

CERT TRAINING

COMMUNITY EMERGENCY RESPONSE TEAM

The Basic CERT Training teaches you basic disaster response skills so you can safely help yourself and those around you when disaster strikes, and when professional responders aren't available. Learn how to protect yourself, your loved ones, and your community.

The City of Malibu is pleased to be hosting the first in person CERT Class since the beginning of the pandemic.

CERT is a highly-acclaimed program of free courses administered by the City and other public safety agencies across the country that empowers citizens to help during disasters.

Through hands-on training, participants learn the most up-to-date information on basic disaster preparedness, the use of a fire extinguisher, disaster medical care, first aid, search and rescue techniques, disaster psychology, and neighborhood team building. CERT Team volunteers are a crucial part of the City's ability to prepare and respond to disasters.

The class will run Wednesday evenings from 6:00 PM to 9:00 PM, and the final will be on the Saturday following the last class. **Participants must complete all 7 classes, and the final to receive a certificate of completion.**

WHAT YOU LEARN

- Unit 1: Disaster Preparedness
- Unit 2: CERT Organization
- Unit 3-4: Disaster Medical Operations
- Unit 5: Disaster Psychology
- Unit 6: Fire Safety and Utility Controls
- Unit 7: Light Search and Rescue Operations
