# STAYING INFORMED DURING A DISASTER CAN SAVE YOUR LIFE

Know your zone! Look up your evacuation zone  
 at [www.MalibuCity.org/Evac](http://www.MalibuCity.org/Evac)

During wildfires, earthquakes, severe winter storms, or other disasters, Malibu may experience widespread, long-lasting power, landline phone, cellphone, and Internet service outages. It is critical for life safety to be able to access emergency information such as evacuation orders and routes, assistance resources, shelter locations, damaged infrastructure and more. **Here are some options for community members to access this information:**

Sign up for City emergency, traffic and weather alerts via text or email at:  
**MalibuCity.org/News** (scroll to Alert Center)

Monitor local news using battery, solar, hand-crank or car radios, which will operate during power outages:  
**99.1 FM KBUU, 97.1 FM KNX, and 1070 AM KNX**

Sign up for Disaster Notifications (only used for imminent threats to life and property, and evacuations) at:  
**MalibuCity.org/DisasterNotifications**

Information stations with updates posted on bulletin boards may be established and staffed by Malibu CERT members at strategic locations across Malibu

Sign up for emergency alerts from LA County (includes Fire and Sheriff's Depts.) at:  
**Ready.LACounty.gov/Alerts**

Mobile app showing LA County Fire Department emergency dispatches:  
**PulsePoint App**
