

# LEGO ROBOTICS WORKSHOPS

## Pre-Fundamentals

Ages 5 - 7	Saturday April 25	11 AM - 12:30 PM	Malibu Bluffs Park, Michael Landon Center	Complimentary
---------------	----------------------	------------------	--	---------------

## Fundamentals

Ages 7 - 12	Saturday May 9	11 AM - 12:30 PM	Malibu Bluffs Park, Michael Landon Center	Complimentary
----------------	-------------------	------------------	--	---------------

Engineers will explore creativity and problem solving through hands on projects. Using LEGO parts, participants will design and build motorized machines that will engage in friendly battles and challenges. Instructed by Marty Felgen.
