SCHOOL ISSUES

- All schools within Malibu schools are currently on summer break. The last day of school was June 6, 2024. School will be back in session on August 22, 2024

INTERVENTIONS

COMMUNITY / CRIMINAL ISSUES

- Lost Hills Station participated in an active shooter training scenario at Lindero Canyon Middle School. The scenario included radio communication, multiple role players acting as victims, and live simulation round gunfire. Every deputy who participated completed monitors and a debrief. The goal of the scenario was to better prepare deputy personnel for a critical incident at any of the schools we serve.
- The J-Team is scheduling critical incident training dates for the staff within LVUSD and SMMUSD. We are rolling out new and replacing old terminology for critical incidents at our schools (e.g., Active Shooter). The goal of new terminology is to mitigate confusion when handling specific incidents that can occur on campus (e.g., bomb threats, “swatting,” active shooter).
- The J-Team spoke with numerous citizens and parents who called to question juvenile concerns and community issues. We also provided the parents with resource programs within our community.
- The J-Team contacted the Sylmar Juvenile Court District Attorney to inquire about the investigation and filing of criminal charges against juvenile offenders.
- Throughout the month, we met with Captain Jennifer Seetoo to inform her about our unit's investigations and current issues involving juveniles in our city.
- The J-Team assisted other investigators in preparing court cases and investigated, prepared, and filed cases with the District Attorney’s office.
- The J-Team handled the processing and follow-up of various juvenile referrals regarding various juvenile contacts with uniform personnel brought to the attention of this unit.
- The J-Team conducted routine checks of juvenile problem areas in the city during weekend evenings and responded to juvenile-related calls for service.
- The J-Team ensured record sealing procedures were initiated for subjects who completed CHAMPS diversion for minor offenses.
- The J-Team aided in patrolling for CARP, filled in for any patrol shortages, and worked mandatory overtime.
- The J-team conducted “290” Residential Verifications for sex registrants within the city of Malibu.
