Dear Ha Ly:

Thank you for your time and information a few weeks ago.

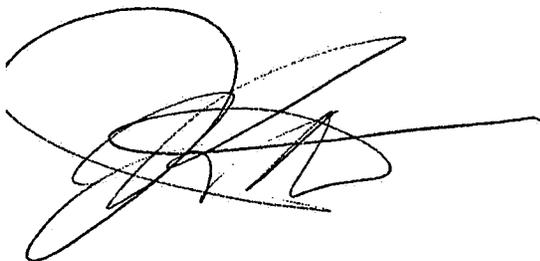

Please find enclosed a CD with numerous photos of the Bluff's project and the major impact it has on our primary Ocean view.

As you have been involved in the View ordinance, you will understand the value and importance of a spectacular Ocean view and you will notice in the photos, the new project will completely eliminate a large portion of our Ocean view.

I don't know what needs to be done to lodge a formal complaint, so I appreciate your assistance in this matter.

Thank you in advance,

Sincerely,
