASTE GUIDE

The City has a new Organic Waste Recycling Program to help community members reduce their carbon footprint and the impacts of climate change by diverting organic waste like food waste from landfills, where it releases greenhouse gases that contribute to climate change. No new trash bins will be delivered to residents. Residents are responsible for sorting organics in the appropriate trash bin based on which City-permitted solid waste hauler they have. The City's two waste haulers, Waste Management and Universal Waste, have provided information directly to their customers on how to sort their food scraps. To assist residents with preventing food waste and sorting their food scraps based on their hauler's requirements, the City created a [Residential Zero Waste Guide, available on the website](#). More information on the City's Organic Recycling Program and tips for composting at home is [available on the webpage](#).

(NEW) DUNE RESTORATION STUDENT VOLUNTEERING EVENT MARCH 23

On Wednesday, March 23, 9:30 AM - 11:30 AM, students, schools and community members are invited to volunteer to help restore the Zuma Beach dune site of the Malibu Living Shoreline Project and to see and learn about the project. The Bay Foundation staff will provide a brief introduction, discussing the context and significance of the project. Participants will support restoration and maintenance activities, including removing non-native vegetation, caring for native plants and seeds, and repairing other restoration elements. For more information and to sign up, [visit the project](#)

[website](#). The site is adjacent to Zuma Lagoon. Park in the Zuma Beach Parking Lot immediately after passing the entry kiosks.

(NEW) EARTH MONTH 2022 EVENTS

Tuesday, April 5, 11:00 AM - 2:00 PM, Pepperdine's Earth Day Celebration - Pepperdine's Earth Day Celebration incorporates student booths, activities, food, and community organizations. The City of Malibu was invited to participate with a booth to share information about environmental programs and will give the students an opportunity to connect with the environmental community outside Pepperdine.

Saturday, April 16, 10:00 AM - 2:00 PM, Document Shredding and Household Hazardous & Electronic Waste Collection - Residents can wrap up their spring cleaning at the City's free household hazardous and electronic waste collection and secure document shredding day. Drop off latex paint, motor oil, batteries and electronics, and bring confidential papers to be shredded securely onsite (limit five standard-sized file boxes per household). Located in the upper parking lot of Malibu City Hall. All attendees are asked to wear a face covering and remain in their vehicles with windows closed while staff removes items from the trunk or pickup bed. For more information visit MalibuCity.org/EnviroCalendar

Thursday, April 28, 6:30 PM, Organic Recycling Virtual Community Meeting - The City of Malibu and Los Angeles County Public Works (Malibu Garbage Disposal District) invite you to join a virtual community workshop to help community members learn about how to properly separate organic waste, and the importance of organics recycling to fighting climate change and reducing food waste. Representatives from Waste Management and Universal Waste Systems, Malibu's waste haulers, will answer questions about their organic collection service. For more information visit www.malibucity.org/organics.

Saturday, April 30, 10 AM to 12 PM, Malibu Living Shoreline Community Restoration Event - Community members are invited to visit and help restore the Point Dume dune site of the Malibu Living Shoreline Project. The Bay Foundation staff will provide a brief introduction and discuss the significance of the project. Participants will support restoration and maintenance activities, including removing non-native vegetation, caring for native plants and seeds and repairing other restoration elements. For more information [see the calendar listing on the website](#).

(NEW) MALIBU SENIOR CENTER AT CITY HALL TO RE-OPEN FOR IN-PERSON ACTIVITIES APRIL 1

The City of Malibu is proud to welcome Malibu's seniors back to the Senior Center on April 1 as part of the reopening of City Hall to the public. The Senior Center will be open Monday through Friday, 9:00 AM to 4:00 PM. Face coverings are not required, but are strongly recommended in Malibu City Hall, in line with the [updated Los Angeles County Health Officer Order](#) as of March 4, 2022. Seniors will have access to general use areas of the Center, such as the computer lab, library and numerous recreation programs. Staff is also available to assist with Dial-A-Ride questions and program registrations. Fresh coffee will be available daily from 9:00 AM to 3:00 PM. For more information, call 310-456-2489, ext. 357 or [visit the webpage](#).

educational and inviting environment that deliver each program's core skills. [To register, visit the webpage.](#) For more information, [visit the Day Camps webpage.](#)

VIDEO: SPECIAL JOINT PUBLIC WORKS / PUBLIC SAFETY COMMISSION MEETING ON WESTWARD BEACH

Video is available of the Public Works and Public Safety Commissions joint special virtual meeting on February 23 to discuss potential safety projects as well as the re-design of the proposed Westward Beach Improvements Project. [The video and the staff report are available on the website.](#) During a special joint meeting on January 20, the Commissions voted to recommend to the City Council to suspend the project. Community concerns were raised about the project related to the ongoing beach erosion that led to the recent collapse of the connector road leading from Westward Beach Road into the Point Dume Parking lot and other issues. The Commissions recommended further environmental, safety and coastal engineering review, and getting community input before moving the project forward. The item will be scheduled for a future City Council meeting, with details to be announced when they become available.

(NEW) WORK UNDERWAY ON CALTRANS TRANCAS CREEK BRIDGE REPLACEMENT PROJECT

Caltrans has started work on the replacement of Trancas Creek Bridge on PCH east of Trancas Canyon Road in Malibu. The preliminary work involves fiber optic line relocation work by a contractor for Frontier Communications, requiring clearing vegetation from the shoulders, hauling away material, and periodic service outages, with work expected to be completed by the end of March. Pedestrians, cyclists and motorists should proceed with caution and watch for construction workers,

vehicles and equipment in the road and shoulder. The project will require intermittent lane closures (one lane in each direction) from Guernsey Avenue to Trancas Canyon Road starting the week of March 21, Monday through Friday, 7:00 AM to 3:00 PM, for removal of the concrete median island. Night work will also be performed 7:00 PM to 6:00 AM, Sunday through Wednesday. There is no parking on PCH between Guernsey Avenue and Trancas Canyon Road, in effect for the duration of the project. Construction work on the Bridge Replacement is scheduled to begin on May 2, requiring one lane of PCH to be closed in each direction Monday through Friday, 7:00 AM to 3:00 PM. [More information is available on the webpage.](#)

(NEW) ROAD STRIPING WORK ON MALIBU CANYON & HARBOR VISTA MARCH 21

There will be intermittent lane closures with flaggers directing traffic on Harbor Vista Drive (entire road) and on Malibu Canyon Road (from Malibu Knolls Road to Malibu Crest Drive) for road striping work on Monday, March 21, 8:00 AM to 11:00 AM. This is the final task of the SCE utility work at this location.
