RE: City of Malibu Local Coastal Program Amendment No. LCP-4-MAL-22-0043-1 (Malibu Middle and High School Campus Specific Plan)

Dear Mr. Mollica:

This office has reviewed the City of Malibu's acknowledgement and acceptance of, and agreement with, the terms and suggested modification of LCP Amendment LCP-4-MAL-22-0043-1, adopted by your City Council on October 9, 2023, and October 23, 2023 (Ordinance No. 512 and Resolution No. 23-48). By this action, the City of Malibu has acknowledged receipt of the Commission's resolution certification and agrees to carry out the LCP Amendment, including the modifications suggested by the Coastal Commission, in full conformity with the Coastal Act.

Commission staff's review indicates that the City's action legally satisfies the Commission's certification resolution adopted on September 8, 2023. In accordance with California Code of Regulations, Title 14, Section 13551(b) and 13544, the Executive Director made the determination that the City of Malibu's actions are legally adequate and that determination that reported to the Coastal Commission at its meeting of November 17, 2023. Therefore, City of Malibu Local Coastal Program Amendment LCP-4-MAL-22-0043-1 became effective on November 17, 2023.

We appreciate the City staff's cooperation and assistance in this matter. When these provisions are integrated into the City's LCP document, please send a copy of the updated LCP document to our Ventura District office.
