INTRODUCTION

The City of Malibu (City) is requesting proposals from qualified firms to manage the City of Malibu Film Permit functions.

BACKGROUND

The City of Malibu (City) is a coastal city located in the northwestern portion of Los Angeles County, California, along 21 miles of the Pacific Ocean and has a population of approximately 10,654. The City is host to approximately 15 million visitors a year. The City is a general law city incorporated under California law in 1991. It operates under the Council/Manager form of government and is considered a contract city. The five Members of the City Council are elected at-large. They serve staggered four-year terms, with the Mayor being selected from among the Councilmembers. The City covers approximately 21 miles along the coast and offers a full range of municipal services. The City currently has 97 full-time employees and 13.27 full-time equivalent part-time employees. The City, organized into seven departments, provides a number of services in-house, including management and administrative services, building and safety, community services, environmental sustainability, planning, public works and engineering. The City's Adopted Fiscal Year 2022-2023 General Fund Operating Budget is \$44.2 million, and the City's Total Expenditure Budget is \$89.8 million.

The City contracts with the County of Los Angeles for law enforcement, fire (as a member of the Fire District), animal control and other services. In addition, certain other services, such as the City Attorney, water, street maintenance and garbage collection services, are also provided via contract or from Los Angeles County. Law enforcement is provided by the Los Angeles County Sheriff's Department out of the Lost Hills Sheriff's Station. Fire services within the City of Malibu and the unincorporated Los Angeles County areas around Malibu are provided by the County of Los Angeles Fire Department through four local fire stations.

The City interacts with numerous other government agencies, including but not limited to the California Department of Parks and Recreation, the California Department of Transportation, and the County of Los Angeles. As a city located entirely within the coastal zone, the City interacts frequently with the California Coastal Commission, as well as the California State Water Resources Control Board and the Los Angeles Regional Water Quality Control Board, and other agencies, such as the Mountains Recreation Conservation Authority (MRCA).

Malibu Municipal Code Section 5.20 governs the City's Motion Picture, Television and Photographic Production functions. The City issues permits for motion pictures, television and photographic functions on a fee basis. Fees are adopted annually by the City Council.

6.10 Counterparts. This Agreement may be executed in counterparts and as so executed shall constitute an agreement which shall be binding upon all parties hereto.

6.11 Final Payment Acceptance Constitutes Release. The acceptance by the Consultant of the final payment made under this Agreement shall operate as and be a release of the City from all claims and liabilities for compensation to the Consultant for anything done, furnished or relating to the Consultant's work or services. Acceptance of payment shall be any negotiation of the City's check or the failure to make a written extra compensation claim within ten (10) calendar days of the receipt of that check. However, approval or payment by the City shall not constitute, nor be deemed, a release of the responsibility and liability of the Consultant, its employees, sub-consultants and agents for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by the City for any defect or error in the work prepared by the Consultant, its employees, sub-consultants and agents.

6.12 Corrections. In addition to the above indemnification obligations, the Consultant shall correct, at its expense, all errors in the work which may be disclosed during the City's review of the Consultant's report or plans. 6.14 Waiver; Remedies Cumulative. Failure by a party to insist upon the

performance of any of the provisions of this Agreement by the other party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such party's right to demand compliance by such other party in the future. No waiver by a party of a default or breach of the other party shall be effective or binding upon such party unless made in writing by such party, and no such waiver shall be implied from any omissions by a party to take any action with respect to such default or breach. No express written waiver of a specified default or breach shall affect any other default or breach, or cover any other period of time, other than any default or breach and/or period of time specified. All of the remedies permitted or available to a party under this Agreement, or at law or in equity, shall be cumulative and alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right of remedy.

6.15 Mitigation of Damages. In all such situations arising out of this Agreement, the parties shall attempt to avoid and minimize the damages resulting from the conduct of the other party.

6.16 Partial Invalidity. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

6.17 Attorneys' Fees. The parties hereto acknowledge and agree that each will bear his/her or its own costs, expenses and attorneys' fees arising out of and/or connected with the negotiation, drafting and execution of the Agreement, and all matters arising out of or connected therewith except that, in the event any action is brought by any party hereto to enforce this Agreement, the prevailing party in such action shall be entitled to reasonable attorneys' fees and costs in addition to all other relief to which that party or those parties may be entitled.

6.18 Entire Agreement. This Agreement constitutes the whole agreement between the City and the Consultant, and neither party has made any representations to the other except as expressly contained herein.
